Hello Memorial Community

Welcome to this week's edition of the Memorial Newsletter! We're excited to share the latest happenings and updates from our school community to keep you informed and engaged.

School News & Updates

End of the Year Reflections...

We have certainly had "all of the feels" this past week as we approach the end of the school year. Sadness as we prepare to say farewell to current students and families, excitement for all that is to come in the new year, and gratitude for being so fortunate to work with the amazing students and families of the Memorial community.

On Tuesday, we had our end of the year Grade One celebration. Our exceptional PTO provided a DJ team and a Kona Ice Truck and students and staff (along with our volunteers) enjoyed a gorgeous afternoon of dancing and a cool treat. It truly could not have been a more perfect way to celebrate the kids' hard work during their time at Memorial.

Meanwhile, our preschool students participated in Bike Day and their end-of-year parties to celebrate the conclusion of an amazing year. We are so proud of all the different ways in which they have grown!

On Wednesday, our current Kindergarten students met their new teachers/classmates and our current Grade One students moved up to Wheelock to see their new school and meet their new teachers/classmates. Incoming K students will be meeting their new teachers in the fall, but can get a head-start by introducing themselves on a padlet that will be shared on Thursday afternoon. Incoming PreK families should be on the lookout for an email sharing the name of their new teacher and important dates for preschool orientation.

On behalf of the Memorial Staff, I would like to thank all of our families for sharing your children with us each day and for partnering with us as your children grow and learn. We wish you all a safe, happy and healthy summer break. For those moving on from Memorial, you will be missed. For those who will be returning, we can't wait to see you in a couple of months! This is an amazing community and we are so thankful for each and every one of you! Happy Summer!

Report Cards

Term 3 report cards will be available for viewing via Aspen in the afternoon on Thursday, June 18th.

From the Library

All Medfield families are invited to participate in the Medfield Public Library's summer reading program! More information can be found at the library's **website** or in the video linked **here**. This program is optional, completely free, and for all types of readers. Happy reading!

School Supply Kits - 2026/2027

The Medfield PTO is partnering with 1st Day School Supplies to get all your supplies for your student for next school year. The link below will take you to the Memorial School ordering page where you can select the kit that applies to your child. The preschool and kindergarten teachers have made these lists to help make it easier for you to gather all the supplies that your child will need for the start of the upcoming school year. These are all name brand supplies and will be packaged individually for your student. Your child's kit will be shipped directly to the school and ready for your child on their first day. A portion of the proceeds supports PTO programs throughout the year!

Please note that even if your child will be in a preschool classroom at Wheelock next year, you will still use the link for Memorial. We will make sure all those kits are delivered to Wheelock prior to the start of the school year. If you would like to order a kit, please use this link!

MCPE, PTO & SEPAC News

PTO:

Thank You, Memorial Families!

As the school year comes to a close, we'd like to thank all of our Memorial families for your support of the PTO. Whether you volunteered your time, donated to fundraisers, attended events, or helped in any way, your contributions made a difference.

We are grateful for your generosity and partnership in helping make this a great year for our students, staff, and school community. Have a wonderful summer!
