TRANSPORTATION

Gabe Jaramillo, Transportation Coordinator

THE SCHOOL OFFICE NEEDS TO BE NOTIFIED OF ANY TRANSPORTATION CHANGE BY 2:00 PM.

Transportation for Open Enrollment Families:

Due to state laws and no longer having transportation agreements in place with other local school districts, we do not provide direct transportation services for open-enrolled students that reside outside the district boundaries and are not already within our board-approved routes.

Please click [HERE](#) for information on our Group Stop Sign up and its location. For all transportation questions or further clarification, please feel free to contact Gabe directly: gjaramillo@pettisvilleschools.org or 419-446-2705.

BUS SAFETY RULES: School transportation is a privilege.

The bus driver is the sole authority on the bus while students are being transported.

- **NEVER** run to catch a bus, especially from behind or from a vehicle that has pulled up behind the bus.
- Follow directions the first time they are given.
- Stay in the seat with feet on the floor.
- Hands and feet kept to self.
- No loud talking, noise, profanity, or abusive language (silence at RR crossings).
- No eating or drinking.
- Do not litter, write on, or damage the bus.

BUS PICK-UP & DROP-OFF:

We consider it an honor to transport your kids to and from school. We have a dedicated group of bus drivers who train every year for their bus routes to be successful. We do ask for your help with keeping bus route changes to a minimum. We will continue to be as cooperative as possible, but may need to deny or delay some requests due to the safety of all students.

BUS RIDERS: Non-routine bus riders must have pre-approved permission to get off/on a bus. All students (PreK-12) must have a note dated and signed by a guardian, or a phone call made to the school office if their regular transportation routine is changed. Otherwise, the student will be required to follow their normal day-to-day transportation schedule. No calls or texts to students will be accepted for a change of transportation. All communication must go through the school office.

Visit the [Transportation webpage](#) for additional information.

STUDENT PICK-UP / DROP OFF PROCEDURES

PLEASE DO NOT ENTER THE BUILDING DURING STUDENT DROP-OFF OR PICK-UP.

STUDENT DROP-OFF & PICK-UP GRADES PK-2: Parents may drop off students in the morning and pick-up after school in the area marked in blue (North of the school).

