Memorial School Weekly Newsletter

JUNE 11, 2026

Hello Memorial Community

Welcome to this week's edition of the Memorial Newsletter! We're excited to share the latest happenings and updates from our school community to keep you informed and engaged.

School News & Updates

Creature Feature

On Monday, Kindergarten and Grade One classrooms will be visited by students from Blake Middle School for the annual Creature Feature presentations. Middle school students will present their creature projects to our student and teachers. We are excited to partner with Blake students and staff and look forward to see the results of all of their hard work!

Grade One (Surprise) Celebration

On Tuesday afternoon, our Grade One students will attend a special year end celebration; enjoying a shaved ice treat from the Kona Ice Truck and a DJ dance party thanks to the Memorial PTO. Thank you to our PTO for sponsoring this event for our first graders who have worked so hard throughout their time at Memorial!

Transition Day

On Wednesday, June 17th, current K & 1 students will participate in Transition Day activities in the morning. Students in kindergarten will meet their new first grade teacher and classmates and Grade One children will visit the Wheelock School to meet with their new Grade Two teacher and classmates. Families will receive a message via Parent Square from your child(ren)'s new teacher later that afternoon.

Families of Incoming PreK and K students will receive a message from their child(ren)'s new teacher on Thursday, June 18th following dismissal.

End of the Year Literacy Update

Please be on the lookout for your student's end of year DIBELS results. Results will be sent home Monday, June 15. As a reminder, the beginning and middle of the year screening results were shared with you during the fall and spring conferences.

If you're looking for additional information about this assessment, please check out the previously shared resources below:

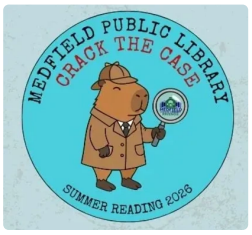

- **Memorial Screening Letter**
- **Literacy screening video**

Lastly, as this year comes to a close, we want to remind you that reading and writing doesn't have to! We encourage your family to create a summer schedule that allows for reading and writing to be part of your daily routine. Please visit our **Summer Literacy Website** where you can find a plethora of curated resources to support you and your family of readers all summer long!

Report Cards

Term 3 report cards will be available for viewing via Aspen in the afternoon on Thursday, June 18th.

From the Library

We are excited to collaborate with the Medfield Public Library for summer reading for grades preK-5 this year! Participation is optional, but we encourage all students to continue reading throughout the summer. Families are invited to visit the public library **website** for details. A paper with more information will come home in students' folders in the coming days. Happy reading!

We are so grateful to all the volunteers who have helped us in the library this year. Thank you for giving your time and help!

All student library books are due back at this time. Please contact Anne Farrahar if you have any questions about your student's library record. Thank you!

School Supply Kits - 2026/2027

The Medfield PTO is partnering with 1st Day School Supplies to get all your supplies for your student for next school year. The link below will take you to the Memorial School ordering page where you can select the kit that applies to your child. The preschool and kindergarten teachers have made these lists to help make it easier for you to gather all the supplies that your child will need for the start of the upcoming school year. These are all name brand supplies and will be packaged individually for your student. Your child's kit will be shipped directly to the school and ready for your child on their first day. A portion of the proceeds supports PTO programs throughout the year!

Please note that even if your child will be in a preschool classroom at Wheelock next year, you will still use the link for Memorial. We will make sure all those kits are delivered to Wheelock prior to the start of the school year. If you would like to order a kit, please use this link!

Important Reminders

EOY Events

The months of May and June are filled with many special events for students and families. Please mark your calendars for these events and continue to check back as more information becomes available. Also, please note that classroom teachers will be reaching out to families with information regarding classroom specific events.

June 17th - Transition Day
June 18th - Last Day of School (Early Release)

Specialist Spotlight from Art

Hello Memorial Families,

Thank you so very much for such a wonderful turnout at this year's Art Show! Your artists were so proud to show off their hard work and to see their friends here at school outside of our typical school day. A huge thank you to all those parents who generously offered their time, effort and creativity to help put the show together and take it down.

This week and next week, all K & Grade 1 students will be bringing their portfolios home to keep! Please set aside a few minutes to look through your child's artwork with them. These artists have worked incredibly hard this year and are so excited to show you what they've learned!

Our final projects in the Art room will be textured monsters in Kindergarten and some mini museums in both K & Grade 1.

Have a wonderful summer, please feel free to send along any artistic creations that your child is excited about! We would love to see what they are working on!

Happy Creating!
Tricia Foley

Lost and Found

Please note all unclaimed items will be donated to charity on Thursday, June 18th.

If your child has lost an item you can visit our Virtual Lost and Found to see if it's been turned into the office and claim any of your items!

Click **here** to see a video of our lost and found items as of June 11, 2026.

You can also check out these links for videos of lost and found items from prior weeks:

- Lost and found items for the week of **June 4, 2026.**
- Lost and found items for the week of **May 28, 2026**
- Lost and found items for the week of **May 21, 2026**
- Lost and found items for the week of **May 14, 2026.**
- Lost and found items for the week of **May 7, 2026.**
- Lost and found items for the week of **April 30, 2026**

If you see any item(s) from the videos that belong to your family, please fill out the attached **Lost & Found Claim Form.** Once the form is submitted we will make sure the item is returned to you.

We strongly encourage labeling your child's items as it helps us to quickly return coats, hats, mittens, sweatshirts and water bottles to their rightful owner. Thank you!

Notes From The Nurse

Check out Mrs. Maguire's **June** Newsletter!
