Greetings MCC Sports Supporters!

Welcome Back! We hope that the first half of 2026 has treated you well! The Rebel Sports Booster Club is again looking to support our student athletes above and beyond what the school can provide. The Rebel Sports Booster projects help strengthen the Murray County Central Schools and the sports activities that allow students to make a stronger connection with academics. ***We hope you are able to join us in these efforts with your support!***

- The Booster Club – numbering over 100 businesses, families, and individuals over the past several school years - is a valuable organization that provides a needed source of financial support. Over the years, the Rebel Sports Boosters have been responsible for many items and projects. Last year during the 25-26 school year, we donated all or partial amounts for the charter bussing to state football, state boys track, and state baseball, the new digital video “Legacy Wall” in the commons area, weight room equipment, hurdles, pole vaults, and starter system for track, new golf trailer, bats for baseball, cheerleading warm up jackets, and extra jerseys, pants, and clinic costs for football. All funds raised go back to the kids and programs at MCC! The 25-26 donation amount totaled \$38,440. The Rebel Sports Booster Club has played a vital role in the success of the programs at MCC and we want to continue that tradition!

Each year, the Rebel Sports Boosters try to purchase items for all sports and rotate which sports are recipients of larger proceeds but also factor in need and coaches’ recommendations.

The MCC Rebel Sports Booster Club offers you, your family, or business the opportunity to be recognized as a Booster Club member by contributing your dollars at the Rudy, Rebel, Purple, Black, or Silver Levels described hereafter. Dollars generated will be used to supplement the aforementioned projects that strengthen MCC Athletic Programs. Thank you for your consideration! ***Deadline to join the MCC Rebel Sports Booster Club for 2026-2027 is September 4, 2026.*** The sports programs will show a listing of booster club members that will be prominently displayed at home contests for fall, winter, and spring sports.

- ❖ Purple Level - \$100