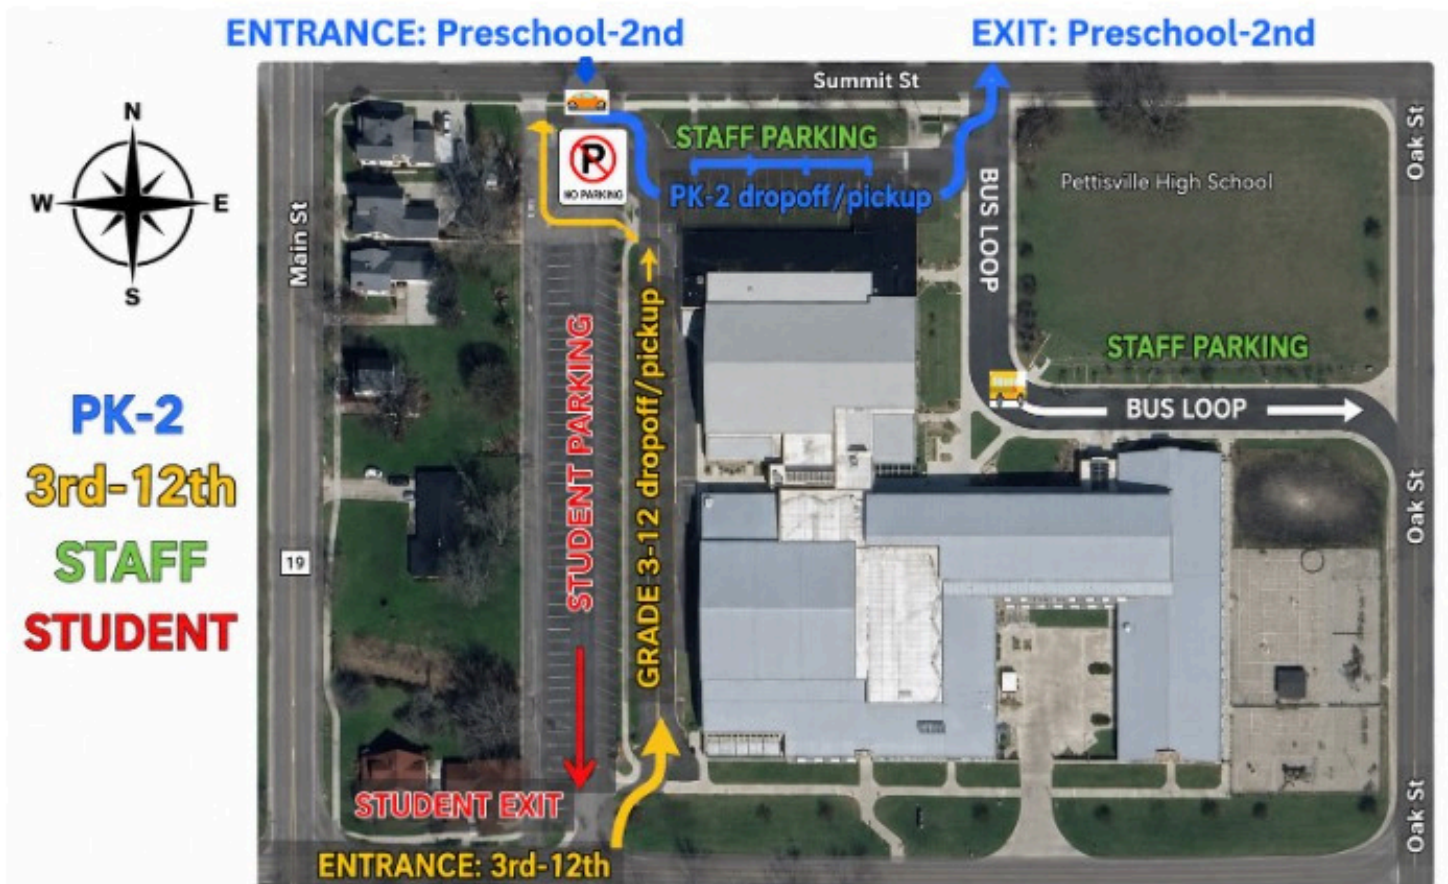

- Enter from Summit Street and proceed to Door #21.
- Exit to the North on Summit Street (avoiding the bus loop).
- There will be two lanes. Both lanes are open for everyone to use.
- Preschoolers will be picked up at the front of the line.
- Please do not exit your vehicle while in line.
- Please park in the spaces perpendicular to Summit Street if you need to exit your vehicle.

STUDENT DROP-OFF & PICK-UP GRADES 3-12: Parents may drop off students in the morning and pick up after school in the multi-level "West Lot" located West of the building.

- Enter from County Road D and drive up the ramp.
- Drop students off at the Atrium Entrance.
- Exit to the North on Summit Street.

If you have a younger student (PK-2) AND an older student, please pick up ALL children at the preschool pickup/drop-off area (Door #21).

Students should not be picked up in the bus loop. As you wait for your child, please be cautious not to hinder traffic flow. Please do not park near the cemetery or other areas.

ELEMENTARY OPEN HOUSE

TUESDAY, AUGUST 18 from 6:00 - 7:00 PM

ELEMENTARY SUPPLY LIST

Welcome Back! As we begin a new school year at Pettisville Elementary, we are filled with excitement and optimism for the opportunities that lie ahead. Each year brings new experiences, meaningful relationships, and countless opportunities for students to learn, grow, and succeed. Our goal is to nurture students who are curious in their learning, confident in their abilities even if they make a mistake, and caring in their interactions with others. By working together as students, families, and staff, we create a supportive school community where every child is encouraged to explore new ideas, take on challenges, and demonstrate kindness and respect. We look forward to a year filled with growth, perseverance, and achievement as we help each student develop the skills and character needed to thrive.

