

Canvas Parent Account Instructions

Parents can:

- Message teachers
- View assignments, details, descriptions, due dates, and grades.
- Set reminders for assignments
- View course grades.
- View course announcements.

How to get the Canvas Parent App:

- Download the Canvas Parent app. There are 3 different Canvas apps. Canvas Parent is the one with the blue logo.
- Click **Find School**
- Type **Mid-Del**, then select **Mid-Del Public Schools**
- Scroll to the bottom of the page and select **Canvas Login for Mid-Del Parents (Observer)**
- Select **Create Account** at the bottom
- Enter your information until you get to the **Student Pairing Code**.
- Enter their **Pairing Code** and click **Start Participating**. Pairing codes are case sensitive.

How to Generate a Pairing Code:

- Have your student log into their Canvas account
- On the upper left hand side of the screen select **Account**
- Click on **Settings**
- On the right-hand side of the screen about halfway down select **Pair With Observer**
- Enter the 6-digit code in your Parent Canvas App.
