CENTRAL VALLEY HIGH SCHOOL
INSTILLING PRIDE, INSPIRING OTHERS

MS. VLACH'S
COUGAR CONNECTION
2026-2027

As we prepare to welcome students back to Central Valley for another school year, we are reminded that each new year brings new opportunities, not only for learning and growth, but also for reflecting on our goals and mission as a school and learning community.

This year, as we look forward to watching our students grow academically, socially, and as members of our community, our focus remains centered on our motto: Instilling Pride. Inspiring Others. Whether it's in the classroom, on the athletic field, on the stage, or throughout our communities, we want every student to experience a school where they are challenged to grow, encouraged to succeed, and inspired to positively impact those around them.

We are grateful each day for the continued support of our parents and community members. The Central Valley community helps instill pride through its investment in our students, activities, organizations, and schools. You also inspire others by setting positive examples of hard work, caring for those around you, and demonstrating genuine pride in our school and the small towns that make up our district.

As we begin another school year, we ask for your continued partnership in helping every student succeed. Families play a vital role in that partnership. One of the greatest predictors of student success is consistent school attendance. Every school day provides valuable opportunities for learning, building relationships, and personal growth that simply cannot be replicated outside the classroom. We encourage families to make regular attendance a priority and partner with us to help students arrive each day ready to learn, participate, and grow.

We also ask families to log in to PowerSchool and complete or update all required student forms and contact information. Keeping this information current allows us to communicate effectively, meet your student's needs, and share their progress throughout the school year.

Once again, we will be holding an informal Back-to-School Open House at the Jr./Sr. High School on Thursday, August 13, from 8:00 a.m. to 3:00 p.m. Students are encouraged to stop by to complete important back-to-school tasks, including receiving locker assignments, reviewing class schedules, completing necessary paperwork, paying applicable fees, picking up take-home computers, and requesting schedule changes if needed. Taking care of these items before the first day of school helps ensure a smooth and successful start for everyone.

We are excited for the year ahead and all that it will bring. Thank you for your continued partnership and support as we begin another year together. We look forward to a year filled with learning, growth, and opportunities to instill pride and inspire others in everything we do.

Meet Our New Teachers!

Hi!! My name is Lesley Dugan, and my husband, Dusty, and I are proud parents of three children: Dalton, Jentry, and JW. Together, we run cow/calf pairs and a small family feedyard, where agriculture is a way of life for our family.

I previously taught at CV for 10 years before taking a short sabbatical to focus on our family and gain even more hands-on experience in the agricultural industry. I'm excited to return to the classroom and the shop, bringing real-world knowledge and practical experience to my students. I look forward to helping them connect what they learn in class to the opportunities and challenges they'll encounter beyond school.

Meet OUR NEW ELEMENTARY PRINCIPAL!

We are thrilled to welcome

Mrs. Krista Sipes

to Central Valley Elementary School!

STRONG RELATIONSHIPS

It is truly an **honor** to join this **amazing** school community as your new elementary principal. I am excited to get to know our students, families, staff, and community as we begin this journey together. I believe that strong relationships are at the heart of every successful school, and I look forward to learning from you, celebrating our successes, and working together to create a place where every child feels **safe, supported**, and **excited to learn**.

EXPERIENCED LEADER

I have been an educator and leader of **Central Valley Public Schools** for the past three years, serving as a music educator (band and choir), the district assessment coordinator, and the special education director. I am passionate about supporting students, empowering staff, and creating positive learning experiences for every **Cougar**.

FAMILY IS EVERYTHING

My husband, Jason, and I have two wonderful daughters—Reagan (12) and Charlotte (7). They keep us busy with their activities and remind us every day of the joy and wonder that is youth! Our family also includes Callie, our overly loving dog, and George, our judgemental, yet curious cat, who certainly add to our fun at home!

INSTILLING PRIDE, INSPIRING OTHERS.

GO COUGARS!

Together, we will continue to **Instill Pride** and **Inspire Others!**

Thank you for the warm welcome. I look forward to an *amazing* year together!

TITLE 1 INFORMATION

Title I of the Elementary and Secondary Education Act provides financial assistance to state and local educational agencies to meet the needs of at-risk children. The goal of Title I is to provide instructional services and activities that support students in the areas of reading and math.

Central Valley Elementary School operates as the Schoolwide Title I building. We receive grant money through the federal government to serve students at risk of not meeting the standards for their particular grade level.

Completing the Free & Reduced Meal Form supports Title I, but students do NOT have to be from low-income families to receive Title I services.

Please attend one of the Parent Meeting mini-sessions to learn more about Title I during Open House in the library at the elementary building on Monday, August 17th. The sessions will be as follows:

5:30–5:40 | 5:45–5:55 | 6:00–6:10 | 6:15–6:25

There will be time in between each session for Q&A and for parent input.

Contact Mrs. Patty Butcher if you have questions.

Ease back-to-school fears

For some children, going back to school brings on anxiety. Here are three common sources of worry and ways to relieve them:

- **Harder work**. Reassure your child that she can do the work. Research says brains get smarter with use.
- **Friendships**. Encourage your child to participate in activities she enjoys. She'll meet other people who enjoy them, too.
- ***A new teacher***. Tell your child it's common to be nervous about new people. If possible, introduce her to the teacher before the first day.

The Central Valley FACS Culinary classes are willing to help you with your extra garden produce.

Tomatoes, onions, peppers, zucchini, whatever produce you have an over abundance of!!

We'll cook it all.

YOU MIGHT QUALIFY FOR

FREE OR REDUCED-COST

Coach Devon Beck

Dear Parents/Guardians,

Because medical costs can be expensive, Central Valley Public Schools does provide families the opportunity to purchase student accident insurance on their student through Student Assurance Servies, Inc.

This supplemental policy would assist with your out-of-pocket medical expenses (i.e. deductible) should your student sustain an accidental injury while coverage is in effect. Also, if you do not have any insurance on your student, this would be primary for accidental injuries. There is a variety of coverage options and premiums are a one-time payment for the school year.

Please review the video link as well as the online forms regarding student accident insurance located on the Central Valley homepage under Student Assurance.

The Central Valley PTO has been hard at work over the past year, creating opportunities that help our students, teachers, and staff thrive. From providing meal tickets for students attending state competitions, to celebrating our graduating seniors as they begin their next chapter. We are proud to support our school community in meaningful ways.

As we look ahead to the 2026–2027 school year, we are excited to partner with the Annual Golf Tournament as part of a combined fundraising effort to help us continue reaching our goals and expanding the support we provide throughout the year.

Our leadership team remains strong with President Angie Wright, Treasurer Kathy Donovan and Amanda Shoemaker, who continues to do an outstanding job managing our concession stands. Their dedication, along with the commitment of our volunteers, helps make everything we do possible.

Central Valley is looking forward to a successful school year, and the PTO is proud to stand alongside our students, staff, and families every step of the way.

To everyone who has donated, volunteered, and supported the Central Valley PTO—thank you. Your generosity, time, and encouragement are the foundation of our success and we couldn't do it without you.

Here's to another wonderful year of supporting our Cougars.

Go Cougars!
