Dear Holy Savior Academy Family and Friends,

It is with great joy and pride that I welcome you to another exciting school year at Holy Savior Academy. As New Principal, I am honored to witness firsthand the remarkable dedication of our staff and the vibrant spirit of our students. Every day, I see a community rooted in faith, driven by excellence, and committed to nurturing each child's God-given gifts.

At Holy Savior Academy, we treasure our strong Catholic foundation. Faith is not only taught here, it is lived in our classrooms, in our liturgies, and in the way we care for one another. This foundation provides our students with both moral guidance and a sense of purpose as they learn and grow. Coupled with a rigorous curriculum and innovative instructional practices, our children are equipped with the skills, knowledge, and values needed to flourish in today's world.

We approach each challenge and opportunity with a spirit of optimism and resilience. Our goal is not just to educate, but to inspire, helping students grow into confident, compassionate, and capable young people. This year, we look forward to providing your child with experiences that will deepen their academic learning, strengthen their faith, and enrich their personal growth. We believe every child at Holy Savior Academy has the potential to thrive, and we are committed to supporting them every step of the way.

Of course, our mission is strengthened by the support and partnership of our families. Your involvement, whether through participation in school events, volunteer efforts, or simple words of encouragement, plays an essential role in your child's journey. Together, we will make this a year filled with meaningful learning and joyful memories. With many exciting events and opportunities planned, we look forward to celebrating this journey alongside you and your children.

May this year at Holy Savior Academy be one of hope, growth, and abundant blessings. Thank you for entrusting us with the privilege of educating and nurturing your child.

With gratitude,
Eva Tripodi
Principal
