WINTER SNOW ROUTES 2026 - 2027

To: **White Pass School District Parents and Guardians**
From: **Shane Dotson**, Transportation Supervisor, Mark Westley Superintendent

To clarify questions about school buses and routes during bad weather, we are sending this notice home with students and posting it on our District Website and social media. **Our goal is to hold school whenever it is safe to do so. If a day is missed, we must make up that time. However, safety remains our top priority, and if the Superintendent, our drivers, and I agree that conditions are unsafe, we will not run the buses.**

If school is closed or starts late, we will share that information as soon as a decision is made. Parents and guardians will be notified via local radio and TV stations, our District Emergency Calling System, text messages, phone calls, emails, push notifications, our website, and social media.

If you do not see or hear about a White Pass School District closure or late start through any method, assume school will operate normally with buses on regular routes.

We will run WINTER ROUTES only when necessary. Winter Routes will be for the entire day (Am and PM). Students will meet the buses according to this schedule when that happens.
