Adjournment

Item 10a

Object: Consideration to Approve Requested Change in Graduation Date/Time

Background: The survey of senior parents has been administered so that the board can take that information into consideration.

Item 10b

Object: Consideration to Approve Audit Communications for SBRC

Background: School Districts who submitted audits past the deadline are required to provide documentation to the SBRC explaining the reason for the delay. The auditing firm is also required to submit documentation. Once the board approves these pieces of documentation, we will submit them to the SBRC. This does not require a separate meeting with them.
