## FOREWORD

In this age of space consciousness we are becoming increasingly aware of the fact that the earth is only a part of the universe and that no longer can we remain content to live unto ourselves alone. It is essential that we go into space to explore other regions to get the information we will need in the coming days when man's participation and decision-making ability will be vital to the operation of our more complex society. We must determine the effect of the forces from without on the lives of the people on this planet.

Our school is a universe. Here the other planets are associated with our planet earth. Because increasing our knowledge of others adds stature to our own lives, we invite you to explore in this *Trident* your own orbit and that of the others who make up the universe of our school. Thus we offer you this planetary edition.

## IT TAKES MANY WILLING HANDS TO RUN A SCHOOL

Happy in their work are school cooks, Mrs. Everett and Mrs. Matson.

The students of Brewer High are kept happy in their surroundings at school through the fine efforts of the cooks, janitors, and medical staff. Good lunches are the result of hard work by the cooks, while the janitors laboriously keep our school looking new and clean. The medical staff promotes good health among the students — "All are needed by each one."

Janitors Mr. Knowles, Mr. Barry, and Mr. Scripture do an efficient job in keeping our school neat and attractive.

School physician, Dr. Shapero, and school nurse, Miss Nickerson, make up the medical staff.

# STUDENTS

*Earth is the planet which marks the dwelling place of man. It is the region where humanity "lives and moves and has its being." In like manner the school is the habitation of the students. In it they work and play and carry on their various activities, and from it they obtain succor and growth.*

## SENIORS

As the earth has fostered humanity, Brewer High has nurtured the seniors throughout their four years.

# Senior Personalities

Active in many school functions, Linda Bowden had maintained a high scholastic average as well as a high popularity rating.

Our Trident editor, James Mundy, has been consistent in his service to Brewer High. His outstanding qualities have made him one of the best liked students.

Dottie Atwood has combined an excellent scholastic average, vibrant personality, and a conscientious interest in student-body activities.

David Harnum, a warm-hearted, friendly guy, was an all-state football choice and has been consistently good in the world of sports.

Charming Donna Corey has won the student body with her gracious manner and leadership ability.

# UNDERCLASMEN

Through classwork and outside activities the underclassmen receive training and the knowledge that is so essential on our earth today.

Pat Wood, treasurer; Sarah Bunker, vice - president; Jean Stone, secretary, and the class adviser, Mr. Kiley, discuss class activities for the year.

Jimmy White, class president, and Bert Tracy, marshal, look over records of the members of the junior class.

## CHARACTER TRAITS, SUCH AS SELF-CONFIDENCE,

Shown here are the "Silo Twins", Charles Young and Bert Tracy, who participated in the junior class assembly.

The junior class sold candy for a money-raising project. Pam MacLeod and Peter Farrington are selling candy to a fellow classmate, Chris Danforth.

Kathy Hamm is giving her speech for Junior Exhibition try-outs. Junior Ex. is a very important event for the juniors. Listening as she speaks are Gloria Sherburne, Gordon Platt, Sam Drew, and Barry Bowden, standing.

# SOPHOMORE CLASSES

## LEADERSHIP, AND SATISFACTION, ARE GAINED

Sophomore class adviser, Mr. Joseph Dombeck, and Reginald Merrill, class president, talk over the situation of the sophomore class and make plans for the year. Absent when the picture was taken was Janice Grant, secretary.

The sophomore class sponsored a magazine drive for a class money-raising project. Looking over her records is Nancy Beatham, a home-room treasurer.

Sandra Achorn, vice-president, and Sharon Cort, treasurer, look at some selected material to guide them in their jobs as officers.

## THROUGH PARTICIPATION IN CLASS ACTIVITIES.

Each member of the sophomore class tried to do his part to make the magazine drive a success. Here are two of the students trying to sell a magazine subscription to a member of the faculty. Left to right are Mr. Stephen Podolsky, Nancy Cookson, and Sue Spaulding.

Reginald Merrill congratulates Alison McDonough and gives her a certificate for selling over \$100 worth of subscriptions. She received a check which she gave the sophomore treasury.

Class members received certificates for reaching their quotas. Some of the members who received certificates are Susan Lyford, Mary Ellen Gille, Mary Matthews, Sharon Cort, and Richard Jacob.

