Superintendent's Message

Mr. Dale Martin

Our district recently received results on AQuESTT, which stands for Accountability for a Quality Education System Today & Tomorrow.

AQuESTT, allows schools to focus on educational equity for their students, ensuring all students across backgrounds and circumstances have access and opportunities for success. AQuESTT annually classifies schools and districts as excellent, great, good, or needs improvement.

A breakdown of classifications indicated that 327 (29.8 percent) of schools were classified as Excellent, 393 (35.9 percent) were Great, 293 (26.7 percent) were Good, and 83 (7.6 percent) were designated as Needs Support to Improve. This is an increase of 38 (3.5 percent) schools in the highest two classification levels from 2024. 81 school classifications were positively impacted by a reduction in chronic absenteeism.

Emerson-Hubbard Community Schools is classified as "Great`" overall. The state further classifies each school into separate grade level designations. Classifications for these are Emerson-Hubbard High School - Great, Emerson-Hubbard Middle School - Great, and Emerson-Hubbard Elementary - Great.

Nebraska Student-Centered Assessment System (NSCAS) results were also recently released. NSCAS English Language Arts (ELA) and NSCAS Mathematics, rigorous assessments with high expectations for college and career readiness, were given in grades three through eight, and the NSCAS Science assessment was given in grades five and eight. In Nebraska, juniors take the ACT assessment. Nebraska students continue to show growth and improvement across grade levels.

March Calendar Update

Emerson-Hubbard MS/HS is the site for the 2026 Lewis & Clark Conference Speech Meet. Due to the resources necessary to successfully run Conference Speech there will be **NO SCHOOL at the MS/HS on Monday, March 9th, 2026.**

If you have any questions please direct them to the MS/HS front office.

With winter weather upon us, if there is a late start or cancellation, a phone call and/or text message be sent out when the decision is made along with posting on our school website and social media. If school is dismissed early, a call/text will be sent as soon as the decision is made.
Information regarding changes can also be accessed on the district website, the district mobile app, on district social media pages, and local radio and TV news stations.

AQuESTT

The following are among the key findings from this year's NSCAS:

● 80% of Nebraska students in grades 5 and 8 were proficient on the NSCAS Science assessment (performing at the On Track or Advanced level). This is a six-point improvement from last year.

● 59% of Nebraska students in grades 3-8 were considered proficient in English Language Arts.

● 58% of Nebraska students in grades 3-8 were proficient in Math.

●At the high school level, Nebraska's juniors were 43% proficient in ELA, 41% in Math, and 48% in Science.

Our district had the following results. In grades 3-8 on the NSCAS English Language Arts (ELA), we had 67% of our students achieve proficiency. This was similar to the previous year's proficiency of 68%. The state average is 59% proficiency. In Math our students scored at 76% proficiency. Our previous year's proficiency was 70%. The state average is 58%. On the grades 5-8 NSCAS Science assessments our district had a 77% proficiency as compared to our previous proficiency of 71%. The state average is 80%.

The 11th graders took the NSCAS ACT as their state assessment. In ELA they scored at 44% proficiency. In Math they were at 44% proficiency, and in Science they were at 55% proficiency. State averages for 11th grade were ELA-43%, Math-41%, and Science-48%.

Life of An Athlete - Human Performance Project

GET GOOD SLEEP.

Healthy sleep habits are tied directly to a child's academic success.

Did you know that kids 6 to 12 years old should be getting 9 to 12 hours of sleep a night, and older kids aged 13 to 18 should be getting 8 to 10 hours of sleep each night?

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Dear Families,
Happy New Year, and welcome back! We are excited to begin the second semester and appreciate your support as we help students re-establish routines and continue building momentum for the remainder of the school year as we look toward warmer weather and the business Spring will soon bring.

Activities & Athletics
Winter activities remain in full swing. Our high school basketball and wrestling teams continue their seasons, and middle school competitions will quickly begin again. We are proud of our students' commitment and sportsmanship and thank our families and community members for their continued support at events. Go Pack!

Academic Focus
January is an important month for refocusing on learning goals and expectations:

- Teachers will be reviewing academic progress and setting targets with students as we begin the second semester to continue forward progress to student success.
- Students are encouraged to maintain strong attendance and consistent study habits, as this time of year often sets the tone for spring success.
- Similar to the first semester, if students would like schedule changes they need to speak with Mrs. Ahlers and Mr. Biere within the first week of the semester beginning to explore options.

