Classroom Highlights

STUDENT SERVICES

The school year is officially underway, and it has been wonderful getting to know new faces and seeing so many familiar smiles! Our younger students have been learning about Mrs. Kruse's role and the many ways she can help when they are feeling worried, sad, frustrated, or simply need someone to talk to. We are looking forward to a great year filled with learning, growing, kindness, and connection. Wrigley, Mrs. Kruse's friendly school therapy dog, is also excited for another great year and can't wait to wag her tail through the halls and visit her friends at BV Walnut!

Classroom Highlights

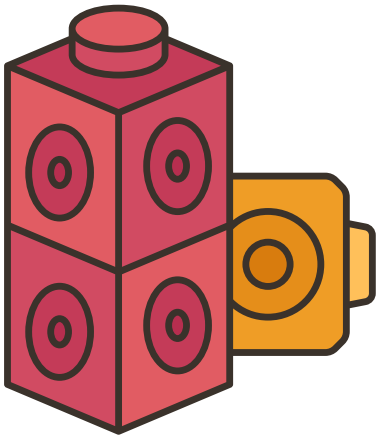

THUNDER

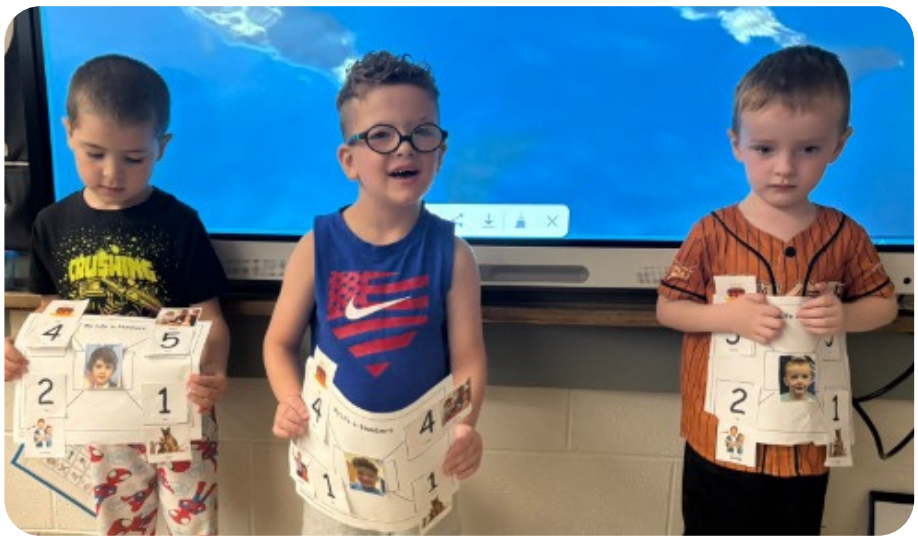

PRE K

The Thunder Classroom learned all about our friends using numbers! We explored everyone's ages and learned about their families, siblings, and pets. We had so much fun discovering how numbers can help us learn more about each other. We love learning about numbers!
