ADMINISTRATION

I want to take this opportunity to congratulate the faculty and students of Brewer High School for another year of significant achievement. I refer first to the scholastic growth that is evident in the everyday work of the school. The scholastic growth you, as students, have displayed and the skills you have mastered will be yours for life. May you always use them to good advantage.

You have grown, also, in the formation of proper attitudes and ideals as you have worked with your classmates and teachers both in the classroom and in extracurricular activities. These attitudes and ideals will become a part of you and will help you to become mature, worthy members of your community.

The achievements of the athletic teams will live in your memories as a reminder that 1960 was a banner year for Brewer High School.

I wish to extend best wishes to the members of the Senior Class, who are leaving us in June. I hope you will always love God and your country and your fellowmen and that you will do your best to serve all three in the manner in which you believe it can best be done.

Sincerely,

LEE V. HALLOWELL

Superintendent of Schools

Congratulations to the editors, the editorial board, the adviser, and all others concerned with the preparation and production of another outstanding TRIDENT. We all realize that a pictorial school annual, such as this, is very demanding in time, work, and ability. But when a pictured resume of a school year with all its colorful, memorable events is placed between the covers of the TRIDENT, the result is well worth the time and effort expended. In later years, this memory book will be a reminder of all the good times enjoyed in school, of the long hours of study, the merry social and school events, the interesting but distressing process of growing up. In fact, it will remind us of all the activities which made the year 1959-60 outstanding at Brewer High School.

In thinking of the history of the 1959-60 school year at Brewer, we should not forget that it is the story of people—of the students, faculty, and school supporters, and how they achieved and grew. May each live his future to the fullest, most worthwhile extent. May each develop his highest potential and enjoy a rich full life.

Sincerely,

ALTON L. BLACK

GUIDANCE DEPARTMENT

The guidance office is a place to which students may come in order to secure help in choosing their vocations. Booklets, leaflets, and catalogs covering thousands of occupations are to be found on the shelves in the office.

Whenever a student has any free time during the day, he may come to the guidance office to discuss his problems.

This office does more than help a student select the college he will attend, or the job for which he will apply; it provides him with an opportunity to discuss school problems, such as the proper courses to take, or his relationship with classmates and teachers.

This year, we are especially fortunate in that we have two well-qualified guidance directors: Mrs. Ella Shaw, who is concerned mainly with the ninth and tenth grades, and Mr. Edward Revello, who counsels the juniors and seniors. Both are available when needed.

*In mythology the sea
nymphs consecrated the Corn-
ucopia and offered it to the Goddess
of Plenty, who, because of the multitude of
sweet things it was pouring forth, adopted it as the
symbol of abundance.*

*In like manner, we, the students of Brewer High
School have adopted the cornucopia as a
symbol of the abundance of good
things which flow out to
us during the days
we spend in
our school.*

DEDICATION

The graduating class of 1960 wishes to extend to the ever-helpful faculty their sincere thanks for the encouragement, aid and understanding freely offered us during the past four years. In order to express our appreciation, we would like to dedicate the 1960 edition of the *Trident* to our friends and instructors, the faculty of Brewer High School.

Mrs. Marion Johnson, the competent adviser of the *Trident*, discusses with senior editor, Judith Niles, and assistant junior editor, James Mundy, the fundamentals of putting together a yearbook of which we all may be proud.

Our *Trident* Executive Board consists of twelve capable persons. They are: Sharon Stewart, Annette Levesque, Gayle Ferris, Sheila Tardiff, Sally Jones, Mary-Alice Byther, Editor Judith Niles, Adviser Mrs. Marion Johnson, David Farley, James Leathers, Alan Leathers, and Creighton Wedge. Absent at this time were Anna Roberts and Andrea Memmelaar.

TRIDENT COMMITTEE

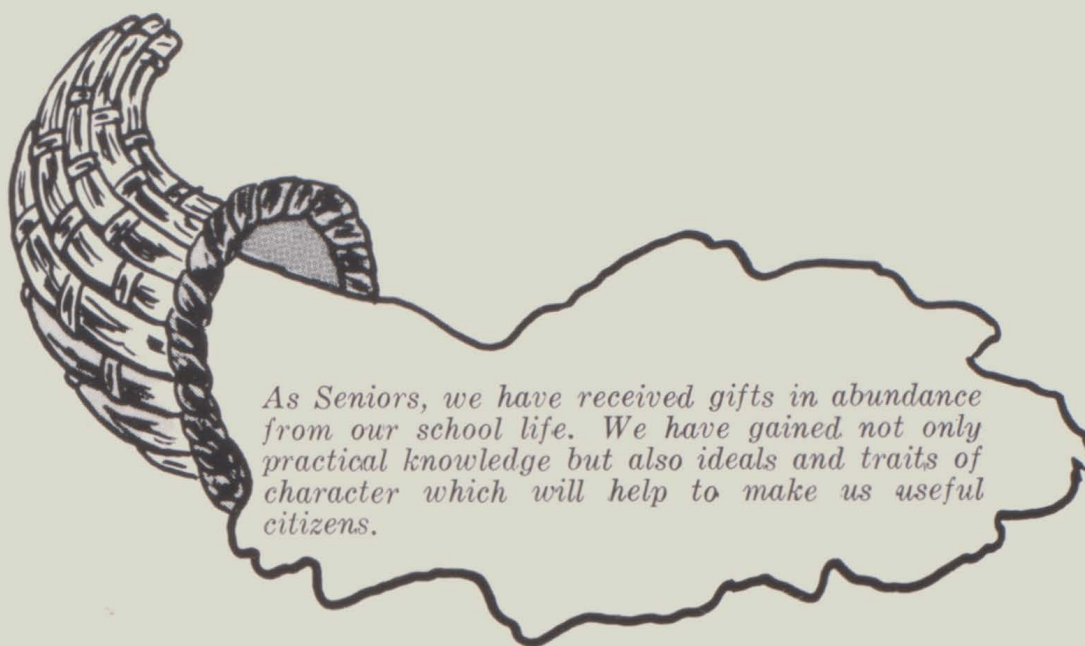

The task of preparing a first-rate yearbook does not lie completely on the shoulders of the editor and executive board heads. Without the co-operation of the committees, the yearbook could not be completed successfully.

