FAREWELL

As we, the seniors of 1962, now look back on our four years of high school, we want to remind the future seniors that "these are the best days". The days we will always remember with deep feeling and affection. These are the days filled with learning--not just factual but life. We have learned how to work together and accomplish our goal.

Now we extend our appreciation to the principal, faculty, and our parents for their guidance, patience, kindness, love, and sympathy in truly making these THE BEST YEARS.
