Bureau Valley Walnut Elementary

Classroom Highlights

3RD
MRS. KRUG

Students in Mrs. Krug's 3rd grade class are learning their math facts! They are doing great, learning how multiplication and division are related. They play games like Garbage, Shut-the-Box, Flip-it & Times-It, and much more! They have learned how to use arrays and equal groups to find missing numbers in equations. Math is so fun!

MATH

Bureau Valley Walnut Elementary

Classroom Highlights

MISC

These students had a spooktacular time creating descriptive paragraphs imagining what would happen if their teacher turned into a witch or Frankenstein! They did a fantastic job adding adjectives to each sentence to make their stories more detailed, creative, and interesting. We are so proud of their hard work and imagination. Great job, everyone!

Bureau Valley Walnut Elementary

It's getting chilly outside!
We'll still be outside for recess - dress in layers!
