Dear Dufur Families,

I hope this letter finds you safe and in good health despite much of our community being affected by the Grasshopper Fire. This past month has been busy for me but also very productive. We now have some key positions filled and are close to completing the hiring process for the remaining positions. Angie Davis will be serving as our school principal this year along with Judy Ford who will support our counseling program. We still have some teaching positions to fill but I'm confident that we will have those completed by the end of the week or early next week.

If you have not registered for the upcoming school year, please do so by logging into your ParentVue account to complete the process or go to the Dufur School website for instructions. If you need any assistance with this process, please contact Bonnie Lepinski at 541-298-5141, ext. 2004 for help.

Back to School Night will take place on Wednesday, September 2nd at 5PM. Dufur School students and families are encouraged to attend and food will be provided. More information will be sent out as we approach this date.

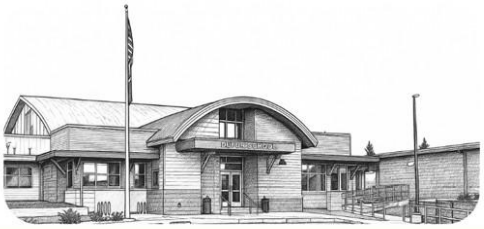

The start of school is still four weeks away. Should our community still be affected by the nearby fire, I can assure you that we will have a contingency plan in place to ensure a smooth start to the school year. We will continue to monitor the situation closely and communicate with families as circumstances develop.

I am very excited to be serving as your Interim Superintendent this year and have enjoyed meeting the members of this community. As long as it is safe to do so, Angie and I will be in the building most weekdays leading up to the start of the school year. If you feel comfortable doing so, please stop by and say hello.

Please stay safe and please don't hesitate to contact me directly with any questions or concerns.

Sincerely,

Kurt Evans, Interim Superintendent
