HOMECOMING WEEK

GO STORM!

Bureau Valley Walnut Elementary Classroom Highlights

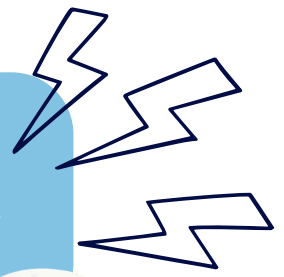

The BV Walnut preschool classes and their family members enjoyed a field trip to Tanner's Orchard, on Thursday, September 24th. The children met a menagerie of animals. Everyone enjoyed a bumpy tractor drawn hayrack ride through the orchard. Other entertaining activities were an outdoor play area, photo ops, a big old hill to run up and down (maybe a few rolls down), a straw maze, and some made the trip though the goodies inside. Each child and adult left with 2 apples each and fun memories.

Thank you to Tanners for the apple donuts and apple cider!

Bureau Valley Walnut Elementary Classroom Highlights

For the last two weeks, Mrs. Henegar's social studies classes have been learning about the three branches of government, public office, how bills become laws, and what it takes to amend a current law. Students got the chance to write their own bills and amendments for the laws (rules) we have here at school. We compiled them, had a brief debate, and held a vote with students acting as congress. Students enjoyed learning about government while also having their voices heard on school matters.