A big Blackbird welcome to our 'New in the Nest' elementary staff: Mrs. Yeager (2nd), Mrs. Rufenacht (3rd), Mr. Steele (Music), Mrs. Semer (Speech), and Mr. King (STEAM).

BECOME A MENTOR – Make a Difference!

Do you have 30 minutes a week to make a lasting impact? We're looking for caring adult volunteers to support elementary students in a variety of subject areas. Your time and encouragement can make a real difference in a child's learning journey. If you're interested in becoming a mentor, please contact our program director, Mrs. Mary Sauder, at 419-446-2705. *All mentors are required to complete a background check.*

VISITORS: All visitors must check in at the main office upon entering the building to sign in and receive a visitor badge. All visitors and chaperones are required to present a valid driver's license or state-issued ID. IDs will be processed through our state background check system before access is granted.

ELEMENTARY TESTING: Please try not to schedule absences on these dates.

October 27-28 - Grade 3 ELA Part 1 & 2

April 6-7 - Grades 3-8 ELA I & II

April 20-21 - Grades 3-6 Math I & II

April 27 - 5th Science

ELEMENTARY CLASS ROSTERS

MEDICATION: Students requiring medicine prescribed by a doctor should turn in a completed Medication Administration Form with the child's name, medication (in its original container) to be dispensed, amount of dosage, time to be administered, and the doctor's signature. Office personnel cannot administer any type of medication to students without parental permission. MEDICAL FORM

PETTISVILLE ELEMENTARY REMINDERS

NOTES FOR GOING ALTERNATE PLACES AFTER SCHOOL:

Any student going to another student's home or an event such as Girl Scouts must have a note from a parent. This note must be given to **both** the classroom teacher and the bus driver if the bus is used. Students without a note will not be allowed to go to another location unless contact is made with the parent to verify permission.

Families are encouraged to establish consistent after-school transportation and childcare arrangements. Regularly changing a student's after-school destination can create confusion and increase the risk of communication errors. For students attending recurring activities or going to the same alternate location on a regular schedule, one note listing the days and times of the arrangement is sufficient and preferred. Frequent changes to after-school plans should be limited.

PLAYGROUND: Students are not permitted to remain after school to use the playground unless they are participating in a school-sponsored activity under the direct supervision of school personnel. Students who are not involved in a supervised school activity must leave school grounds at dismissal and follow their normal transportation arrangements.

SCHOOL PARTIES: Several school-wide parties are planned for the students during the school year. Birthday treats are permissible; please communicate with the classroom teacher. Keep in mind that some children are sensitive to certain foods. It is highly suggested to use prepackaged food, due to food allergies.

GRADING SCALE: In 2024, the elementary school implemented a grading scale to coincide with the JH/HS. Grades 4-6 will use it along with standards-based grading. Grades K-3 will continue to use standards-based grading.

A = 100-92.50 A- = 92.49-89.50 B+ = 89.49 - 86.50 B = 86.49-82.50
 B- = 82.49 - 79.50 C+ = 79.49 - 76.50 C = 76.49 - 72.50 C- = 72.49-69.50
 D+ = 69.49 - 66.50 D = 66.49 - 62.50 D- = 62.49 - 59.50 F = 59.49 & below

ANIMALS IN SCHOOL: Students should obtain prior permission from their classroom teacher and/or principal before bringing animals to school for educational purposes. Before granting permission, teachers should check with the school nurse about any known student allergies in the classroom. Parents, please refrain from bringing personal pets into the buildings.

BOX TOPS FOR EDUCATION: Box Tops have been replaced by scanning paper grocery receipts through the Box Top app. Make sure to scan in receipts within 14 days of purchase to credit the Pettisville Elementary School account. You can also link your online/pickup account.

SPECIAL EDUCATION/ TITLE 9: For more information, visit the [Legal Notice webpage](#).
