*November 2025
Newsletter*

Greetings from the Superintendent's Desk

October was a busy month of conferences. When things are happening at such a busy rate, it is easy to lose track of time. I can hardly believe that it is already November. Thanksgiving and Christmas will be here before we know it.

We strive to develop positive attitudes and a strong work ethic in our students. Through extracurricular activities, social events, and class electives. We try to do this while maintaining balance and hopefully achieving the high standards set forth by the state and federal governments. It is not an easy task for our students, parents, teachers, and administrators. We applaud all those involved.

Parent-Teacher conferences were a huge success thanks to a high percentage of parent involvement. Your involvement in your child's education is vital to your child's educational plan.

November brings on winter sports. Girl's and boy's basketball will be ramping up as well as wrestling. The first day of practice for the varsity girls will be November 17th. Jh Girls will start on Nov. 5th. Varsity boys' basketball will start December 1st and junior high boys TBD. Boys and girls wrestling start dates TBD. Be sure and support our NGS athletes!

Please remember that we live in ND 😊 Every day can bring about a variety of weather conditions. It is very important that each family has the number to their bus driver and has made arrangements for students to have a storm home should the need arise. I try to err on the side of caution but there are times when the weather can be unpredictable. My goal is to make a decision by 6:45 a.m. if school will be starting late or cancelled. This may cause a bus to run a bit off schedule but that's ok. We will make the best of it and strive to get everyone to school safely. Warm clothes with a hat and gloves are necessary items to keep your child safe on these wintry days. Please plan ahead so we are prepared for any situation.

If you have any questions, please contact the Gackle-Streeter School District Office at 485-3692.

Sincerely,
Supt. Mark Berg

Novem-brrrrrrrr Cold weather is coming! Please be sure your child has caps, gloves, coats and other warm gear before getting on the bus. Please keep your bus driver in mind when doing snow removal as well as communicating when roads are impassable or your child won't be riding the bus

A Note from the Principal.....

November 2025

As we move through this season, it's a perfect time to take a minute and reflect on all the *GOOD* happening around us. In our busy days, it's easy to get caught up comparing ourselves to others or focusing on what we don't have. But when we take a step back and look at all the great things happening in our school and community, there is so much to be grateful for.

We have dedicated teachers, supportive families, and students who continue to amaze us with their curiosity, kindness, and resilience. Every day, I see examples of teamwork, compassion, and perseverance that remind me why our school is such a special place.

Let's continue to focus on making the most of what we have and celebrating our collective strengths. Being content doesn't mean settling—it means appreciating what we have while continuing to grow. Growth requires openness, collaboration, and sometimes healthy debate. It's okay to disagree as long as we do so with respect and a willingness to understand different perspectives. Grace goes a long way—everyone is doing the best they can, often with challenges we may not see.

A quick reminder about communication: in our school, we value open and direct dialogue. When concerns arise, we ask that individuals first communicate with the source before moving up the chain of command. This practice helps build understanding, accountability, and trust—values that keep our school community strong.

Accountability and high expectations apply to all of us—students, teachers, staff, administration, and parents. We are one team, united by a shared purpose: helping our students succeed. We all have room to grow, and by working together, extending grace, and keeping our focus on our *why*—our students—we will continue to make Gackle-Streeter a place we are proud to call home.

