- 9 Report Cards Sent Home
- 19 **NO SCHOOL - Martin Luther King Day**

Don't forget your coats, gloves and hats! It's that time of year. Students will go outside for recess as long as the feel like temperature is 20 degrees and up!

In honor of Breast Cancer Awareness Month, Grady Gustafson helped his mom, Dana, who is undergoing breast cancer treatment, speak to our students about how breast cancer affects individuals but brings us all together. Students heard how community, family, friends and health all connect while going through that journey. We appreciate Dana and Grady sharing their experience to bring awareness to us all.

CLASSROOM HIGHLIGHTS

1st Grade
Mrs. Rattliff

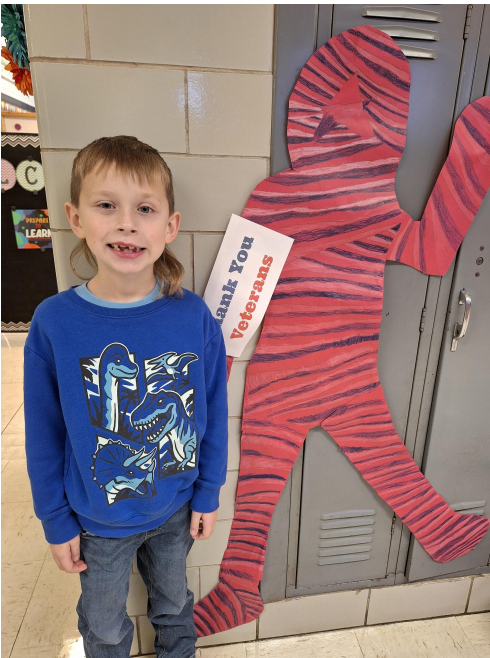

We have had such a busy month in science this month with melting crayons on pumpkins and a scavenger hunt on a beautiful fall day. We also had a great time dressing up for Halloween and walking to the nursing home. We can't wait to see what November has in store for us!!

CLASSROOM HIGHLIGHTS

Art
Mrs. Berry

The students of Bureau Valley Walnut have been busy decorating the halls for Veterans Day. First grade made poppies, second grade created Keith Haring self portraits, and fifth grade drew op art describing the Veterans.

Big News in 5th Grade!

By Clara Miller

5th grade did an experiment in Science. They had two plants - one with worms and the other with no worms and so far, the one with worms has grown so much! The one without worms is still so tiny! They do the same thing to each plant - they water it the same and they rotate it the same way. So they have learned the worms are very helpful to plants!

VETERANS DAY

CELEBRATION

**BUREAU VALLEY WALNUT
ELEMENTARY**

10:00 AM IN THE GYMNASIUM