*Mercury is the closest planet to the sun, around which revolves the earth, our school. Mercury is a symbol of education, discipline, and intellect—attributes which may be developed under good teaching to create new worlds of thought. Thus it is appropriate that Mercury be used to represent our Classroom Activities.*

## COMMERCIAL SUBJECTS PREPARE STUDENTS FOR

### FILING

There are four major systems of filing taught to the Commercial seniors. These are alphabetic, numeric, geographic, and subject. Twenty basic rules are learned and applied to each of these systems. Shown here are Sharon Bennett, and Dianne Cotter applying their attained knowledge to the subject method of filing.

### SHORTHAND

One of the aims of shorthand is to increase one's ability to take dictation at high speeds. Students obtain practice in transcribing letters at speeds, transcribing office-style letters, and transcribing three-minute letters. By taking dictation in these different ways, they will be prepared to do any type of stenographic work required of them when they go into the business world. Miss Wishart is shown here dictating to Linda Faloon, Cathy Gass, and Eileen Cookson, while seniors Lucille Russell, Jean Morse, Eleanor Brooks, and Jackie Mann look on.

### TYPING

Shirley Estes, Trudy Nowell, Sue Spaulding, and Barbara Wood are illustrating proper typing techniques. To gain speed one must look at the copy, not at the keyboard or the material that is coming up in the machine.

Commercial seniors are required to take a course in office machines. The students operate business machines, learn payroll procedures, and do clerical training projects. This course will help to prepare them for future office work. From left to right, operating machines, are Cathy Robertson, Judy Farley, Barbara Gass, and Joyce Grant.

### ACCOUNTING I

Marie Pooler, Judy Prunty, and Kathy Gass are doing an accounting problem from their workbooks. The study of accounting prepares people for employment in business and for higher education. Our classes are ever changing to keep abreast of government requirements relating to social security, wages and hours of employment, workmen's compensation, income taxes, sales taxes, and so on. New business practices replace old ones.

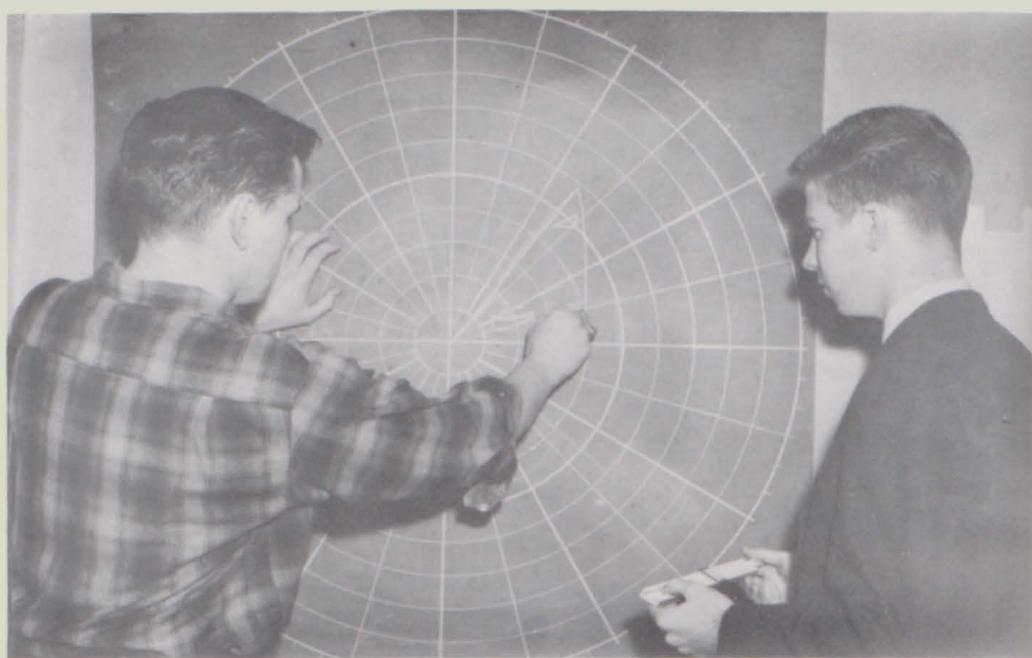

### GEOGRAPHY

In discussing current events, students and teachers turn to the globe because comprehension is incomplete unless one knows the Geographical location. Lee Ann Clark and Carol Martin are locating one of the trouble spots of the world.

