Principal's Update

Picture Retake Day

Bennet Elementary Picture Retake Day is Tuesday, October 27.

Students who missed the original picture day or would like a new picture taken may participate. Students receiving a retake should bring their original picture package to school to exchange it for the new image.

Families may use the ordering information below to preorder a picture package. Online orders may be submitted until 24 hours after picture day.

Halloween Parade Information

Our Halloween Parade will be held outside on Friday, October 30, beginning at 2:00 PM. Kindergarten will lead the parade, and families are welcome to watch from along the parade route.

Costume Guidelines

- Costumes must be respectful and may not demean or offend any racial, ethnic, cultural, or gender group.
- Fake weapons and props that could be used as weapons are not permitted. These items will be collected by Mr. Haag and returned directly to a parent or guardian.
- Live animals may not be included as part of a costume. Stuffed animals are welcome.
- Makeup should be simple enough for students to apply independently.

Information for Families

- Please park and gather in the parent drop-off loop.
- Students will parade along the sidewalks surrounding the loop. Please keep the sidewalks clear so students can walk safely.
- After the parade, students will return to their classrooms for their Halloween parties.

Panther Pride Protocols: A Resource for Families

Several parents have requested a copy of our **Panther Pride Protocols** to help reinforce the same language and expectations we use at school.

These protocols provide clear reminders about following adult directions promptly and responding calmly and respectfully. We hope families find them helpful for reviewing and practicing these expectations at home, if they choose.

Quarter 1

Specialist Team Newsletter

Music

Greetings! The music room has been full of singing, dancing, games and creating this quarter!

In music, Kindergarten has been learning about steady beat and we've started quarter note and eighth note rhythms - pie and pizza. They've explored different ways to use their voices including distinguishing high and low sounds. They have also met our friends Bobo and Freddy the Frog - pictured below.
The first and second graders have been learning new songs. We've added the half note, which is 2 beats long, and we are making sure we use our good singing voices for songs.

Our 3rd and 4th graders have been learning about dynamics - which is how loud or soft the music is. The 3rd graders even got to play kazoos!

Our 5th graders have reviewed dynamics and had fun with a concentration name game. Now we are preparing to attend the Lincoln Symphony Orchestra concert on November 2nd. This concert for the 5th graders will allow them to hear and interact with the symphony orchestra.

Upcoming

Nov 2 - 5th Grade - Symphony Orchestra
Nov 23 - K - 4 Winter Concert
Dec 10 - Band & Bennet Singers Concert

K-4th grade have now switched into preparations for their winter concert, which is on November 23rd at the HS in the West gym. The students have some fun songs they are learning, and have been given lyric sheets that they may practice at home. Our goal is to have all the songs memorized, so our bodies are free to sing and dance at the same time.

Bennet Singers & 5th grade band students will participate in the 5-8th grade concert on December 10th at the HS in the West gym. More information will be sent out to those families when we get closer to the concert.

- Mrs. McCreight

Computer

💻 Bennet Computer Room Update! We've had a busy and exciting quarter in computer class! Each grade level has accomplished so much, and I'm thrilled to share their progress:

Kindergarten has been hard at work learning how to use a computer mouse instead of a touchscreen. It was quite an adjustment, but they did it! We have now mastered 3 new websites. 1st Grade reviewed some familiar skills from last year and started exploring a few new websites. A new favorite website is Toy Theater. This website has many games for kids to explore including math, science, reading and art.

2nd Grade is learning all about the different parts of a computer and how each one works together. They've also started a big research project called "Night Hunters," which has been very exciting! 3rd Grade is focused on typing this quarter, mastering the home row and top row keys on the keyboard. Their skills have really taken off!

4th Grade began using Typing Club, a program designed to build speed and accuracy. Most students have completed at least 150 lessons, and a few have reached over 800 lessons—amazing dedication! They also started coding on a fun website call Code.org. We are learning that Computer Science is hard but can be fun! 5th Grade is continuing their work in Typing Club to grow our accuracy and speed. They have also completed a research project on some of the top contributors to computer science in the last 150 year. Using critical thinking skills when researching important facts from websites is a standard in 5th grade.

This quarter, every grade continues to learn about computer safety. It's been a wonderful quarter of learning, exploring, and growing in our digital skills!

— Mrs. Hanger 💻

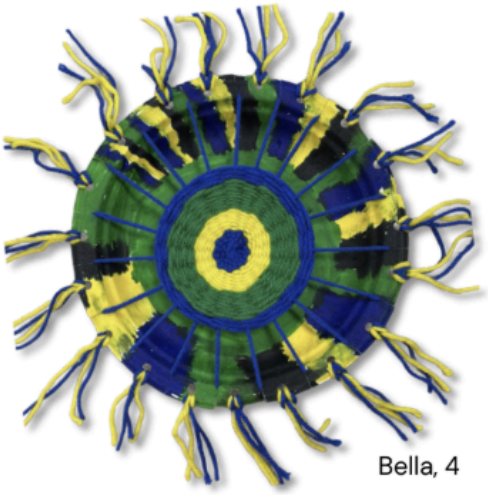

Bennet Elementary - District OR-1

(402) 782-3535 50 Dogwood St, Bennet, NE 68317 Benoffice@districtor1.net

Art

Throughout first quarter, grades 4 and 5 worked hard to build resilience and artistic skills in weaving and portrait drawing. Grade 4 learned about the art and history of weaving techniques. Students designed looms full of color and pattern and challenged themselves in circle loom weaving. Grade 5 explored how heroes can be represented in art. Students have been working on portrait drawing and learning how to use value to create realism. Both projects encouraged students to use their creativity, take risks, and explore new art techniques.

Bella, 4

Grades 2 and 3 used a variety of materials and created both 2D and 3D works of art. Grade 2 focused on the theme Good Neighbor. Students learned what it means to be a good neighbor and ways of showing kindness through art. Each student created a gift for a special neighbor out of clay. Grade 3 explored the technique of printmaking. Students followed the steps of the creative process as they created abstract designs full of lines and shapes and enjoyed printing their artwork on colorful painted backgrounds.

Lily, 3

Kindergarten and first grade focused on elements of art and how they are used to create art in different ways. Kindergarten students were introduced to the elements of line and shape and learned how artists use them to create both abstract and realistic works of art. Students were able to use what they learned to create 3D sculptures and colorful shape collages. First grade focused on working hard to solve problems in art and identified how art expresses creativity and inspires others. Students worked together to brainstorm ideas and used their creative thinking skills to turn mistakes into amazing drawings.

Kennedy, 1

Bennet Elementary - District OR-1

(402) 782-3535 50 Dogwood St, Bennet, NE 68317 Benoffice@districtor1.net

Physical Education

Students have been very busy in PE to start the school year. We started the year with learning our expectations and routines that we follow each day. We then started our baseline fitness tests that we will follow up on multiple times throughout the year to measure our progress. Some examples were standing broad jump, a shuttle run, and "flying 10s" (pictured).

We then moved into our first units. For our upper elementary students in grades 3-5 we started volleyball, learning the basics of passing and serving and now transitioning to our modified volleyball games.

For our lower elementary students, we are focusing on tossing and catching. This really challenges some students with tracking the ball and catching it with our hands as well as tossing to our target accurately.

At-Home Strategies for Bullying Prevention and School Safety

Creating safe, supportive environments for children starts with a strong partnership between schools and families and caregivers. Small, everyday actions can help children develop confidence, empathy, and healthy relationships. Use these age-appropriate strategies to reinforce these lessons at home.

Kids in Pre-K

Young children are beginning to learn how to interact with others and manage emotions.

- **Build kindness into daily routines.** Talk about what it means to be kind, share toys, take turns, and use gentle words. Praise positive behaviors when you see them.
- **Practice identifying feelings.** Help children recognize emotions by naming feelings and discussing how different situations make people feel.
- **Teach trusted-adult awareness.** Make sure children know the names of adults they can turn to if they feel scared, hurt, or uncomfortable.
- **Model respectful behavior.** Demonstrate kindness, patience, and problem-solving to help children develop those skills.

Children in Elementary School

Elementary-age children are building friendships and becoming more independent.

- **Talk openly about bullying.** Explain that bullying involves repeated, intentional hurtful behavior and encourage children to speak up if they see or experience it.
- **Create a family safety plan.** Ensure children know important phone numbers, safe routes to and from school, and what to do if they need help.

- **Encourage empathy.** Ask children to consider how others might feel in different situations. Read books together and discuss characters' experiences.
- **Monitor online activity.** Keep devices in shared spaces when possible and maintain regular conversations about respectful online behavior.

Middle Schoolers

Middle school students face increasing social pressures, greater independence, and expanded online interactions.

- **Keep communication open.** Set aside time for regular conversations without judgment. Kids are more likely to share concerns when they know they will be supported.
- **Discuss digital citizenship.** Talk about responsible social media use, privacy settings, and how online behavior affects others.
- **Empower students to be upstanders.** Encourage them to report bullying, support peers who may be targeted, and seek help from trusted adults when needed.
- **Promote problem-solving and resilience.** Help children think through challenges, develop coping strategies, and practice healthy ways to manage conflict.

CHAMPIONS

HOW TO ENROLL

Follow these steps to register your family and enroll in a Champions® program. This can only be done on the website, not in the app.

- Register once per location if your child attends more than one school.
- If you want to enroll in a program at a different school, make sure to use the same email so we can link accounts. Enroll at Multiple Locations.
- Complete registration steps for each child.!

