

This Week With The **WILDCATS**

Week of October 19- October 23

A Note From Ms. Marshall, Executive Director

Dear Wildcat Family,

We are officially in the 2nd weeks of school. Report cards will be sent home with students on Tuesday this week. Please encourage your child to continue to strive for success in all their classes, and in areas where they struggle, to seek additional assistance from their teacher. You are also welcome to reach out to your child's teachers for conversation on how to best support your child. Our partnership is vital to student success.

With Wildcat Pride,

Kriss Marshall, Executive Director of Middle School Improvement

This Week With The WILDCATS

Week of October 19- October 23

Special Event

Introducing the Wildcat Cup! In each grade level, a contest will be held for the student team that has the best behavior over the next month. Those students will be celebrated with the Wildcat Cup and will get extra free time during advisory. We look forward to celebrating student positive behavior!

NORTH LITTLE ROCK MIDDLE SCHOOL
THE WILDCAT CUP
BEST TEAM BEHAVIOR CONTEST

DATES: October 19 – November 13, 2026
MECHANICS: 1 Major Referral: 1 Point
Goal: Lowest Score Wins

SCORING: Divide the number of Major Referrals by the total number of students per team x 100.

BOUNCE BACK: (PBIS Subtractions)
If a student receives 1 referral, but then does not receive anymore referrals for a 4-week period after that and earns a certain number of PBIS points, they may earn their way back into the incentive.

TIER PROTECTION:
Cap individual student major referral contributions at 2 points, so a single high-needs student cannot eliminate an entire team from competing.

NO GO:
• If a student receives 1 referral and doesn't earn enough points to make it back to the incentives.
• If a student receives 2 or more referrals, they are automatically eliminated.

THE PRIZE/INCENTIVE:
• Your team gets the Wildcat Cup Trophy.
• Winning Team gets time outside during Advisory one day the Week of November 16; Admin will monitor so that teachers on the winning team have an extra 30 minutes prep time.
