Due to excellent parent participation in our school fundraisers this year, all cap and gowns will be purchased by the school!

- Please have your child dressed in his or her cap and gown and drop them off with staff members at the side **door** of the Clough Street parking area 30 minutes prior to their graduation ceremony. We will begin each ceremony promptly at the scheduled time.
- **Each student will receive only four tickets. Please come between 2:30pm-4:00pm on Wednesday, April 29, 2026 to pick up your tickets and your child's cap and gown.**
- Please know that you will need to be able to attend the ceremony and be able to take your child home afterwards.
- Please be aware that there will be other graduation ceremonies in progress. After dropping off your child 30 minutes prior to your time, you may have to wait 10-15 minutes before entering the building.
- NO food, drinks, flowers, balloons, or stuffed animals inside the cafeteria.
- As you exit after the ceremony, please be aware that there will be a photo opportunity in the lobby. If you wish to have a photo taken, please form a line, take a photo, and exit through the front lobby doors.
- Please note that the cap and gown color will be green this year.
