Green Slip Winners Excellent Citizenship

As we near the last days of school, this is a friendly reminder for parents and guardians to pick up any remaining student medications from the health office, including both daily and emergency medications. All medications must be collected by the end of the last day of school. Any medications remaining after that time will be properly disposed of.

Please make arrangements to retrieve these items to ensure your child has access to them when needed and to help us safely close out the school year.

Thank you for your cooperation!
