Our Mission:

Every student. Every day. Whatever it takes.

Our Vision:

Fontana Joint 8 School District will ensure a dynamic learning community where all learners are well rounded, challenged to exceed their potential, and prepared to shape their future and the world around them.

Our Commitments:

- We are a student-centered community of learners, dedicated to authentic learning experiences and outcomes.
- We are determined for all learners to succeed.
- We respect, are honest with, and support all students, families, and staff.
- We are lifelong learners, flexible, and adapt to new ideas and experiences.
- We have crucial conversations to promote awareness and accountability to optimize the learning environment.
- We collaborate, cooperate, and work proactively.

Our Strategic Goals:

Effective Teaching and Learning for Student Achievement

Communication and Community Engagement

Attracting and Retaining High-Quality Staff

Organizational and Financial Operations
