**Dear Parents and Guardians,**

Welcome to the J. Cresswell Stuart Early Childhood Development Center!

As we begin a new school year, I want you to know how excited and honored we are to welcome your child into our school family. We understand that sending your little one to school for the first time—or beginning a new school year—can bring a mixture of excitement, pride, and even a few worries. Please know that we are here to support not only your child, but your entire family.

Our goal is to create a warm, safe, nurturing, and joyful environment where every child feels loved, valued, and confident to learn and grow. At this age, every moment is an opportunity for discovery. We will celebrate your child's successes, encourage their curiosity, help them build friendships, and provide the guidance they need as they become more independent.

As parents and guardians, **you are your child's first and most important teacher.** We value your partnership and believe that when families and schools work together, children thrive. Please communicate with us, ask questions, share your concerns, and celebrate your child's accomplishments with us. Your voice matters, and we want you to feel comfortable knowing that your child is in caring and capable hands.

Throughout the year, we will keep you informed through calendars, newsletters, reminders, family events, and opportunities to be involved in your child's educational journey. We hope you will take advantage of these opportunities and become an active part of our school community.

Most importantly, please remember that **your child is not just a student to us—they are a child with unique gifts, personalities, dreams, and needs.** We will do our very best each day to make them feel safe, supported, respected, and ready to shine.
