Viewing Midterm Grades

We are at the midpoint of the current trimester grading period. Please take some time to review your student's grades with him or her. Here are the directions for accessing the midterm grades in Skyward. If you have not downloaded Skyward's App, we highly suggest it.

1. Log into Skyward: https://skyward.iscorp.com/SaltCreekILStuSTS/
   - a. If you don't know your username or password, click the link under the green "Sign In" button for assistance.

2. Click the "GRADES" tile for your student.

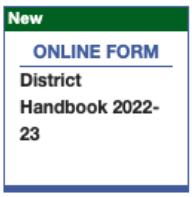

3. This will open all grades for your student. You can click on any trimester grade to open up a list of assignments, tests, and grades. This will let you see what is missing, including a separate link at the top listing any missing assignments.

4. While you are in Skyward, you can also click on the "FOOD SERVICES." tile to show you the current meal balance for your student and when they are eating. Click on the "Make Payment" in the top right corner.
This will take you to RevTrak, and you can pay with a credit card.

   - If you would like to pay by cash or check (made out to Albright), you can send it to school and give it to Mrs. Beckwith in the office.

5. If you have not already done so, please access Skyward from a computer to sign our District Handbook. This is an annual requirement.
   - a. This needs to be completed for each student in District 48.
