¡Buenos dias! ¡Hola! ¿Que tal?

The Spanish Club is a very active group. This year, the Club took fourth place in the float competition (for the Brewer-Bangor game) with a bull fighting ("ram fighting") fiesta scene.

Club members presented the play **Blanca Nieve y los Siete Enanos**, taught a Spanish folk dance, and had pinatas and refreshments for young students at the Brewer Head Start and at Pendleton St. School.

At Christmas time, everyone enjoyed a Spanish, South American, and Mexican buffet all prepared by club members—including 5 pounds of squid! (Who will ever forget that?!)

As typical of all clubs, members spent a lot of time raising money via food sales, car washes, fudge sales . . .

The club hoped to go to Boston to attend a Flamenco Ballet on April 6th and to have a Spring cook-out among many other activities.

Varsity Football

This year's version of the Brewer Witches, under first year head coach Dick DeVarney, played sound football against a host of formidable Class A opponents. Brewer defeated Westbrook in the season opener, then lost a squeaker to Sanford 14-6 but the very next week came back to humble the Brunswick Dragons 26-0. The Witches also defeated Cony 21-20 and lost to Lewiston, Waterville, E.L., Rumford, and Bangor giving the Witches a 3-6 mark on the season.

Next year Brewer will have such promising underclassmen as Jon Lucas, Bill Tremble, Brian Bosse, Scott Kamieneski, Bubba Clark, Bill Chapman, Ricky Pooler to mention just a few. Although the loss of 26 seniors will somewhat deplete the Witches, Coach DeVarney is looking forward to a great season in 1977.

Cross Country—Coach LoProto

Hard work, dedication and just plain guts were responsible for a varsity team record of 30 wins against 10 defeats for the Brewer Varsity Cross Country Team this fall. As the season progressed each runner not only improved their physical ability, but also concentrated on developing the mental attitude which is essential to compete favorably in the sport of cross country.

While posting a very fine regular season record Brewer now is second in the Eastern Class A Regional Meet, fourth in the P.V.C. Championship Meet, and qualified as a team to compete in the State Class A Championship Meet. The Varsity was paced by lead runners Owen Oakes, Steve Giles, and Steve Swan. Also running hard for the Brewer Varsity were Bob Snow, Brad Powers, and Mark Cowan.

Although Brewer did not have a full girls team, Loraine Spellman and Debbie Reed ran for the Brewer Varsity.

The J.V. team also had a fine year while posting a 28-8 season record. Outstanding J.V. runners were Joe Shoemaker and John Mills.

Coach Loproto and the team members are eagerly awaiting next fall as all runners will be returning for the 1977 Campaign.

Just a few more yards!

BREWER BAND MEMBER WELCOMED BY ROSE PARADE PRINCESS

Scott P. Paulson (L) of Brewer High School, Brewer, Maine, who is a member of the 1976 McDonald's All-American High School Band and Director of the Band, Paul Lavalley (R) received an official Tournament of Roses welcome from 1975 Princess Trisha Kinne Hendershott. Paulson was in California to perform in the famed Tournament of Roses Parade held in Pasadena on New Year's Day. While in California, Paulson visited Universal Studios, took part in a special "Rose Parade Preview Show" on NBC, and performed in special parades and concerts at Disneyland and Knott's Berry Farm. Paulson is among 102 of the nation's top high school musicians—two from each state and the District of Columbia—who are selected each year for the McDonald's All-American High School Band.

FAREWELL

Students rarely have the opportunity and pleasure of working with and learning from a teacher as brilliant and talented as Mrs. Stella K. LeCleire. Teaching at all grade levels in the Brewer School System since 1958, Mrs. LeCleire instructed and inspired hundreds of students in the field of art and offered her unrestrained devotion to them and their needs. It was a common occurrence to find Mrs. LeCleire in Room 21 at 5:00 p.m. on a school night or at 7:00 a.m. on a Saturday morning loading and unloading the ceramics kiln so that her students could have their greenware as soon as possible. She ardently refused to display her own superb artwork in her classes, feeling such practices would restrict the imagination of her students. We seldom have the honor of profiting from such an exceptional woman as Stella LeCleire, and the entire school has suffered as a result of her removal from her position and the students she loved.

