Happy Thanksgiving!

Greetings from the Superintendent's Desk

I can hardly believe that it is already November. Thanksgiving and Christmas will be here before we know it.

Parent-Teacher conferences were a huge success thanks to a high percentage of parent involvement. How did having 2 nights of conferences work for your family? Please share with a teacher or admin whether you prefer one long night or two shorter nights for conferences. Your involvement in your child's education is vital to your child's educational plan and important to us.

November brings on winter sports. Girl's and boys' basketball will be ramping up as well as wrestling. Varsity Girls Basketball will start practice November 16th. The first day of practice for Varsity Boys' Basketball will start November 30th and junior high boys will start December 7th. Be sure and support our NGS athletes! We are fortunate to get 1 boy's game and 1 girl's game here in Gackle. Typically, there are other events that take place on those evenings as well. Parents, please help control the excessive traffic in and out of the gym by encouraging your children to sit and watch the game. With all the activity, having kids playing in the hallway and running in and out is a distraction to the game.

Due to the weather last year, our Elementary concert ended up being a matinee performance. That seemed to work well so this year we are going to try it again. The elementary Christmas concert will be Dec. 9th at 1:30pm. The high school Christmas concert will be Dec. 3rd at 7pm.

Please remember that we live in ND 😊 Every day can bring about a variety of weather conditions. It is very important that each family has the number to their bus driver so you can let him or her know if your road or yard is impassable. Also, be sure arrangements have been made for students to have a storm home should the need arise. I try to err on the side of caution but there are times when the weather can be unpredictable. My goal is to make a decision by 6:45 a.m. if school will he starting late or be cancelled. This may cause a bus to run a bit off schedule but that's ok. We will make the best of it and strive to get everyone to school safely. Warm clothes with a hat and gloves are necessary items to keep your child safe on these wintery days. Please plan ahead so they are prepared for any situation.

We strive to develop positive attitudes and a strong work ethic in our students. Through extracurricular activities, social events, and class electives. We try to do this while maintaining balance and hopefully achieving the high standards set forth by the state and federal governments. It is not an easy task for our students, parents, teachers, and administrators. We applaud all those involved.

If you have any questions, please contact the Gackle-Streeter School District Office at 485-3692.

Sincerely,
Supt. Mark Berg

From the Elementary Principal's Desk

A Month of Learning, Connections, and Community

October has been a busy and exciting month at Gackle-Streeter School! It has been wonderful to see our students participating in so many meaningful activities, both inside and outside the classroom.

We enjoyed several special events this month, including our visit to the Fire Hall, a visit from Super Appleman, and a presentation from the Boy Scouts, which sparked a lot of interest among our students and families. Our Book Fair was also a great success, and we appreciate everyone who supported it!

Our regular Care Center visits continue to be a special opportunity for our students to connect with community members. These visits remind us that learning goes beyond the classroom, and that even small acts of kindness can make a big difference.

Another highlight was our PINK Night! A heartfelt thank you to everyone who came out to support our girls and Mrs. Baker. We are incredibly grateful for the generosity of our families, staff, sponsors, and community members who helped make the evening such a success.

As we move into November, I want to take a moment to recognize our teachers and staff for the dedication, creativity, and care they bring to our school each day. So much wonderful learning happens behind our classroom doors, and I feel fortunate to work alongside such a committed team.

Thank you, parents and community members, for your continued support of our school. We truly appreciate everything you do to help make Gackle-Streeter a wonderful place for our students to learn and grow.

Ms. Lee

Elementary Principal

Kindergarten News

In ELA we are working on letters, sounds, rhyming, and blending. We have also been reading about plants.

In math we are working shapes and position words.

In Science we are learning about plants and animals.

In social studies we are working on being good citizens.

Sight words have come home with your student please practice them.

K-3 Trip to the Gackle Firehall

On Wednesday, October 7 grades K-3 visited the Gackle Firehall. We learned what to do if our house were to catch fire, how to get a firefighters attention if our room is filled with smoke, learned about the fire equipment, investigated the trucks, and sprayed the fire hose! We are so thankful for the volunteers of our fire department and that they allowed us to visit!

AR Party Fun!

Our students had a great time celebrating their hard work at our AR Party last month! We enjoyed a friendly game of kickball, created some fun artwork, and spent time celebrating our reading accomplishments together. We are so proud of our students for setting goals, working hard, and making reading a priority. Keep up the great work, readers!

Keep up the great work, readers!

BOOK FAIR FUN!

