ACADEMY OF SAINT CARLO ACUTIS

WEEK OF AUGUST 24TH

From the Principal's desk:

Deus Non Ego

Welcome back, Miracles!
School and routines are settling in here at the Middle School campus. Our students and staff are becoming more familiar with their schedules and daily routines, and we are thankful for the positive start to the school year.
This week, we are completing our Fall MAP testing as we look for continued growth from the work taking place in our classrooms, along with the individualized learning plans our students will be working on through IXL.
Our students are also being reminded daily of the virtues of Humility, Self-Control, Perseverance, Responsibility, and Respect. We pray that, through God's grace, our children continue to grow not only academically, but also in character and virtue.
In extracurricular activities, our Baseball, Softball, and Golf teams are working hard and doing their best to represent themselves and our school. We are proud of their effort, teamwork, and commitment!
Thank you for your continued support and prayers as we begin Year 2 together. We look forward to seeing our students continue to grow academically, spiritually, and personally.
Saint Carlo Acutis, Pray for us
~Principal Mr. Boudreau

MAP Testing

As a reminder, Map testing continues this week and next week for Kindergarten through 8th grade.

Make sure your student gets a good breakfast and their chromebook is charged.
Good Luck!

Faith Filled Formation

As we entered into the first full week of school, each of our campuses celebrated what unifies us together. The Academy of Saint Carlo Acutis started their campus Masses as of Tuesday August 18th at the Oglesby campus, then LaSalle celebrated Mass on Wednesday August 19th, and Peru celebrating on Thursday August 20th. Each Campus will have Mass on their perspective days until the end of school.

On Holy days of Obligation all three campuses will celebrate Mass at their campus churches.

We are excited to bring our faith into our daily lives.

The 2nd Annual ASCA Golf Outing was a success!

Thank you to all of our sponsors, our volunteers, and our golfers for making our 2nd annual golf outing an absolute blast! ASCA plans to use the funds raised towards our new academic curriculums and educational licenses for this school year.

The golfers enjoyed 18 holes on the beautiful Spring Creek Golf Course with fun games, prizes, food, and fellowship along the way. Be on the lookout for when the 3rd Annual ASCA Golf Outing is!

Father JohnPaul blesses the outing

Fr. JohnPaul opened up the outing Saturday with a blessing!

He continued to ride around on his golf cart blessing individual teams and meeting the community.

He even got the chance to play a hole or two!

- **Gift Baskets Galore!**

One aspect of the golf outing fundraiser is for all the golfers to have a chance to win one of our many raffle baskets.

This year we had a wide variety of raffle baskets from an ASCA spiritwear basket to a “Core Dermatology spa bag”, a pizza oven basket to an installation of a tree!

Thank you to all who donated gift baskets to make our outing the most memorable yet!

Father Tom Otto makes his rounds this week

Fr. Tom made his way around the campuses this week saying hi, praying with the students, and enjoying the school lunches with the children!

Be on the lookout for Fr. Tom coming to your class and have your questions ready for him!

- **Whats for lunch?**

Remember to check the website for the hot lunch menu across all three campuses.

Reminder!

Our first “school improvement” day is Friday September 4th. That will be a 1:30 dismissial and no school on Labor Day, Monday September 7th

Painting in Mrs. Ebner’s class

Mrs. Ebner’s Second grade art class felt a little different last week. Its not everyday your teacher tells you to paint on the windows, but that’s exactly what Mrs. Ebner had her class do! They made the room pop with fun colors as they painted their art on the windows of the class!
