Barry Jacks,
Interim Principal

The Mission of Long Cane Primary School is to provide an environment for students to embark on on their educational journey where they have a desire to learn and feel safe, valued, and loved.

A MESSAGE FROM THE PRINCIPAL

Dear Families,
As we approach the end of another wonderful school year, I want to take a moment to thank you for your continued support, partnership, and trust. It has been a joy to watch our students learn, grow, and achieve so much throughout the year.

Your involvement and encouragement have made a meaningful difference in our school community. Together, we have created a positive and nurturing environment where our students can thrive.

We are proud of all that has been accomplished and are already looking forward to another great year ahead under the leadership of Ongela Nance, Principal, and Hanna West, Assistant Principal. Thank you for being such an important part of our school family.

Wishing you a safe, restful, and enjoyable summer!

Sincerely,
Barry Jacks

SPRING MAP DATA

NWEA MAP (Measures of Academic Progress) is a computer-based assessment that measures your child's academic growth in reading and math. It adapts to your child's responses, providing questions that match their learning level so we can better understand what they know and what they are ready to learn next. Students take the MAP test three times a year—fall, winter, and spring—to track progress over time and help teachers plan instruction that meets each child's needs. **The scores below are the mean scores for each grade level, all of which are higher than the achievement norms set by NWEA!**

Math

K5-162.7

1st-180.2

2nd-187.9

Reading

K5-156.9

1st-174.7

2nd-187