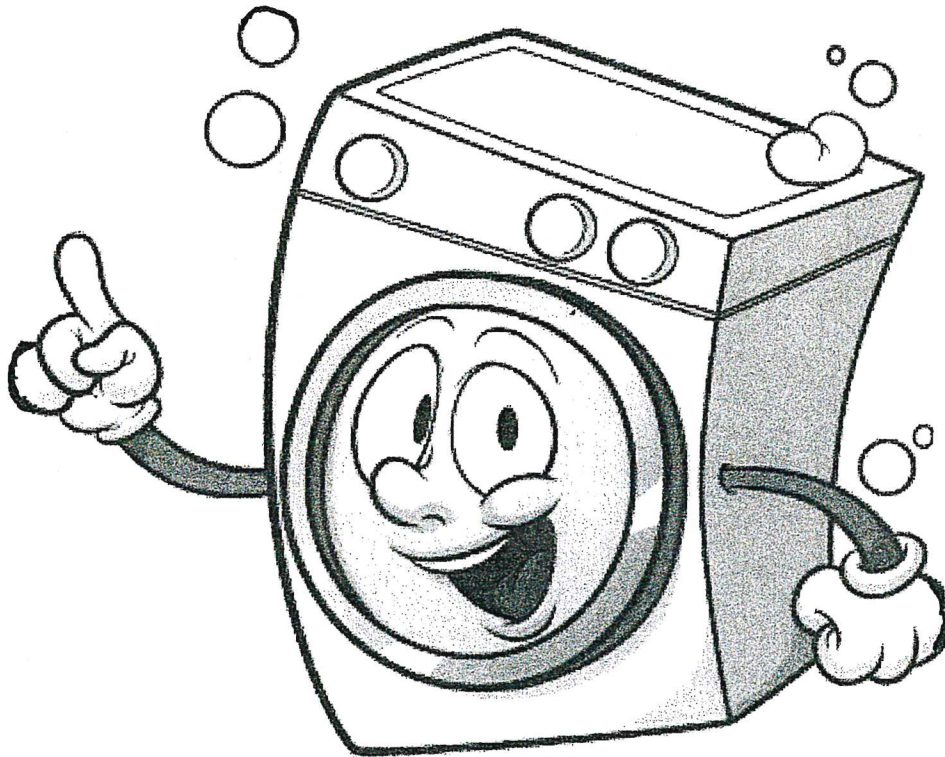

Together, let's keep lifting each other up, focusing on the good, and moving forward with gratitude and purpose.

— **Mrs. Buckeye**

Principal, Gackle-Streeter Public School

"Even in the trials of life, if we have eyes to see them, we can find good things everywhere we look." ~Joa nna Gaines

Our Life Skills classroom is looking for
a gently used washing machine!

Please contact Mr. Berg if you have an extra
one you would part with.

Thank You!

Kindergarten News

CKLA: We are reading about plants and working on blending, segmenting, and initial sounds.

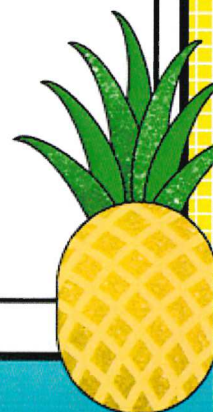

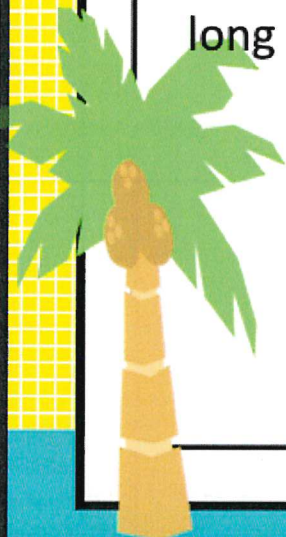

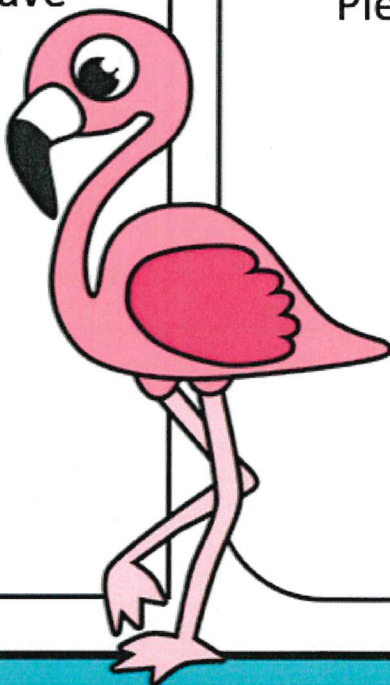

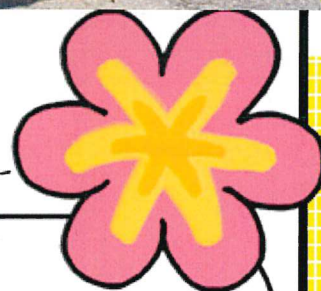

Math: We are working on 2D and 3D shapes.