The committees take the responsibility of obtaining the facts or figures needed by the board on any designated portion of the book. Each member has a particular job assigned to him. He is expected to have all material available when needed by any member of the board.

This year we have enlisted the aid of a few juniors and sophomores. Six juniors and one sophomore have indicated interest, and have added a great deal to the development of the yearbook. They have learned important facts about putting together a yearbook, which will aid them in their future years at Brewer.

As Seniors, we have received gifts in abundance from our school life. We have gained not only practical knowledge but also ideals and traits of character which will help to make us useful citizens.

CLASS HISTORY

In the fall of 1956 as a group of eager, ambitious freshmen we swarmed through the doors of Brewer High School, determined to make our mark on the pages of school history. After careful thought and due deliberation we chose officers to lead our class. They were Robert Blanchard, Winnie Graham, Joan Gibson, and Barbara Chalmers.

One short year later we returned once more to the old high school, this time a little older and wiser. The officers chosen were Ronald Given, Janice Sawyer, Grace Grant, and Gayle Drinkwater. It was during this year that the Sophomore Class sponsored the first Sadie Hawkins dance, an event which proved a great success.

As Juniors we proudly entered a brand-new school building. It was in this building that some of our greatest talents in sports became apparent. Dave Farley was outstanding as a track man, while Danny Coombs was developing his "golden touch" with a basketball. But sports were not the only activities in which we excelled. Our Junior Exhibition speakers—Bob Blanchard, Gayle Ferris, Gary Melvin, James Kelley, Penny Memmelaar, Bob King, Ronnie Given, Mary-Alice Byther—all did a fine job. We proudly sent delegates to Girls' and Boys' State in June. They were Janice Sawyer, Anne Pooler, Gayle Drinkwater, and Anna Roberts. Mary-Alice Byther and Penny Memmelaar were alternates. The boys who represented the class of '60 were Robbie Kiah, Alan Leathers, Jim Leathers, Dave Farley, Ronnie Given, and David Shibles. To climax one of the fullest years in our high-school lives, eleven of our classmates were elected to the National Honor Society. Judy Niles, Anne Pooler, Anna Roberts, Annette Levesque, Janice Sawyer, Penny Memmelaar, Harry Bowden, Alan Leathers, Ronnie Given, Dave Farley, and Dave Shibles were the people chosen by the faculty for membership in this club.

Our final year at Brewer High School began with a good football season. Our "stars" were Ronnie Given and Jim Garrity. Our basketball team, led by Seniors Danny Coombs, Alan Leathers, Dennis Vanidestine, Palmer Little and Dave Farley went into the Eastern Maine Class L Tournament with a first place point rating and came out with the Eastern Maine Class L Championship. This was the first time a Brewer team had reached the top. And so end our four years at Brewer High.

Joyce Manzo, Peggy Waugh, Jean Morrill, and Linda Faloan turn in money from magazine drive to James Brown. Robert Gibson displays certificate to be awarded for achievement.

Sophomores Linda Murphy and Valerie Strang sell pens to Juniors, Tekla Bragg and Nancy Pearson. This is one of the projects of the Sophomore class for earning money.

At the Sophomore Box Social, Charles Mitchell helps Parker McLeod, auctioneer. Carl Kelly and Kenneth Fox bid on boxes.

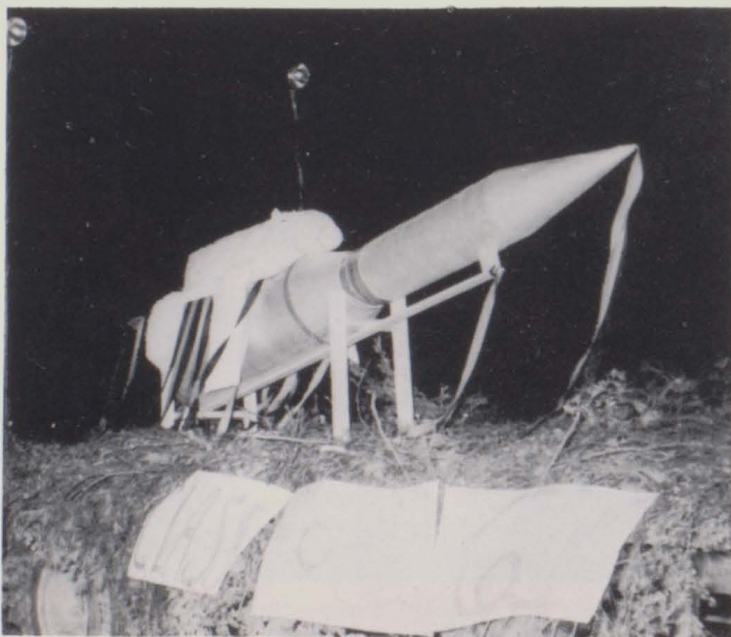

STUDENTS MAKE USE OF THEIR CAPABILITIES

Junior Class President, James Mundy, leads Treasurer, Victoria Grotten; Secretary, Carolyn Smith; Vice President, Linda Bowden; and Marshal, Dave Harnum, in making plans for class activities.

