February 18, 2026

Mr. Jeff Foertsch, Superintendent
Prescott School District
PO Box 65
Prescott, WA 98348

Dear Mr. Foertsch:

The State Auditor's Office accountability audit of Prescott School District for fiscal year 2024 reported staff certification issues. Details of the issues were reported in the enclosed audit memorandum dated February 13, 2026, and require resolution under the Audit Resolution Process, chapter 392-115 WAC.

Staff Certification FY24

The S-275 reporting system did not accurately reflect the staff certification.

The auditor found one teacher did not have a valid certificate in place on the first day of school, September 5, 2023. The renewal was issued September 15, 2023.

Please respond within 30 days stating whether the District concurs with the issues. If you concur, include details of the corrective actions and implementation date to ensure this issue is not repeated. You may email your response to audit.resolution@k12.wa.us.

If you don't concur, you will have an additional 30 days (for a total of 60 days from the date of this letter) to submit the reasons for your nonconcurrence. We will contact the District if other information is needed before we issue a management decision letter. Final determination depends on the success of the District in fulfilling the burden of proof the reported issue was improper pursuant to WAC 392-115-140.

If you have any questions, please contact Debra Crawford at Debbie.crawford@k12.wa.us.

Sincerely,

A handwritten signature in black ink that reads "Jamey Schoeneberg".

Jamey Schoeneberg, Assistant Director
Federal Fiscal Policy and Grants Management
