2026-2027 EMERGENCY SCHOOL CLOSINGS FOR MURRAY COUNTY CENTRAL SCHOOLS

School closing announcements will use the term "Murray County Central Schools" and will apply to MCC High School, MCC Elementary School and Little Rebels Preschool. Announcements of emergency school closings, late starts, and event postponements or cancellations for any reason will be announced on the following media outlets:

Murray County Central ISD 2169 App

Apple Devices

Google Play

It is crucial that your information in the JMC Parent Portal is correct at all times. Alerts contact the numbers listed in the Phone 1 and Phone 2 fields. If you have unsubscribed from or blocked these alerts, you will not receive notifications.

In some cases, it is necessary to change the schedule for school activities late in the day. If these changes occur, please stay tuned to KJOE 106.1 FM for the latest developments & announcements. Please **DO NOT CALL** the school. Media outlets have also requested that families not call the station to ask if a school closing or delay has been announced.

Possible Announcements:

Late Start (always 2 hours) **Early Out** (time announced) **E-Learning Day** (start time announced) **Closed**

Decisions will be made as soon as possible to avoid any unnecessary travel. The radio station will announce closures either immediately upon notice or during the next break in programming.

If weather worsens during the day, closures will be announced about one hour before dismissal. Parents should ensure someone is home to receive children. Student drivers should head straight home instead of lingering around town.

Parents may pick up children from the Principal's office during a blizzard. If buses cannot run safely, students will stay at school until conditions improve. Children must dress warmly for winter weather in case a bus is delayed or stranded.

When school is closed or on an E-Learning day, all events, practices, and Early Childhood/Family Education activities are postponed or canceled with the exception of Varsity Athletics. Varsity practices may still be held, but rural varsity athletes must have an approved "snow home" in town to attend.