At the left is pictured the prize-winning float of the rally held previous to the Bangor-Brewer football game. Two of the students chiefly responsible for the finished product were Brian Ames and Frank Gallant, below.

THROUGH PARTICIPATION IN CLASS ACTIVITIES

Larry LeVasseur illustrates suggested improvements in the stage plan for class assembly. Onlookers offering suggestions are Janette Severance, Mary Lord, Earlene Harmon, and Rochelle Rogan.

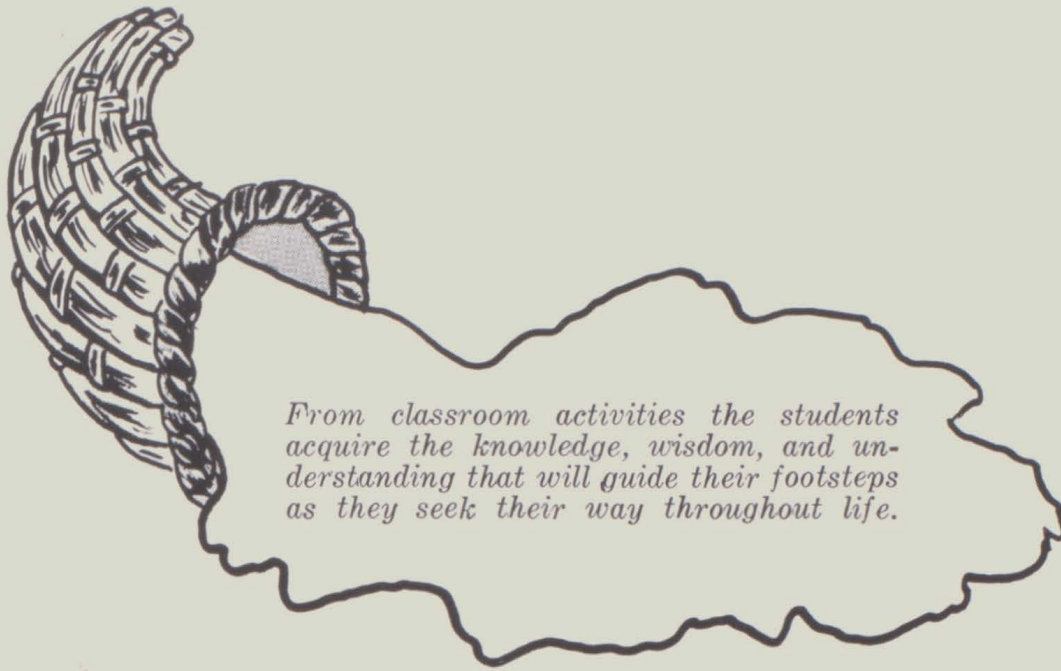

Class members search for a variety of ideas before beginning work on their float for the parade. Seated are Ann Merrill and Kathleen Kelly; standing, Frank Gallant, John Flynn, Larry Fox, and Brian Ames.

Kenneth Winters gives his speech for Junior Exhibition tryouts in which all class members participate. Students are, first row, Donna Cleaves, Anita Winslow, Judy Farley, Pat Mann, Donna Rogers, and Dave Berry; in the background are David Hallowell and Frank Gallant.

Classroom Activities

In the classrooms we develop intelligence to listen, will to learn, and knowledge to understand.

To work side by side in harmony is to do the job well.

ADVANCED MATH

Advanced Math consists of a half-year of trigonometry. The rest of the year is broken down into thirds, consisting of Solid Geometry, Analytical Geometry and Calculus. In the picture are Barry Fraser, Carol Shaw and Arthur Reed.

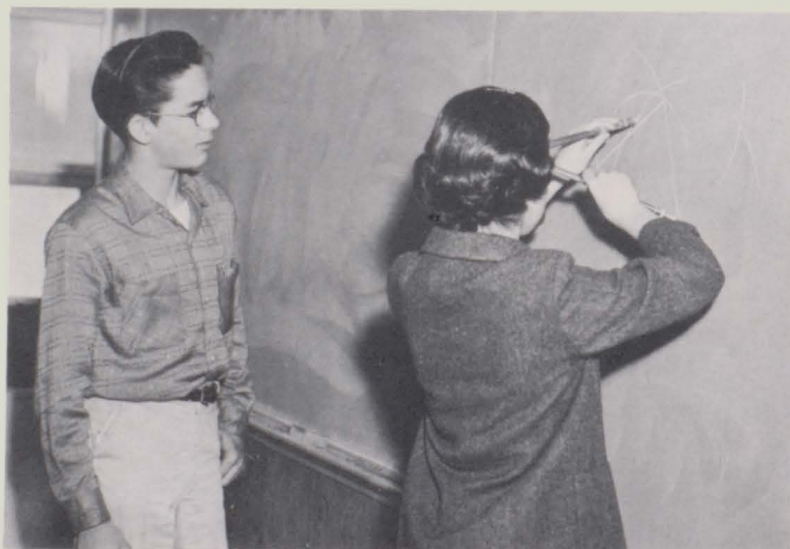

ALGEBRA II

Algebra II is made up of intermediate algebra and advanced algebra, which is taken the last six weeks only. Linda Bowden, Frank Gallant and Donna Corey are working on a few problems.

GEOMETRY

The course in Geometry consists of the Five Books of Euclid. Barry Bowden and Linda Grover demonstrate theorems.