## AMERICAN HISTORY

From the study of American History one achieves an understanding of his country. The course is divided into several units. Each unit deals with a phase of the continuing development of the United States. David Leslie and Judy Wood are indicating the importance of certain foreign countries in our development.

### SPEECH

Throughout life our speech is our display. As the future leaders of America, we need a good course in public speaking to prepare us. In the speech class students learn how to organize their material and present it to an audience. Here Darlene Folsom and Bruce McCubrey are listening for defects in their speaking.

### ECONOMICS

The basic principles of economics and the principles of business considered to be of importance to everyone have been introduced in the discussions of specific problems encountered by consumers. The emphasis is upon the solution of a consumer problem rather than upon the theory. George Kent, James Barker, Linda Crawford, and Kathleen Kelly are studying the financial page of the newspaper.

## FOOTBALL

On September 10 Brewer opened its 1960 football season with a win at Gardiner. The Brewer team was led, as it was all season, by Louie Violette, Ronny Rogerson, defensive standout Stan Pyzynski, and co-captains Dick Hadley and Frank Gemme. Gardiner scored on a seventy-eight yard touchdown run on the third play from scrimmage. Brewer countered on a pass from Al Connolly to Louis Violette. Each team scored again in the first half, but Brewer missed its try for extra point and Gardiner led 14-13. The second half was a defensive struggle with Brewer pushing across a touchdown by Charlie Porter to win the game 20-14.

On September 23 Brewer played its first home game of the season against Old Town. It was Brewer all the way, led by the break-away speed of Louie Violette and a fine defensive effort by the Brewer Witches. Brewer scored in the opening minutes of play and came out on top 34-6.

Brewer continued its winning ways by invading Stearns lead by the fine running of Louie Violette and the defensive standout Stan Pyzynski. Brewer blanked the Minutemen 21-0.

A heavily favored Brewer team invaded Madison, only to be upset by the Bulldogs 20-0. Madison scored in the first quarter, after a long pass put the ball on the two-yard line. Late in the second quarter Brewer gambled on a fourth down pass which fell incomplete. Madison took over on their own 45 yard line and raced 55 yards on the next play. Madison took the kick off, starting the second half, and scored nine plays later. Jim Tolman, Lou Violette, and Charlie Porter teamed up to give Brewer their best drive, which took them to the 20-yard line before they were stopped.

Brewer, still smarting from its first defeat, came back strong by beating John Bapst 39-0. Louie Violette and Jim Tolman led Brewer with six touchdowns between

them. Mid-way in the third quarter Coach Larry Mahaney cleared the bench and the substitutes finished the game.

A heavily favored Winslow team invaded Brewer with high hopes of wrapping up the Class B championship. A fired-up Brewer team out-played the Winslow team but lost 14-13. Both Brewer and Winslow threatened in the first half but neither team scored. In the third quarter Louie Violette carried the ball over to break the deadlock. The conversion was good, and Brewer led 7-0. Winslow came right back to tie it up. Late in the third quarter Brewer scored again and led 13-7. But in the closing minutes Winslow scored and pushed across the extra point for a 14-13 victory.

Brewer, still in contention for second place in Class B, hosted a strong Sanford team. Brewer was in the game all the way, trailing 7-0 at half time. The score remained the same until late in the fourth quarter when Sanford pushed across the second touchdown, winning the game 14-0. The Brewer team was led by the hard running of Louie Violette and a fine effort by the defensive team.

