## ACADEMICS

CCS is a chartered non-public school providing education for Preschool through 12th Grade students. Every class is taught from a Biblical perspective. We believe that every aspect of learning is under the Lordship of Jesus Christ. It is our desire for every CCS student that he/she see the fingerprints of God in everything that they encounter at CCS. The CCS faculty and staff are committed to nurturing and encouraging each student to reach his/her full God-given ability. CCS will prepare kids for college, the workforce, military service, and vocational training.

## EXTRA CURRICULARS

Celeryville Christian School currently offers Drama Club, Astronomy Club, STEAMM and Chapel Band as extra curriculars. All students also have the option to participate in athletic and other group and team opportunities that are provided by their home school district. We work alongside the public school districts to share any information we can with families about these opportunites. Busing is provided through Willard City Schools which assists those students who need transportation from CCS.

## CULTURE

Each student at CCS is seen and known by the faculty and staff. Class size averages a 13:1 student-to-teacher ratio, allowing us to meet the individual academic and spiritual needs of the student. Faculty and staff are encouraging and nurturing to each student to provide a safe and loving environment for students to flourish.

- Oversees a comprehensive fundraising strategy that engages the CCS community.
- Stewards the business operational aspects of CCS
- Directs capital campaigns and development initiatives.

# About our Area

Celeryville Ohio is located just outside of the Willard City Limits in southwestern Huron County. The area is known for being a unique agricultural community where the soil is muck and farmers are able to grow vegetables much faster than other areas and can get one or two extra crops in a growing season. Adventure Publications wrote a great article about the Celeryville area which can be found here.

Below are a few quick links where you can learn more about our community as well as some local attractions.

Our Facebook page is always up to date with the latest happenings at CCS.

At its core, Celeryville is a farming community, where agriculture has long been a foundation of daily life and local values. At the same time, the surrounding area is strongly supported by railroad work and manufacturing, creating a diverse economic base and steady employment opportunities. This blend of agriculture, transportation, and industry provides a stable environment for both work and family life. Our community benefits from a diverse population, with a significant number of migrant workers who play an important role in supporting the local economy and workforce. Together with our families and community, we continue to cultivate a learning environment where Christ is at the center, and every student is encouraged to grow in knowledge, faith, and purpose.