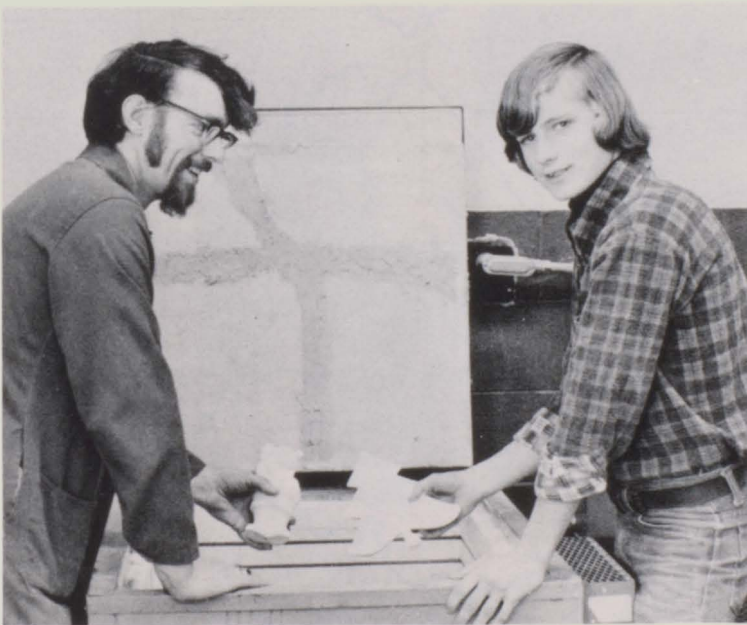

Mr. Bean came to Brewer in 1949 and assumed direction of the Industrial Arts Department. A quiet unassuming man, Fred is one who knows his trade so well he accepts nothing less than perfection and is able to impart his skill to the boys who benefit from his broad knowledge of metal work, wood work, or any other branch of the industrial arts. His vast experience and competency qualifies him as a master craftsman without a peer. His departure from Brewer is regrettable, but the teachers and students of Brewer High hold him in high esteem and wish him happiness in his retirement.

Baseball

Well folks, due to the change in baseball coaches this year we are unable to bring you a pictorial account of the 1976 season. The 1976 version of the Brewer High School Witches Baseball team played to a 5-10-0 record.

Members of the team were Phil Adams, Mark Soucie, Joel Gibbs, Neil Ford, Scott Stymiest, Pat Cormier, Ken Grass, Chris Lenfest, Danny Wing, Mark Twitchell, Jeff McNally, Steve Corro, Mark Piper, Brian McCrea, Billy Chapman. Head Coach was David Wing, assisted by M. Hutchins.

The Brewer Witches played such teams as Bangor, Hermon, Old Town, Orono, Mt. Desert Island, and Hampden.

Again we apologize to the members of last year's team for not having a pictorial account of the 1976 season.

University of Maine
can teach you
something
you may never
have thought you
could
learn.

The subject
is leadership
The course is
Army ROTC.
The entire
curriculum is exciting
challenging and flex-
ible. So flexible that, if
qualified, you can enter
at any time during
your first two years on
campus.

Through prac-
tical experience, you
will learn how to lead.
The acquired discipline
of mind and spirit and
the ability to perform

under pres-
sure are im-
portant. The
people who
demonstrate
these qualities are the
people we want to be-
come Army officers.

Upon grad-
uation, as a commis-
sioned Army officer,
you will not only have
to manage people, but
money and materials
as well. To make more
important planning de-
cisions than most
young executives.

Army ROTC. Learn what it takes to lead! Call:
