Dear Parent or Guardian,

The Unit 7 School District will be using a new parent app, Stopfinder, for the upcoming school year. Stopfinder is the easy-to-use, all-in-one app that allows you to have the most accurate information about your student's bus schedule at anytime from anywhere. You can also create **GeoAlerts** for your student, which will notify you when the bus has arrived or departed from any location on your student's route, including their assigned bus stop and school. **GeoAlert** Alert Zones can be created for individual students allowing you to customize the Alert Zone based on their bus route.

The email address that is currently on file with the district will be used for Stopfinder setup. Please contact YOUR STUDENTS SCHOOL to make a change to your primary email address prior to **Thursday, August 6th.**

Stopfinder can be downloaded for free from the App Store or Google Play. Stopfinder will require an invite and registration through the district prior to accessing your student's transportation schedule. Please watch for a Stopfinder invitation, which will be emailed to your primary email address, between **8/7/26 – 8/12/26**. Please contact Illinois Central School Bus with questions.

Check Out Stopfinder!