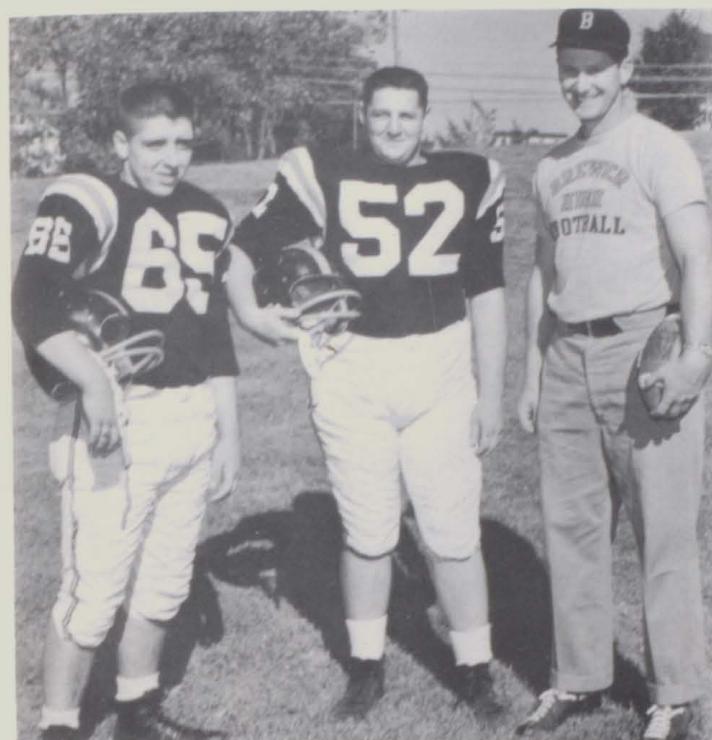

Brewer played host to a powerful Class D team from Bucksport. The Golden Bucks held Brewer to a slim 7-0 lead at the first half. In the second half Bucksport scored on a ninety-yard run, but the pass for the extra point was incomplete. Brewer held the slim lead to win 7-6.

In the traditional Armistice Day clash Brewer played host to Bangor. Bangor scored early on a fluke fumble. In the second quarter they scored again on a long pass. Bangor took a 13-0 lead into the locker room at half-time. Bangor broke away in the fourth quarter to score three touchdowns to break the game wide open to win 33-0. All seniors on the Brewer squad saw action in the final game.

## BASKETBALL

The defending Eastern Maine champs opened the 1960-61 season with only one returning letterman, Ron Rogerson, the manager. The starting line-up boasted only two seniors, but throughout the year the team maintained a "never-say-die" attitude.

The season began on a bleak note with a loss at Bar Harbor. On December 6, the Witches invaded Old Town and very nearly turned in the biggest upset of the season. Though the underdog, Brewer led by five points at half-time, but the Witches could not hold the Indians in the last quarter.

The first home game of the year saw Brewer obtain its first victory, a 60-50 win over John Bapst. The team was led by Eddie Arnold with 15 points, and Dennis Day and Jimmy White with 13 points each.

It was on the home court, Jan. 20, that Brewer turned in a major upset for its sec-

ond victory of the year. The Ellsworth Eagles came into the game strongly favored. But a strong offensive effort by Eddie Arnold and Dennis Day, coupled with the strong defensive job by Dave Harnum, was enough to turn the tables in Brewer's favor.

The team was led all season by the fine playmaking of Jimmy White and sophomore Al Connolly in the backcourt. Seniors Dave Harnum and Dennis Day provided rebounding depth and scoring thrust from the corners. Junior Eddie Arnold turned in a consistently good all-round performance. Joe Ferris performed well as a sixth man.

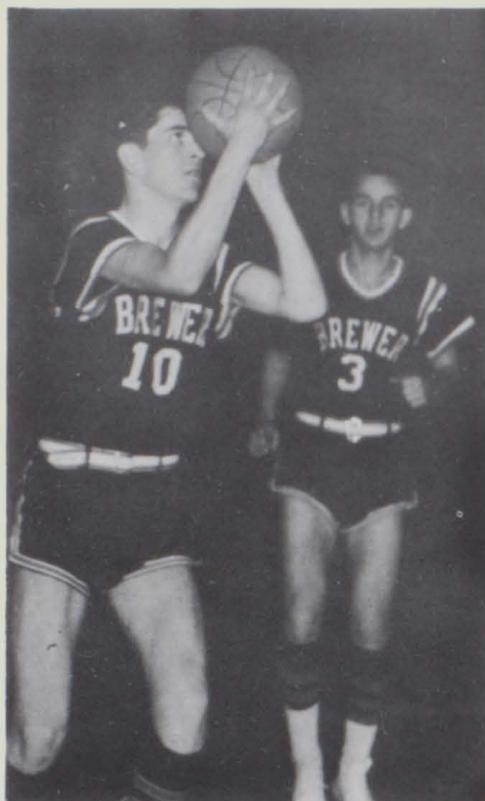

This season was a "building season" for Coach Larry Mahaney and his players. Next year looks very promising, with a team of talented and experienced juniors and seniors.

