26/27 Schedules - Your student’s schedule for next year including teachers will be live in Infinite Campus on 8/21. Students will receive a hard copy of their schedule on the first day of school.

If parents or guardians have a concern or question about next year’s placement for their child, they should email their grade level counselor.

Work Permits

As students turn 14 years old they are eligible to receive a work permit. If someone turns 14 before the last day of school in June, they should email Mrs. Thomas to ask for the work permit paperwork. Students must be passing classes, attending school, and behaving well in order to receive the permit paperwork. After June 15th, students should reach out to the superintendent’s office to retrieve work permit paperwork.
