PRESENT

THE

1969

PANTHER

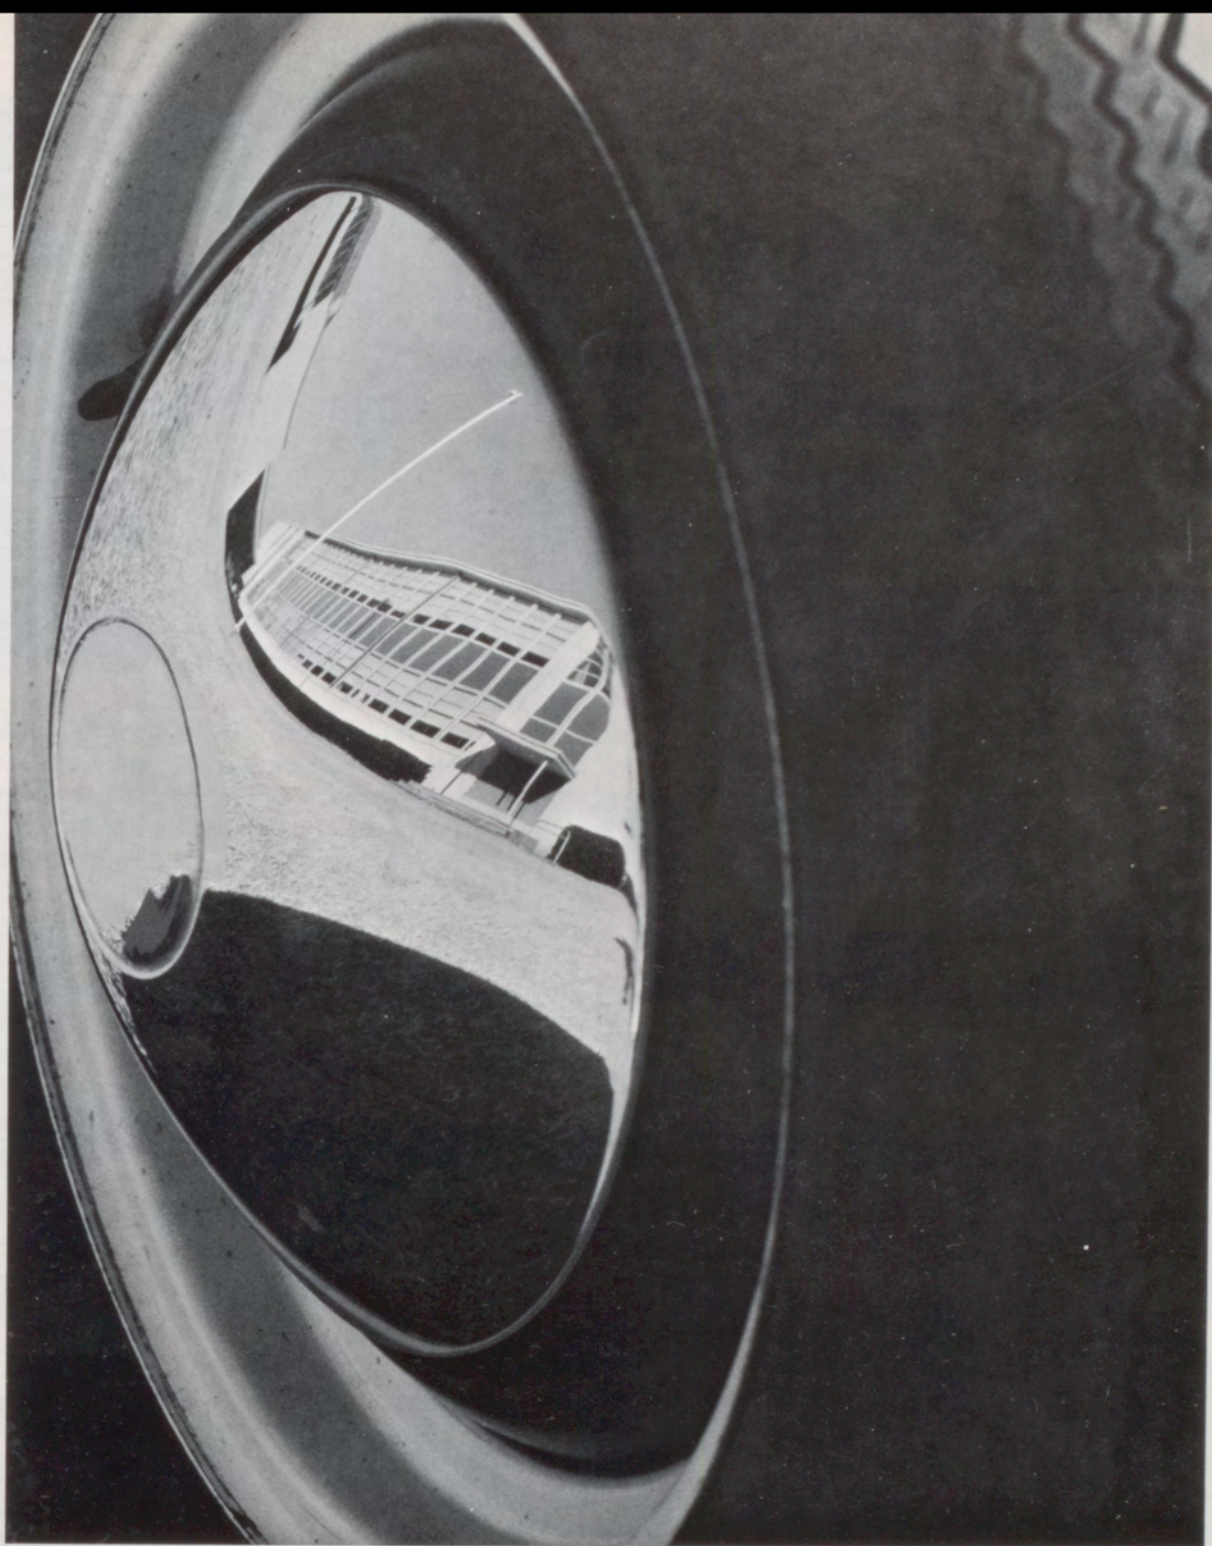

To a woman who has made it possible to have a 1969 Am-Po Panther. A woman who has a wonderful sense of humor, a great teaching ability, and a tremendous amount of patience. A woman who gives freely of her time to anyone who needs it, who can work under stress and come out smiling, and, by just being herself, can win over the hearts of everyone. The Panther staff is proud to dedicate this 1969 edition of our yearbook to Mrs. Lila Dickey, who is, to all of us, the most wonderful, cheerful, friendly, invigorating person and teacher we could have the privilege of ever knowing.

Dedication

To a man who has helped to make this year's edition of the Panther more interesting. A man who is always friendly to everyone he meets; has a kind word for all, and is fair in all things. He is a great man to have as a friend and the best possible Superintendent. A man who has contributed many hours to this edition of the yearbook by taking pictures for us. The Panther staff is equally proud to dedicate this 1969 edition of our yearbook to Mr. W. L. Jackson, a great leader who has made this 1968-69 school year one which we will always remember with pleasure.

To the seniors: I wish you much success in the years ahead and hope you have achieved something this year that will better prepare you for life and make you an asset to your community and country.