## J. V. BASKETBALL

The J. V. basketball team, under the coaching of Bill Booker, enjoyed a winning season. Although the record does not equal that of the last two years, several of the losses were in over-time decisions.

The team was led all season by George Moore at the pivot, Robert James and Gary Hallett at the guards and Bob Fraser, and Dick Farley, forwards.

Next year's team shows promise of improving upon the record of this season. The team has some experienced players returning and some fine ball players coming up from the Junior High.

## TRACK 1960

Brewer, with added experience from last year's team, became a track power in Eastern Maine. Brewer started off with a tie with Bucksport, but came back with two straight wins and a 3rd place in a four-way meet. At the P. V. C. Brewer placed 2nd; at the state meet Brewer placed 5th with Dave Farley winning the mile and the half-mile, breaking his own record for the half-mile. Brewer was led all the way by the fine running of Dave Farley and Harry Bowden, and Dennis Vanidestine's short put and high jumping. Brewer also got strong support from Dick Farley, a promising sophomore, who is expected to fill brother Dave's shoes very amply.

## CROSS-COUNTRY—1960

The Brewer High School cross country team in its third year enjoyed its best record. Coach "Red" Pressey formed his squad into a championship team, winning the Penobscot Valley Conference Championship. In regular season competition the team had a 7-1-1 record, losing only to Guilford. The tie was against Bangor. Brewer had victories over

Bangor, and Old Town, plus double victories over Hampden, Bucksport, and Ellsworth. Brewer came in 9th place in the state meet, led by Dick Farley, who also finished ninth. The 1961 team shows promise of equaling the 1960 record or perhaps improving upon it.

## PHYSICAL EDUCATION IS DESIGNED TO HELP DEVELOP

### VOLLEYBALL

Volleyball, a fall sport, is enjoyed by many girls. There are six intramural teams that compete on Tuesdays and Thursdays. These teams put into practice the fundamentals of the sport taught by Miss Hoit, girls' Physical Education instructor, in gym classes. On the left Judy Farley is being instructed by Miss Hoit on the proper way to serve.

Dianne Cotter, Julie Wright, Marjorie Olmstead, and Nancy Pyre practice volleyball skill tests.

The girls participate in a volleyball game after school.

# AND MAINTAIN PHYSICAL HEALTH THROUGH PHYSICAL ACTIVITY; BASKETBALL

Basketball, a winter sport, is enjoyed by many girls at Brewer High School. The fundamentals of the sport are taught during physical education classes, and team participation is after school. Although basketball is an intramural girls' sport, an All-Tournament team is chosen each year by Miss Hoit, girls' physical education director. Members of this year's team are Sharon Robinson, Nancy Holyoke, Pamela McLeod, Veronica Herrick, Gloria Levesque, and Sharon Cort. This team competes with girls' teams from other schools.

Diana McKenney outjumps Linda Faloon during a basketball game.

## BOWLING

Bowling is organized in the fall. Teams compete against each other for the honor of becoming the first-place team. This top team, along with the highest bowlers of the season, receives trophies.

Members of this year's winning team are Sharon Cort; Betty Paul; Jackie Beck; Captain, Dotty Atwood; and Marjorie Olmstead.

## MENTAL HEALTH THROUGH SKILL IN RECREATIONAL ACTIVITIES

Julie Wright, Sarah Bunker, Diana McKenney, and Rachel Jack get ready for the coming badminton season. Badminton is played in doubles with the winning pair receiving awards.

Nancy Holyoke, one runner-up, and Sharon Cort, one winner of the doubles tennis tournament are only two of the many girls who enjoy this relatively new sport at Brewer High School. Instructions are held on the courts during physical education classes.

Pat Greene, Julie Wright, and Cathy Robertson spot for Nancy Holyoke as she attempts a forward somersault on the trampoline.

## SOCIAL ATTRIBUTES, WHICH ARE ATTAINED IN GROUP

Jackie Beck and Nancy Porter do sit-ups while Donna Corey and Sharon Robinson hold their feet. Exercises such as these are an important part of the physical education program.

Joyce Seely, Eunice Jellison, Linda Colby, Marjorie Olmstead, and Betty Paul take careful aim.
