

Kindergarten Pre-Registration Set for Bureau Valley Schools

Bureau Valley CUSD #340 has set the week of February 23- February 27, 2026 for Kindergarten Pre-Registration at Bureau Valley Elementary buildings in Walnut and Wyanet. Parents may pre-register their child at **the attendance center their child will attend**. You may pre-register between the hours of 8:30 a.m. to 2:00 p.m. Monday-Friday. Children who will be five years old on or before September 1st will be eligible to attend kindergarten in the fall. *The pre-registration process is very simple and only takes a few minutes for parents to complete. Children are not required to attend the registration process.* Incoming kindergarten students will be able to meet their teachers and see their classroom at a Meet 'n Greet in August.

Parents will be required to present proof of age (**certified** copy of birth certificate) at the time of pre-registration. A certified copy of a birth certificate may be acquired at the courthouse in the county in which the child was born. Parents will also be required to present proof of residency. Please provide the most recent real estate tax bill, mortgage papers, signed lease, closing statement for the purchase of your residence, current gas bill, current electric bill, current water bill, valid government issued ID with current address, or Public Aid card with current address.

A packet will be issued to parents containing some registration paperwork, a health form, dental form, lead screening verification, vision exam form and some informational sheets. All registration paperwork will need to be completed and turned in the week of February 23-27. All health, dental, and vision forms are due at registration in the summer. *No fees will be collected until registration in the summer.*

Kindergarten pre-registration allows the schools to have an idea of the number of kindergartners to expect next school year so that a sufficient amount of supplies and books can be ordered for our students. Parents who are unable to pre-register their child during the scheduled times are asked to call the office to inform the school of their intent to send a child to kindergarten. Parents will need to attend the K-12 registration in the summer or if packet information has been received will be able to finish registration online.
