Little Gators' News

The month of January was cold and wonderful. We introduced the themes Winter, Traditional Fairy Tales, and Bakery. Please continue to review rhyming, sorting, and patterning skills. Also continue working on letter, sound, and number recognition.

During the month of February, we will learn all about Valentines and Transportation. For example, the way we travel: land, air, and water. We will be reviewing all letters, sounds, and numbers.

The students are really enjoying our Heggerty Curriculum and the motions that follow along with it!
