ACADEMY OF SAINT CARLO ACUTIS

WEEK OF SEPTEMBER 14TH

From the Principal's desk:

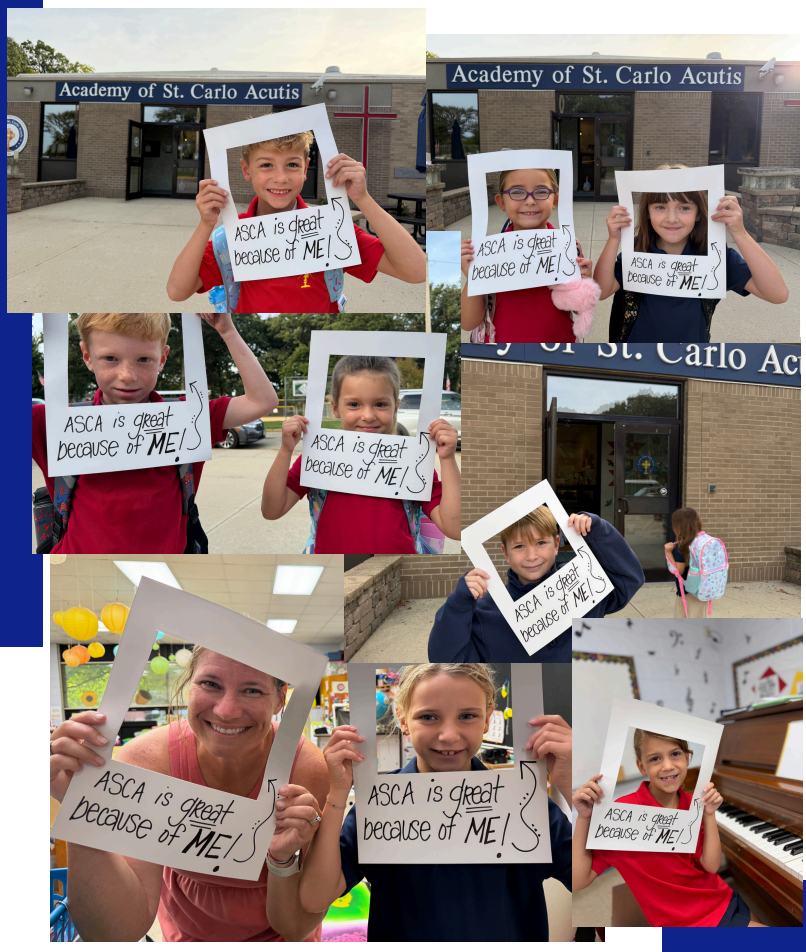

Gratitude and Progress

Dear ASCA Families,
As we enter the final weeks of our first quarter in Year Two, I am filled with gratitude for our school community. Walking through our halls, I am inspired by our students' enthusiasm for learning and their commitment to our Catholic values. From our morning prayers to smiling moments in the classroom, God is truly working through our children and dedicated faculty. We have set a strong foundation, and it is a joy to see our shared vision thriving at ASCA.

With the quarter wrapping up, I encourage families to celebrate the wonderful progress your children have made so far. These next few weeks offer a great opportunity for students to finish strong and set exciting new goals. Thank you for your continued partnership, prayers, and dedication to our school mission. May God continue to bless our students and families as we all work hard to finish this first quarter together!
With peace and blessings,

Mrs. Deb Myers
Principal (Elementary Campuses)

ASCA is great because of *you*!

- **Enrollment numbers**

Pre-K 3 through 8th grade enrollment is at 345 as of 9/14

Pre-K at LaSalle took a field trip to the local library to learn about the life of an apple and got to build their own apple trees!

Why are students putting a whole jar of peanut butter on their bread?

Ms. LeMar asked students to list out every step to making a PB&J. When the junior high brought in their steps on their homework they were surprised they had to follow the steps to a T, So missing a simple step like “take the lid off” or “scoop out the jelly” led to the jar of peanut butter sitting on top of the bread and a lot of laughs in science class.

Celebrating Saint Carlo Acutis

Kindergarten celebrated the 1 year anniversary of Saint Carlo Acutis becoming a Saint by learning how to shine bright for Jesus just like Saint Carlo did 20 years ago!

Butterfly Release

Pre-K in Oglesby watched the skies as they released their butterflies they hatched in class.

- **Reminder: School Improvement day this Friday September 18th**

1:30 PM dismissal (no aftercare available)

Picture Day is Almost Here!

Get those smiles ready because picture day is right around the corner!

September 23rd - Peru

September 24th - LaSalle

September 25th - Oglesby

Making Corn Flour

5th grade experienced how the Native Americans once made corn flour. Students smashed the hardened kernels with rocks and collected the powder left behind.

Priests Pedaling for Prayers

In preparation for the Feast day of St. Therese of Lisieux, the patronness of vocations in the Diocese Of Peoria, Fr. Nick Conner, Fr. Ben Schoonmaker, and our very own Fr. JohnPaul Stedwill will be biking across the Diocese visiting Catholic grade schools to spread the message of God's plan for everyone's vocation in life and the witness of St. Therese! Before they visit each of the ASCA campuses on September 29th, they will be hosting a holy hour at 7 PM at Saint Hyacinth Church in LaSalle for all of the families of ASCA and surrounding parishes. Please come with your families for a night of adoration with a reflection by one of the priest bikers and refreshments afterwards.

We Remember 9/11

Across all 3 campuses we gather to pray and rember all those lost on September 11th

Congratulations to the newly elected officers and representatives of student council!