Chemistry is a very important course in preparation for scientific study. The classroom instruction, which includes the combination of atom, elements, and molecules, is imperative for the proper understanding of the experimentations in the laboratory. These chemical experimentations provide a sound basis for scientific careers.

In the picture Harry Bowden, Sandra Stewart, Judy Brann, and Charles Wood co-operate in performing a distillation process.

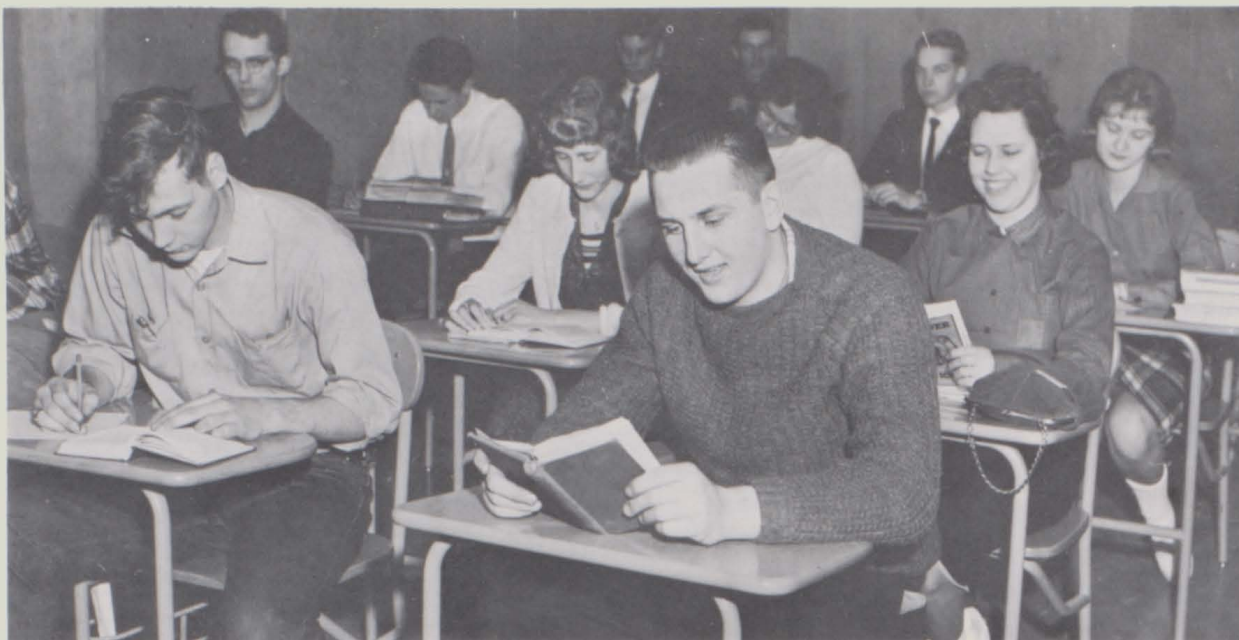

Physics is a branch of science that deals with the laws and properties of matter. It deals with the study of the natural philosophy of the forces of light, heat, sound, electricity, and magnetism. The modern laboratory is well equipped for experimentation.

In the picture David Berry, John Long, and John Flynn experiment with pressure.

Biology, another science course, deals with the science of life or the life of animals and plants, their origin, and their development. The course has become increasingly interesting in recent years because of the addition of new equipment. A basis for understanding of life in general is provided.

In the picture Jane Nichols, John Boutot, and Colene Hamel are observing the aquatic life.

ENGLISH IV

English IV students in Mr. Haskell's class are working on exercises which review English grammar.

FRENCH II

French II helps the student build a wider and more complete vocabulary. It also aids him in acquiring a better knowledge of verb structure. Louis Violette, Dorothy Atwood, and Bonnie Adams are working at the board.

LATIN II

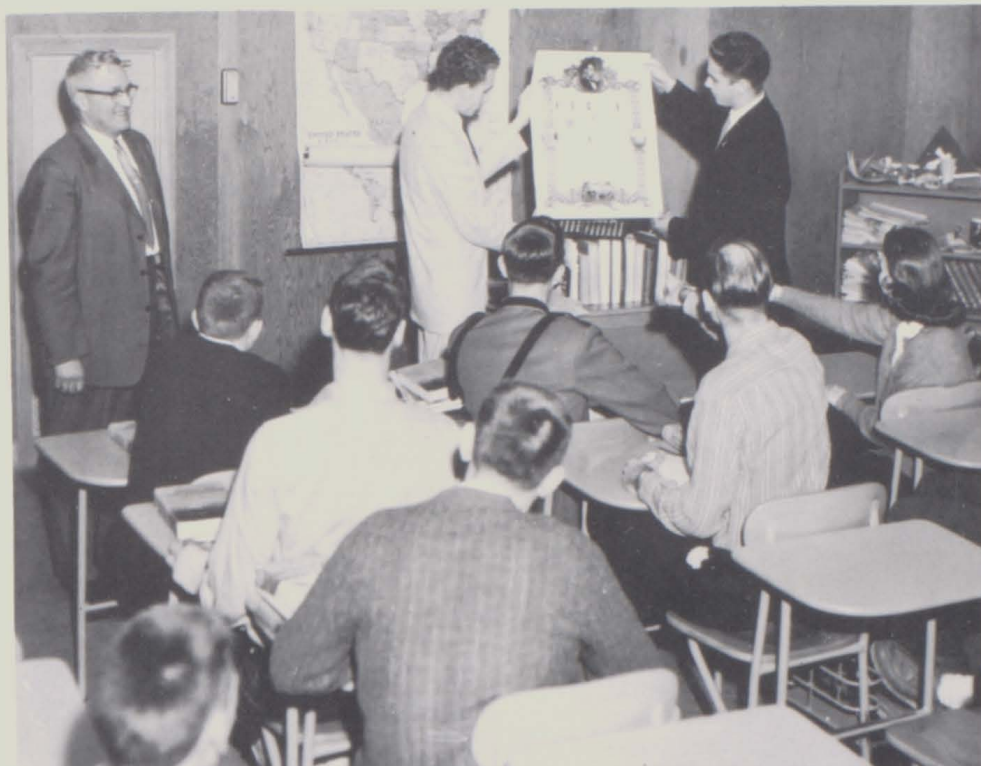

Latin II is mainly a study of Caesar's Gaulic Wars. Mrs. Jenkins is instructing Judy Bean, Linda Grover, Pam McLeod, Cheryl Hitchcock, and Chris Danforth.

COMMERCIAL COURSE

The Senior Commercial Students are learning the techniques of operating the various modern office machines. This gives them daily practice, which will help them in their future work. Seated at the machines from left to right are Lynn Longwood, Carlene Marquis, Cathy Thornton, Sheila Tardiff, and Roberta Robinson.

Jimmy Barker, George Kent, and Charles West in their first year of bookkeeping are doing daily transactions in a practice set. The practice set contains essential material that would be used by a business firm.

In Commerce and Industry class these sophomores are viewing a map of the world to locate the positions of important business cities. Studying the map are Judy Thornton, Delly Cobb, and Patricia McLaughlin.

Home Economics

Viewing obstacles on the stairs are Beverly Johnson, Rose Lewia, Barbara Harding, and Nancy Jones. In a course in Home Safety the girls learn how to prevent many home accidents that occur every day in the home.

Beverly Brown, Karen Bidgood, Roberta Robinson, and Janice Gibbons are learning something of the difficulties involved in setting up a budget. A course in Home Management teaches them that time and energy, as well as money, may be budgeted.

Which one will it be? As Lynn Longwood guides Timmy, he looks confused trying to decide which one of the girls he is going to favor—Gayle Ferris, Joanne Field, or Carol Bunker. A course in child care teaches these girls the Do's and Don't's of bringing up children.

Mary Gerald, Pat Goodwin, and Winnie Graham seem to enjoy cooking. After some preparatory work about foods and nutrition, the girls put into practice some of the things they have learned.

Linda Duffy, Gayle Drinkwater, and Doris Daigle are modeling the clothes which they made in a sewing course under the direction of Miss Berneice Thompson.

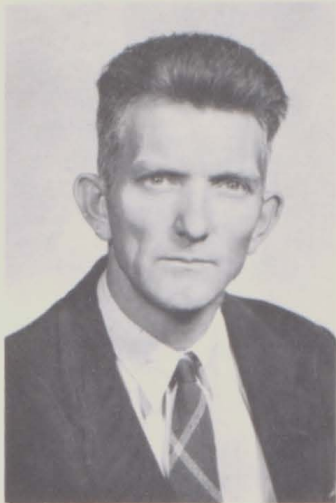

The course in house planning created much discussion among Frances Tardiff, Pam Welsh, Pat Mahoney, and Sally Clement.

Discussing everyday problems are Phyllis Jordan, Barbara Smith, and Jeanine Winchester. In the study of family relationships the girls learned how to understand individuals better and how they fit into a group, such as a family.

Sandra Stewart, Eleanor Rowell, Judy Brann, and Sharon Smith are demonstrating treatments of ordinary accidents and injuries which might occur in the home.

Driver Education

DRIVER EDUCATION

This past year has found an increasing number of students enrolled in the driver education course at Brewer High School. This line of study is open to any student who can work it into his schedule.

Under the capable instruction of Mr. Avery, the students learn the rules of the road by thirty hours of concentrated study and six hours of actual driving.

Bean and Conquest, Inc., of Bangor sponsor the car which the students use to obtain experience. It is a new car each year equipped with dual brakes.

Most students find that, if they have worked hard enough, they are able to apply for their licenses upon completion of the course.

As important as learning to drive, however, is the fact that they develop a keen sense of judgment and sportsmanship. Both these elements are vital if we hope to reduce traffic accidents in future years.

Driver education is one of the most valuable subjects a person can study, as nation-wide statistics show that these trained people have fewer accidents.

TRIDENT COMMITTEE

Since early fall the various committees of the *Trident* have been striving to make our yearbook one of the best ever.

Under the capable supervision of Mrs. Marion Johnson, our adviser, we try to improve our rating in the Columbia Press of New York by following the requirements which they set forth.

The Columbia Press is a national organization which evaluates yearbooks. Our last year's book received a second place in the nation, just six points away from a first place honor.

