Motion carried.

VI. Public Comment- Jeremy Trump asked the board why middle school basketball practice was all in one location (Waitsburg) instead of sharing between the two schools. Superintendent Johnson explained that with the high school practice schedule the middle school boys were able to have full use of the Waitsburg gym. Using the gym, which is a full court, instead of the multipurpose room will better accommodate the team. Next year the schedules will be rotated and the middle school boys' basketball will practice in Dayton. Board member White stated the Board would continue to work on issues as they arise and work towards a solution through the combine committee. Mr. Trump also stated there were so many students turned out for middle school boys basketball it would be hard to get all of the athletes playing time and there were not very many C teams at the other schools. Superintendent Johnson urged parents and community members to share their thoughts with the combine committee members so problems or concerns could be addressed through the combine committee meetings so recommendations could be made to each school board for approval.

VII. Reports-

Administrator Reports:

MS/HS Principal- Mrs. Brown submitted an electronic report to the Board.

Superintendent's Report

Website/App Release-Superintendent Johnson reported that the new website and app are in place and functioning. The school website address remains the same (www.daytonsd.org) and the new app for apple and android devices can be found by searching for daytonschooldistrict wa and looking for the bulldog logo. The website

features a “Live Feed” can push out alerts and notices to subscribers. The goal of the new website and app is to improve communication with the public students and parents.