STEP-BY-STEP INSTRUCTIONS:

1. Go to **my.discoverchampions.com.**
2. Search by Zip Code or choose your location, then click "Enroll."
3. Enter your child's information. Click "Continue."
4. Fill in parent/guardian information. Select the Primary Caregiver. Click "Continue."
5. Add at least three contacts: Family Member, Authorized Pick-up, and Emergency. Click "Continue."
6. Choose your program, select attendance days, and pick your Monday start date. Click "Continue."
7. To add any discounts, click "+Add Discount," select Coupon Code or Subsidy from the drop-down options, and then enter eligibility information or coupon code.
8. Review your order and click "Continue."
9. Click "Pay Now," enter payment info, and confirm.
10. Check your email for confirmation. Follow the link to set your password, and finish setting up your account.

WELCOME TO CHAMPIONS!

Questions? Email us at ChampionsHelp@KC-Education.com or call 1-800-246-2154. Champions Family Support is open Monday through Friday, from 6:00 a.m. to 5:00 p.m. PST.

Standard Response Protocol

Student safety remains our highest priority. Throughout the year, students will practice the Standard Response Protocol (SRP) which will teach them how to respond during different emergency situations. The SRP provides a standardized approach for responding to both threatening and non-threatening events that may occur in or around our school.

These protocols provide actions for the following situations:

- Hold (stay in classrooms due to a non-threatening event)
- Secure (danger is outside the school)
- Lockdown (danger is inside the school)
- Evacuate (leave the school building, often referred to as fire drill)
- Shelter (tornado or severe weather)

(402) 782-3535 50 Dogwood St, Bennet, NE 68317 Benoffice@districtor1.net

WE'VE GONE DIGITAL!

BACK-TO-SCHOOL STUDENT FORMS ARE NOW DIGITAL THROUGH POWERSCHOOL

1. Click the link to be taken to the PowerSchool log in page
2. Click on "forms" on the left hand side. You will need to fill out forms for each child.
3. Continue clicking "forms" until all forms have been completed.

New users to Powerschool were mailed their log in information in July. If you need additional assistance, please email Melissa for the elementary: ostrander.mel@districtor1.net or Kristi for the high school: norman.kri@districtor1.net

Bennet Elementary - District OR-1

(402) 782-3535 50 Dogwood St, Bennet, NE 68317 Benoffice@districtor1.net

Complaint Procedures

As outlined in the District OR-1 Parent/Student Handbook, we ask families to follow the district's established complaint procedure when questions or concerns arise. In most situations, that means starting with the staff member who is most directly involved in the matter.

Our goal is always to address concerns as quickly and effectively as possible. The person closest to the situation is typically in the best position to provide information, answer questions, and work with you toward a resolution.

The Parent/Student Handbook outlines the following process:

Step 1: Contact the staff member most directly involved in the matter and provide them an opportunity to address the concern.

Step 2: If the concern is not resolved, contact the building Principal.

Step 3: If the concern remains unresolved, contact the Superintendent.

Step 4: If the concern remains unresolved, it may then be addressed with the Board of Education.

We certainly want parents to communicate with us when they have questions or concerns. At the same time, please help us honor this process by beginning with the appropriate staff member and working through the established steps rather than skipping directly to a later level.

Following this process gives the individuals closest to the situation an opportunity to listen, gather information, and address the concern before it is elevated. It also helps us maintain open, respectful, and productive communication between our families and staff.

As always, certain matters—including discrimination, harassment, bullying, or disciplinary concerns—may have specific procedures outlined in the Parent/Student Handbook and should follow those procedures when applicable.

17th Annual Trunk or Treat

Sponsored by

Teammates Mentoring Program

& Palmyra Community Foundation

When: Saturday October 24th, 2026 from 4:00-6:00pm

Where: Palmyra Main Street (On C Street between 5th and 6th St)

We are looking for local **ORGANIZATIONS, BUSINESSES, FAMILIES, CHURCHES**, OR **ANY GROUP** to decorate the TRUNK OF A CAR or BED OF A TRUCK and to offer TREATS for the "trick or treaters".

HERE IS WHAT YOU WILL NEED . . .

1. Commitment of $15.00 to buy a parking stall
2. Trunk of a car or the bed of a truck
3. Decorations or theme for the trunk/bed
4. Signage for your business/organization/group/family
5. Treats (approximately 300-325 trick or treaters)
6. People to offer treats (costumes welcome but optional)
7. Set-up time will start at 3:15pm

Use your imagination to decorate the trunk/bed. Please remember to use discretion and not use items that are too scary or gory as there will be younger folks among the crowd.

Contest note:

There is a fabulous traveling trophy at stake for the **"Best Trunk"** design!

Yes,_____(group name) would like to participate.

Contact person:_____. Address_____.

Phone:_____. Email:_____.

Please return commitment form and donation by **Thursday October 15** to any Teammates representative, OR mail to **Sally Smith, 1030 B St., Palmyra, NE 68418** OR e-mail confirmation: **luv2weinerdogs@windstream.net** OR phone **(402) 430-3687 leave msg/text.**

Note **Checks can be made out to Teammate Mentoring.