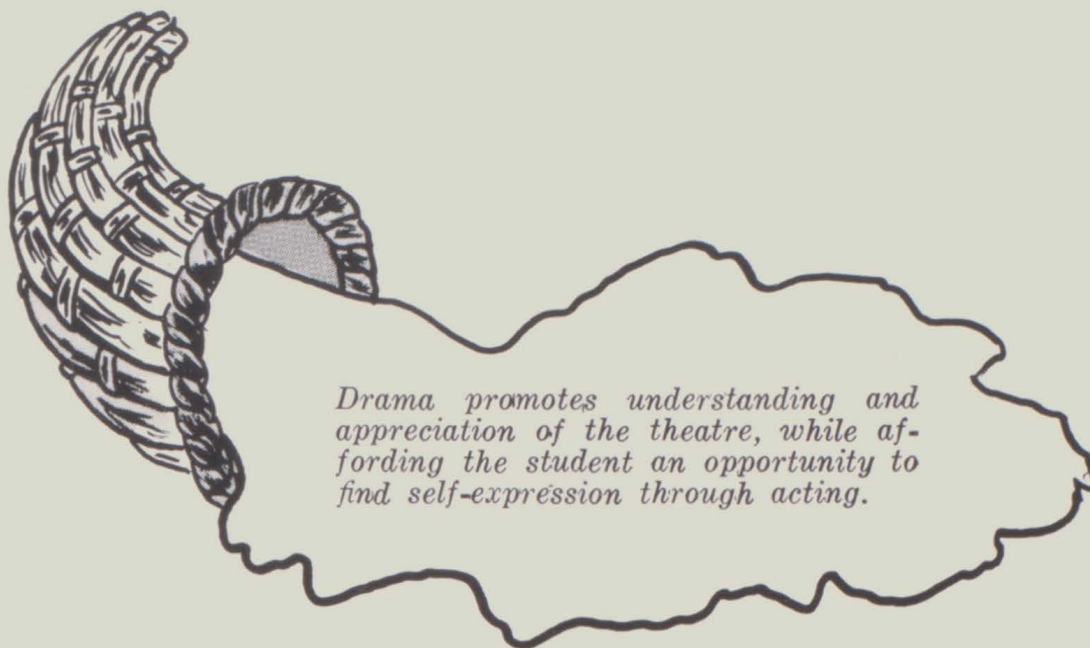

Many hours and much hard work go into the finished publication. It requires complete co-operation by everyone to compile a yearbook of which the students of Brewer High School will be proud.

The *Trident* Board includes students with high rank and willingness to work. The committees are composed of students who wish to participate in the readying of a yearbook. Each committee is responsible for the composition of a certain section of the book. These sections each have an executive board member as its head to whom the committee members may go for advice.

Thus, after several months and many long hours of work, the *Trident* goes to press. By Spring our yearbook is in the hands of the very students who made it possible.

Above may be seen Anna Roberts, who is the head of the Clubs section. She is giving instructions to Doris Daigle, one of our typists, and Harold Lord, our yearbook artist, as to the correct procedure in compiling the necessary material for completion of her particular section.

Annette Levesque serves, as Mary-Alice Byther, Diane Cotter, and Barbara Wentworth are waiting for the play to begin.

PHYSICAL EDUCATION

Physical Education is required of all girls in Brewer High School. The course is designed to help develop and maintain physical health through physical activity; mental health through skill in recreational activities; social attributes, which are attained in group activities; and understanding and appreciation of the place which sports, dance, and all wholesome recreation activities have in good living.

Mary Gerald demonstrates how "practice makes perfect" as Anne Clarke, Sandra Stewart, Mary-Alice Byther, Gayle Ferris, Gloria Whitney, and Linda Duffy watch her do a backward somersault.

That "hard to-get" rhythm in early days of physical education classes for girls was a cause of bewilderment, despair, merriment, or what-have-you.

Although Brewer's football team lost several key players via the graduation route in 1959, the Witch squad came through with a better-than-average season, due to fine coaching and a great desire to win on the part of the players.

The Witches were hampered early in the season by injuries to backfield men, Wayne Walls and Ron Given.

On September 11, Gardiner arrived at Doyle Field for Brewer's opening game. Gardiner struck early and led 7-0 after one period of play. Brewer finally got their attack started, and Ron Given smashed for a TD. Half way through the third period, Given broke away for his second touchdown. The score was tied 13 to 13 with less than a minute to go. Brewer's Jim Garrity passed to Harry Bowden in a final effort, which won the game 19-13.

The second game of the season was all Brewer as they romped over Old Town 41-0. Brewer's offense was led by Ronnie Graves and Jim Garrity as they combined for twenty-three points. Other standouts were Bob Blanchard, Ron Given, and Jerry York. Frank Gemme and Dick Hadley were outstanding on defense.

The Stearns Minute Men met Brewer under the lights of Doyle Field on October 2.

The Witches looked like the team to beat, as Bob Blanchard and Jim Garrity led their team to a 25-0 victory.

On October 10, Brewer traveled to Sanford. Both clubs were undefeated, and the winner would be almost certain of a shot at the State crown. After a hard fought first half, Brewer trailed 7-0. The second half was all Sanford. The Witches just couldn't get rolling. The score ended Sanford 32, Brewer 0.

Some new youngsters found glory in the John Bapst encounter on October 16. Pete Pooler and Louie Violette led the Brewer scoring, while Jack Lane, Frank Gemme, and Dick Hadley led the line play. The final score was Brewer 25, John Bapst 0.

The game with Mexico was a repeat of the Bapst game. Violette and Pooler again led the scoring, as the Witch squad decisioned Mexico, 26-7.

Winslow invaded Brewer on October 30. The Witches still had a slim chance at the State Championship, but Winslow was really up for this one. The Brewer squad was downed by a score of 26-0.

The Witches traveled across the river on November 11 with hopes of salvaging the Inter-City Championship. The orange and black couldn't turn the trick. Although Louie Violette, Ronnie Rogerson, and Frank Gemme turned in good performances, the Rams owned this day. Ron Given scored the only Brewer TD. Bangor won 32-7.

Twins!