MR. SUPER APPLEMAN!

Mr. Super Appleman was back again this year. He's always a great time!

SCOUT LEADER VISIT

We had a visit with local Scout leader, Abe.

FIRE PREVENTION WEEK

We visited the fire hall, learned A LOT, and brought home goodies!

WHAT WE'RE LEARNING!

MATH	ELA	SCIENCE	SOCIAL STUDIES
Place value and expanded form	Writing with quotation marks and commas	Classifying animals	Learning about government

A big month of reading, learning, and making memories!

A Special Visit from the SCOUT LEADER!

Grades Kindergarten through 5th grade welcomed Abe, a local Scout Leader, into their classrooms to learn all about Scouts and the exciting opportunities the program has to offer!

Abe shared information about what Scouts is, the fun activities children can participate in, and the many benefits of joining. Through Scouting, kids can build friendships, develop leadership skills, learn teamwork, gain confidence, and enjoy new adventures!

A big THANK YOU to Abe

for taking the time to visit our classrooms and share this wonderful opportunity with our students!

WHAT IS SCOUTING?

Scouting is a term that describes all of the programs provided by Scouting America for both boys and girls ages 5-20. Scouting teaches youth to confront any challenge with whole hearts and clear minds—to live their lives without regret, never back down, and do their very best! Through the Scouting America programs, Scouts learn a variety of skills that prepare them to confront challenges through their life.

How has Scouting made an impact on youth?

- **84%** Say it has helped them be more honest
- **74%** Say it has improved their ability to work with others
- **84%** Say it has helped them become stronger team players
- **70%** Say it has helped them better understand and sympathize with those less fortunate

WHY SCOUTING?

Discovery is at the heart of Scouting. Whether it's a campout, derby car race, or hike on the trail, we believe every adventure helps us uncover a little more about ourselves. We build the foundations for humility and compassion—strengthening character through actions—to prepare youth for a lifetime of leadership.

BECOME YOUR BEST SELF

Through fun yet challenging physical and mental activities, Scouting encourages personal growth by teaching youth how to set goals and achieve them with determination.

FUN FOR THE FAMILY

Scouting is something the whole family can experience together. We designed our program so that anyone—brothers, sisters, mothers, and fathers—can have fun and make an impact!

A SENSE OF BELONGING

The BSA promotes a culture where youth, volunteers, and employees feel a sense of belonging—where every person feels respected and valued.

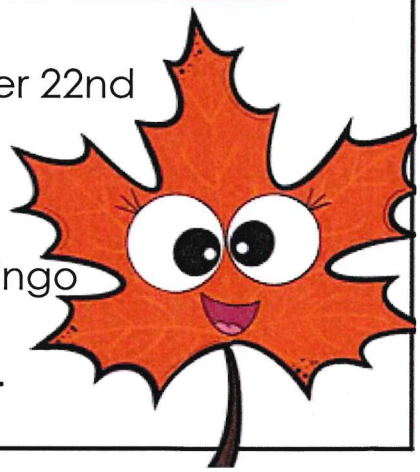
November THIRD GRADE

By: Bronson

On October 7th we went to the fire hall. They taught us about what to do if a fire happens. We got to use the oxygen masks and shoot water out of a big hose. We also got to look at a fire truck and got a goody bag when we left. I enjoyed going to the fire hall and I liked learning a lot!

Our last unit in science we learned about animals changing over time and fossil evidence. We tried to see if we could outrun a dinosaur. It was hard to outrun the dinosaur. It was interesting learning about dinosaurs.

On September 22nd we went to the Care Center and got to play bingo with all the people there. It was fun!



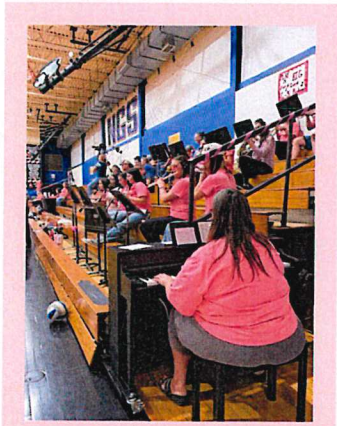
CLASS NEWSLETTER

5TH GRADE

WHAT WE'VE LEARNED

We learned a lot and enjoyed Farm Safety Day in Napoleon. In CKLA we began learning about Early American Civilizations. We finished our Multiplication chapter and are now on to Division. We have been having some fun with Mystery Science and were able to test out our shadow clocks while learning about Earth's rotation and patterns.

thank you!



for your support

Pink Night was a huge success and we couldn't have done it without you.

