"Minose" - Good Fortune/Luck
Pronounced: "Min-O-Say"

Aanishinaabe Phrase

Aandego-giizis

March

Joke of the Week

Why should you never start a conversation with Pi?

Because it will go on forever!

Mr. Tidus

Mr. Tidus is a dedicated math teacher here at Mahnomen High School who is known for turning even the most challenging equations into engaging lessons. He has a sharp sense of humor, he helps students build confidence in subjects ranging from algebra to calculus. Mr. Tidus believes that every student can succeed in math with the right guidance and practice, and he often stays after school to offer extra help. His classroom is a place where mistakes are seen as learning opportunities, and where problem solving skills are developed not just for tests, but for life beyond high school.

Senior Spotlight

Ethan Jackson

Ethan is involved in basketball, football, track, Indigenous youth council (treasurer), Student council (secretary), FFA (secretary), and National Honor Society. His plans after high school are to go to college to become a dentist and start his own business. His dream is to become a dentist, have kids, buy a house, and a wife.

Alex Tibbetts

Alex is involved in FFA, Indigenous Youth Council, and explorers program. In her free time she likes to bead, drive around, shop, and hangout with friends and family. After graduation she plans on going to college to major in social work, find a nice job, move somewhere nice and travel the world.