Science: We are working on way to take care of Earth.

Social Studies: We have been working on our social skills and life long ago.

Please keep practicing sight words!

WHAT WE'RE LEARNING

First grade has been busy learning about the human body and energy from the sun! We also got to enjoy art with Miss Myra this last month!

IMPORTANT DATES

- 11/7 – Coffee with kids
- 11/10-11/11 – No School
- 11/14 – Bookmobile
- 11/27-11/28 - No School

First
GRADE

REMINDERS

- Keep up the good work reading for A.R

November THIRD GRADE

By: Olivia

We dressed up as what we want to be when we are older.

Homecoming Parade

We had our first run and read at the park.

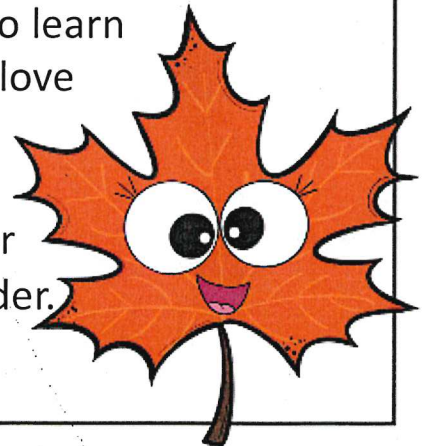

We walked to the care center and played bingo!

We won coins for bingos and it was very fun!

Homecoming week was fun dressing up and going to the parade. Third grade is my favorite grade and I love my teacher! I am excited to learn more math. I love math! I want to be a Third Grade Teacher when I am older.

Oh, the weather outside is frightful, but in the school gym it is so delightful! Yep, you guessed it. Christmas concert dates and times have been set. So, mark your calendars for the following dates! The high school concert will be on Thursday, December 4th at 7:00 p.m. Followed by the elementary concert on Tuesday, December 9th at 6:30 p.m. We will again travel around our two towns and perform at the banks and the Gackle care center. Those dates and times are yet to be determined.

We do have four HS band members who will be attending the University of Jamestown Honor band on November 14th. Mabelyn Metz – flute, Chloe Carlson – flute, Cora Muller – clarinet and Colter Muller – trumpet. We wish them a great day of music making with Mr. Aune!

The next pep band performance date is December 15th for the boys' basketball game versus Barnes Cty. North.

5th and 6th grade band parents, if you missed it in the upcoming events in the Fall program, please add to your calendar the Young Musicians Festival that will take place in Enderlin on Saturday, February 28th. It is pretty much an all-day affair.

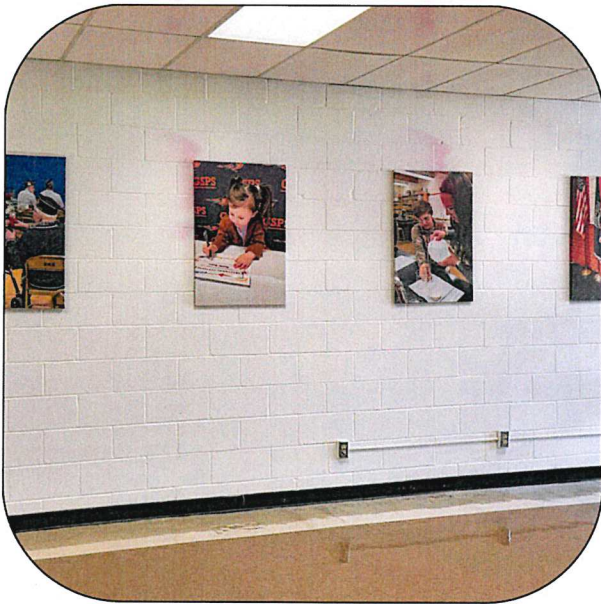

Have a bountiful deer season and a Happy Thanksgiving!