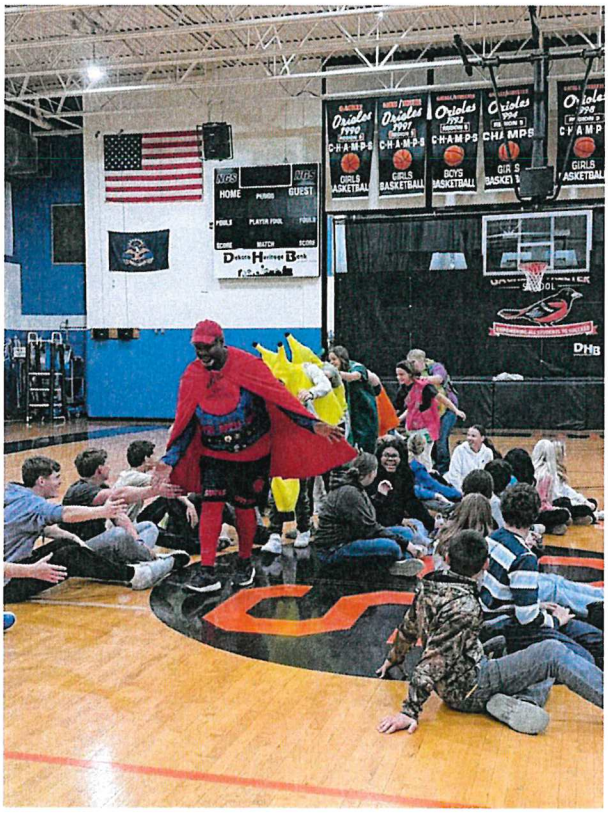
Super Appleman Visits Gackle-Streeter!

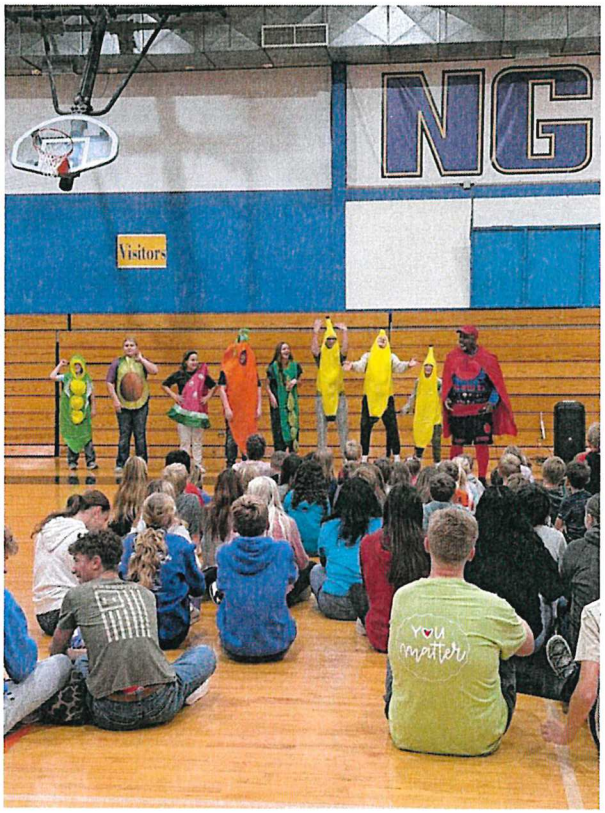
Our students enjoyed a special visit from Super Appleman this October! The lively presentation reminded students about the importance of making healthy choices, eating nutritious foods, and taking care of their bodies.

Through colorful costumes, enthusiastic participation, and plenty of fun, students learned that healthy habits can be part of everyday life. It was wonderful to see everyone engaged and excited during the presentation.

Thank you, Super Appleman, for visiting Gackle-Streeter and sharing such an important message with our students!

Ms. Lee





SCHOLASTIC

BOOK FAIR

The GSPS Scholastic Book Fair was a *great success* this year!

Thank you to everyone for supporting the book fair!

We were able to use Scholastic Dollars earned to purchase new books for each elementary classroom!

Elementary students were also able to shop the book fair and take home their very own books thanks to the generous donation from the American Legion Auxiliary.

WE HAVE STATE AWARD WINNERS!

Out of six state winners in the Poppy Poster Contest, three winning posters came from our school!

Congratulations, Lyndi, Alexa, and Charlee!

We are so proud of you!