Caribou, Dec. 19—Brewer rode to its fourth victory again used an all-court press, causing the Vikings to throw away the ball on a countless number of plays. "Big Dan" got his usual high with 27 points. Vanidestine was in double figures with a "cool" 13 points (11 of them were foul shots). For the second consecutive game Little got 10 points. The hard-working Brewer bench finished out the last few minutes with Denny Day bagging his first bucket.

Bangor, Jan. 5—After a brief lull in the hectic season, "Dan the Man" proved that he hadn't lost any of his cool-headedness. With a mere five seconds remaining, Brewer, in a deadlock with the Rams 49-49, struck the deathblow with a 15-foot jump. Al Leathers, with his 12 points, had been a deciding factor in setting up the Witches' win. When there were only three minutes left to be played Al got two "quickies" to narrow the margin and enable Coombs to tie and finally win the game. Dan wound up with a magnificent showing of 30 points, and Dave Farley impressed the fans with some fine defensive plays.

Brewer, Jan. 8—Big Dan Coombs topped all scorers with his 32 points, as the Witches romped over Bar Harbor, 61-44. Brewer monopolized on Bar Harbor's mistakes during the first half. Little and Vanidestine showed some of their great rebounding strength.

Brewer, Jan. 12—Some slick passing from Al Leathers and Dave Farley, combined with Danny Coombs' 33 points, proved to be too much for the Golden Bucks from Bucksport. After a nip and tuck first quarter, Brewer settled down to its usual game and ended on top with a final score of 79-64.

Brewer, Jan. 16—At their first meeting during the season, the Witches dumped the Houlton Shiretowners 75-39. Coombs played a little more than three-quarters and dumped in his usual 32 points. Leathers put on a show of accurate foul shooting and totaled 17 points, while Vanidestine swished some long ones from the side and ended with 14 points.

Brewer, Jan. 22—Little played one of the best games of his career both offensively and defensively. His 16 points added greatly to the large margin in points over the Ellsworth Eagles. Coombs again ripped the nets for 32 points as Dave Farley played an excellent game and accurately shot in 10 points. Brewer won this one by the biggest margin of the season, 78-29.

Brewer, Jan. 26—Bangor's tourney hopes were ripped apart by a sharp Brewer team as the Witches defeated Bangor 68-54. Coombs hit for 29 points, while Leathers played one of his best games of the season, gunning for 20 points. Vanidestine helped the cause with 12 big ones.

Brewer, Jan. 29—Fort Fairfield put up a great fight, but Brewer's teamwork proved to be too much of an over whelming margin. Brewer winning, 55-49. Coombs was closely guarded, and the sagging defense kept him from scoring higher than the respectable 13 points he sank.

Ellsworth, Feb. 2—The Ellsworth Eagles were literally run off their own home court by a tournament-bound Brewer team. The high man (naturally) was cool Danny Coombs with 44 points. The subs took over the play during most of the second half. There wasn't any doubts in the minds of the spectators from the start of the game that Brewer wouldn't win as the final score of 71-49 well shows.

Brewer, Feb. 5—The fast-breaking Witches swamped Caribou, running up a score of 87-56 before a small crowd at the Brewer High School Auditorium. Dazzling Danny's accurate shooting netted 32 points. The whole team displayed some magnificent hustling. Vanidestine, Little, and Leathers wound up with 16, 14, and 13 points respectively.

Brewer, Feb. 9—Brewer gained revenge by defeating John Bapst, the only team to have defeated them so far, 78-56. The fourth quarter saw the Crusaders go scoreless as Coombs kept hitting, bagging a total of 33 points. Leathers was the highlight of the game, even though Coombs was top scorer, showing some nifty defensive action and contributing 29 counts to the Witches cause.

Houlton, Feb. 12—After continually switching the lead with the Houlton Shiretowners during the first quarter, the Orange and Black opened and pulled away to a commanding lead throughout the rest of the contest. Although hindered by traveling mistakes, Dan "the man" Coombs managed to sink 31 points. Alan Leathers backed up Big Dan with 18.

Old Town, Feb. 16—The Old Town Indians came out on top of the Brewer Witches 60-59 only after a bitterly fought battle ending in an overtime. The capacity crowd was thrilled by the fast action. Coombs was high scorer with 28 points, but his magnificent effort was not enough to quell the determined Indians.

Northeast Harbor, Dec. 4—Brewer initiated a spectacular basketball season by downing a determined Bar Harbor quintet 58-55. Danny "Cool" Coombs showed a taste of what was to come by "bombing" 25 big points. Both Dennis Vanidestine and Al Leathers hit double figures with 16 and 15 points respectively.

Brewer, Dec. 8—Husky Jim Garrity came off the bench in the third quarter to spark the Witches in a hard-fought 55-52 win over the Old Town Indians. Coombs had to play it cautious during the last twelve minutes, and big Jim took over to gun six for seven from the floor. Coombs was the high man of the game with 22 points.

Bangor, Dec. 15—Brewer was downed by an impressive John Bapst Club 61-59. The Witches got off to a bad start and trailed at half-time by 11 points. The hustling Brewer five wouldn't give up, and with one minute left in the game, the Crusaders leading 58-57, speedy Dave Farley stole the ball and went all the way for two points. Brewer now led 59-58. A split second later Greer of Bapst was fouled, and he connected on both charity tosses to virtually win the game with the final score reading 61-59. Coombs sank 24 impressive points, with Leathers hitting for 11 and Vanidestine for 10.

Fort Fairfield, Dec. 18—The all-court press displayed by Brewer throughout most of the game dismayed the Fort Fairfield Tigers and caused them to lose a well-fought contest 64-59. Talented Coombs finished the game with a 27-point effort. Leathers had 17 points, and Little had 10.

