Memorial School Weekly Newsletter

JUNE 4, 2026

Hello Memorial Community

Welcome to this week's edition of the Memorial Newsletter! We're excited to share the latest happenings and updates from our school community to keep you informed and engaged.

School News & Updates

Field Day

What an amazing day we had for Field Day! Thank you to Mrs. Gelinas and Mr. Kelly for planning and facilitating the event. Thank you to all of our parent volunteers and staff for their help and thank you to the Dale Street students and staff who volunteered to help out at our stations. I would also like to thank the Memorial PTO for bringing Ritchie's Italian Ice to all of our Memorial students and staff. We had so much fun!

Transition Day

On Wednesday, June 17th, current K & 1 students will participate in Transition Day activities in the morning. Students in kindergarten will meet their new first grade teacher and classmates and Grade One children will visit the Wheelock School to meet with their new Grade Two teacher and classmates. Families will receive a message via Parent Square from your child(ren)'s new teacher later that afternoon.

Families of Incoming PreK and K students will receive a message from their child(ren)'s new teacher on Thursday, June 18th following dismissal.

From the Library

We are excited to collaborate with the Medfield Public Library for summer reading for grades preK-5 this year! Participation is optional, but we encourage all students to continue reading throughout the summer. Families are invited to visit the public library **website** for details. A paper with more information will come home in students' folders in the coming days. Happy reading!

We are so grateful to all the volunteers who have helped us in the library this year. Thank you for giving your time and help!

All student library books are due back by Friday, June 5th. Please contact Anne Farrahar if you have any questions about your student's library record. Thank you!

School Supply Kits - 2026/2027

The Medfield PTO is partnering with 1st Day School Supplies to get all your supplies for your student for next school year. The link below will take you to the Memorial School ordering page where you can select the kit that applies to your child. The preschool and kindergarten teachers have made these lists to help make it easier for you to gather all the supplies that your child will need for the start of the upcoming school year. These are all name brand supplies and will be packaged individually for your student. Your child's kit will be shipped directly to the school and ready for your child on their first day. A portion of the proceeds supports PTO programs throughout the year!

Please note that even if your child will be in a preschool classroom at Wheelock next year, you will still use the link for Memorial. We will make sure all those kits are delivered to Wheelock prior to the start of the school year. If you would like to order a kit, please use this link!

Specialist Spotlight from PE & Wellness

Hello Memorial Families,

Another Field Day is in the books, and what a success it was!

We are so proud of all of our students who did such an awesome job at field day today! From hopping their hearts out in the classic sack race and the always-entertaining Hippity Hop Relay to showing off their accuracy in the Fox Tail Toss and Bean Bag Toss, there was no shortage of excitement throughout the day.

Our students demonstrated outstanding sportsmanship and teamwork and really focused on having FUN with their classmates.
On a hot June day, Drip Drip Drop was a refreshing favorite, and of course, no Field Day would be complete without the crowd-pleasing Slap the Cheese!

A special thank you goes out to all of our staff, volunteers and supporters. Your time, energy, and enthusiasm helped make the day run smoothly and created a fun-filled, memorable experience for our students. We truly appreciate everything you did to make Field Day such a wonderful event.

Thank you for helping make it a day to remember!

Mrs. Gelinas and Mr. Kelly
