What Students Need

- Comfortable, weather-appropriate clothing
- Athletic shoes
- A labeled refillable water bottle
- Sunscreen applied before school, if desired

Students will receive a Fun Run shirt, lei necklace, and sunglasses Friday morning. They will change into their shirts at school so no one forgets theirs at home.

Lunch: Please tell your child's teacher whether your student needs a school-provided sack lunch or will bring lunch from home.

Parents are welcome to attend and cheer during the scheduled Fun Run time. We ask that students remain with their classes and stay for the full school day. Please do not plan to take your

child home after the Fun Run. Students will have grade-level activities, Panther Families, and earned classroom incentives throughout the remainder of the day.

Standard Response Protocol

Student safety remains our highest priority. Throughout the year, students will practice the Standard Response Protocol (SRP) which will teach them how to respond during different emergency situations. The SRP provides a standardized approach for responding to both threatening and non-threatening events that may occur in or around our school.

These protocols provide actions for the following situations:

- Hold (stay in classrooms due to a non-threatening event)
- Secure (danger is outside the school)
- Lockdown (danger is inside the school)
- Evacuate (leave the school building, often referred to as fire drill)
- Shelter (tornado or severe weather)

Complaint Procedures

As outlined in the District OR-1 Parent/Student Handbook, we ask families to follow the district's established complaint procedure when questions or concerns arise. In most situations, that means starting with the staff member who is most directly involved in the matter.

Our goal is always to address concerns as quickly and effectively as possible. The person closest to the situation is typically in the best position to provide information, answer questions, and work with you toward a resolution.

The Parent/Student Handbook outlines the following process:

Step 1: Contact the staff member most directly involved in the matter and provide them an opportunity to address the concern.

Step 2: If the concern is not resolved, contact the building Principal.

Step 3: If the concern remains unresolved, contact the Superintendent.

Step 4: If the concern remains unresolved, it may then be addressed with the Board of Education.

We certainly want parents to communicate with us when they have questions or concerns. At the same time, please help us honor this process by beginning with the appropriate staff member and working through the established steps rather than skipping directly to a later level.

Following this process gives the individuals closest to the situation an opportunity to listen, gather information, and address the concern before it is elevated. It also helps us maintain open, respectful, and productive communication between our families and staff.

As always, certain matters—including discrimination, harassment, bullying, or disciplinary concerns—may have specific procedures outlined in the Parent/Student Handbook and should follow those procedures when applicable.
