Program Description

Nestled in a unique and picturesque setting, Summit School offers a distinct independent study experience. Here, students and parents work together with dedicated teacher-advisors to curate a personalized educational palette—blending traditional textbooks, dynamic online programs, and/or hands-on, project-based learning. To complement this flexible approach, we offer optional, enrichment in-person workshops twice a week.

Curriculum

Texts:

Saxon Math
Journeys
Studies
Weekly
StudySync

Project Based Learning:

Various Options created with Teacher

Online Programs:

Edgenuity
Lexia
IXL Math
Zearn

CTEIG

Summit Workshop Schedule

Workshop Schedule (link)

We follow the AB 130 Law for independent schools and offer optional in-person workshops for students twice a week. These **optional workshops** provide social peer interaction, enrichment activities, and key California power standards check-ins by your assigned Summit Teacher-advisor.

Most students attend twice a week and are offered a breakfast and lunch.

Some students work only from on-line.

Minimum- submit work samples every 20 days

AB 130

Law

A unique partnership

Rock Tree Sky

Enrichment Program

Through a partnership with OUSD, Summit students can participate in enrichment and extension activities at Rock Tree Sky two half-days per week (OUSD pays for one full day). Families also have the option to enroll in RTS for additional days at their own expense.