Top Ranked Brewer Wins

The victorious Brewer Witches decisively defeated Cony of Augusta 82-56 in the first round opener of the Eastern Maine Class L Tournament. The Scrappy Rams hung on for the first two quarters, but the Orange and Black's height advantage proved to be too great for the fast moving Rams from Cony. Big Dan opened his tournament record with a 34-point effort, while Leathers pumped in 21, and Vanidestine sank 15.

Brewer Wins Semi-Final Round

The all-around performance of Coach Larry Mahaney's spectacular ball club qualified Brewer as one of the finalists in the championship game by defeating Waterville, 69-50. Ace gunner, Danny Coombs, showed the fans why he's considered one of the best basketball players to come out of Maine by shooting holes in the "Purple Panthers" hopes for a final bid, swishing 31 points. During the second half of the game, Farley held Joseph, the Panther ace, to only three points, which is unusually low for the scrappy guard. While Little and Vanidestine combed the boards, Al Leathers bombed in 17 points.

TOURNEY
RECORD

Brewer Wins Eastern Maine Finale 85-59

As shocked Presque Isle spectators looked despairingly on, Brewer's deadeye, Dan Coombs, led the Witches to their first Eastern Maine Class L championship. Even though he was hampered with four personal fouls from the second quarter on, Big Dan topped all scorers with his 39 points.

Vanidestine opened up the game for Brewer with a fifteen-foot jump shot. He kept it up throughout the game and ended with 19 points.

Leathers pumped in 13, and both Farley and Little slowed down the fast-moving Presque Isle club with some great defensive plays. Brewer's slow game and great defense was the deciding factor in winning this one. Danny Coombs and Al Leathers were selected for the All Eastern Maine Team. Coombs' 104 points for the three-game tourney set an all-time scoring record.

Brewer Loses State of Maine Final

The best ball club Brewer may see for years was finally cut down by a fast-breaking, hot shooting Lewiston team. At the half the hard-fighting Witches were ahead, 38-31. The impressive Witches were saving nothing, determined to leave this one out on the floor. Little jumped as he had never jumped before. Vanidestine, guarded closely, made up for his lack of scoring by his basketball of rebounds and his fine defensive plays. Farley shot more accurately than ever before, and he showed his great endurance and speed by breaking up many Blue Devil fast breaks. Leathers, playing while sick with the flu, bagged 13 big points, and his cool play kept Brewer in the game. Coombs, guarded on every shot by at least two tall men, set a new scoring record for the Class L State finals with his 35 points.

In spite of all that Brewer tried, the Blue Devils were too much, beating Brewer in the last few minutes of the game, 81-64. The deficit seems large, but Lewiston ran up 13 points in the last two minutes with Vanidestine benched.

J. V. BASKETBALL 1959-60

For the second straight year Coach Bill Booker's Brewer J. V.'s compiled an excellent record. This year's record of 12 wins and 1 loss combined with last year's slate of 15 wins and 1 loss gives Coach Booker's teams a spectacular 27-2 record. The 1959-60 club suffered its only loss in the second game of the season, losing to Old Town 37-42. However, the young Witches evened the score by defeating the Indians in the last game of the year. The J. V.'s averaged 47.6 points a game, while holding their opponents to 41.07 points a game.

TRACK-1959

Inadequate facilities and lack of experience took its toll at the beginning of the season, as Brewer lost meets held at Old Town, Bangor, and Orono. Then the Witches finished close seconds in two different 4-way meets held at Bucksport and ended the regular season by winning a 4-way meet at Blue Hill. In the Penobscot Valley Conference Meet, Brewer finished a creditable third. Here Dave Farley gave a preview of things to come by setting records in the mile and 880. Then in the state meet held at Bowdoin with twenty-two teams competing, Brewer finished 10th. Farley ran the mile in 4 minutes 26.3 seconds and the 880 in 2 minutes 00.4 seconds. Both of these times were state records. At the New England Meet held

at Boston, Massachusetts, Farley, defeated for the first time in his high school career, finished second in the mile with a time of 4:25.1.

CROSS COUNTRY—1959

In the second year of cross country at Brewer, Coach Harold "Red" Pressey moulded together a formidable squad. The Witches won triangular meets held at Bucksport and Ellsworth in easy fashion. The team lost triangular meets held at the University of Maine and Guilford. Brewer also lost dual meets at Bangor and Old Town by close margins. In the State Meet held at the University of Maine, Brewer finished tenth. The team made a fine showing with Dave Farley finishing second and sophomore Dick Farley eighteenth. Even though Dave finished second, his time of 12 minutes 26 seconds over the 2½ mile course tied the meet record. The cross country team finished the season with a record of two wins and four losses. However, three of the four losses were by a slim margin. Coach Pressey is looking forward to a successful year in 1960, as he has four very promising sophomores returning.

BASEBALL—1959

1959 was a very successful year for the Brewer baseball team. Losing five out of their first six games, the Witches came to life and won their last eight games of the season. With ace southpaw pitcher Danny Coombs on the bench most of the year with a sore arm, Sophomores Dennis Day and Dick Hadley took care of the pitching chores in fine style. Day won three games and lost none, while Hadley chalked up a 4-3 slate.

Coach "Chatterbox" Charlie Heddericg will have most of the boys returning in 1960. The following letter winners will be returning this year: Danny Coombs, Dennis Day, Larry Fox, Jim Garrity, Dick Hadley, Don Macko, and Creighton Wedge.

And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