Juniors and ACT Preparation:
Juniors should continue preparing for the ACT. We encourage students to use available practice resources and reach out to counselors with questions regarding testing, post-secondary planning, or course selections.

Middle School Updates
Middle school students will continue working through core academic standards while reinforcing expectations following winter break. This consistency helps ensure a smooth transition back into school routines.

Middle School MTSS Pilot
Using the Nebraska neMTSS framework Emerson-Hubbard Middle School will be piloting a Multi-Tiered Systems of Support (MTSS) plan at the Middle School level with an emphasis on student behavior. Our hope is that the neMTSS framework will provide our students with an environment where each student feels comfortable and where academics can be central to their success. There will be a MTSS Parent Information Night at Emerson-Hubbard Middle School/High School on **January 6th at 5:30pm**. For more information on the Multi-Tiered Systems of Support please visit https://www.education.ne.gov/nemtss/ & https://nemtss.unl.edu/

Attendance & Winter Weather
As winter weather becomes more unpredictable, please monitor school communications regarding potential delays or cancellations. Regular attendance remains critical, and we appreciate families communicating promptly with the office regarding absences. Please be sure to provide documentation whenever possible in regards to student absences.

Looking Ahead
January is a fresh start and an opportunity to reflect, refocus, and move forward with purpose. Thank you for your continued partnership in supporting our students and staff as we begin the new year.
If you have any questions, please contact the school office.

Thank you,
Zach Biere-Principal, Emerson-Hubbard MS/HS

Counseling January Newsletter--2026

Free Application for Federal Student Aid

The Free Application for Federal Student Aid or FAFSA is the key document for federal student assistance programs including grants, loans, and work study funds. The FAFSA is also used by colleges and universities to award institutional scholarships and financial assistance. Students and parents/guardians will need their respective 2024 income tax documentation. The FAFSA can be accessed at studentaid.gov.

EducationQuest Foundation

Students and parents are encouraged to take advantage of the free college planning services provided by the EducationQuest Foundation located at www.educationquest.org. All students are encouraged to utilize the ScholarshipQuest database containing information on well over 2,000 Nebraska-based scholarships, the College Funding Estimator to estimate the results of your FAFSA, and the Activities Resume to create a resume for use in scholarship applications.

Susan Thompson Buffett Foundation

The Buffett Foundation Scholarship eligibility information and the application are available online at www.buffetscholarships.org. Students planning to attend a Nebraska Community College, a Nebraska State College, or an institution in the University of Nebraska system can check the eligibility requirements, get specific information and apply on the Susan Thompson Buffett website. The application is due at 5:00 P.M. on February 1, 2026.

College/Business Visits

Just a reminder to schedule college visits to help students in the college decision making process! Students can also arrange to observe a business they are interested in researching. Seniors are allowed two days and Juniors are excused for one day during the school year..

Local Scholarship Programs

Parents should note that the Emerson-Hubbard Education Enhancement Scholarship application will be available in January. The deadline for completing the application will be Friday, February 27, 2026.

Please feel free to contact my office if you have any questions or concerns at sahlers@ehpirates.org or 402 695-2636.

THANK YOU!

The Emerson-Hubbard Jr./Sr. Student Council organization would like to say "Thank You" for all the donations to our Holiday Fundraiser.

We extend a special Thank You to the Post 60 Market for hosting the Giving Tree and to everyone who filled a Wish List tag or made a monetary donation to the fundraiser. With the donations to the Giving Tree, we were able to spread Holiday Cheer throughout the communities of Emerson and Hubbard. We can't express our gratitude enough for your help and we hope you realize your donation played a very important role in our goal of spreading Holiday Cheer!

Thanks again for your generosity and we wish everyone a Merry Christmas and Happy New Year!

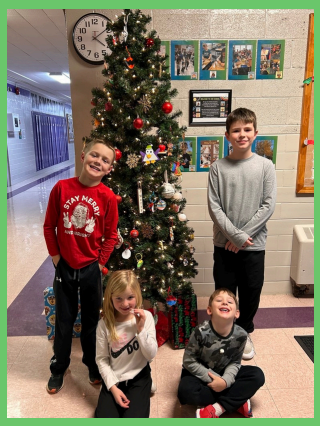

The Emerson-Hubbard One Act team completed their season at districts in early December. Congratulations to our cast who earned Outstanding Performance Awards at district competition:Jenni O., Bella M., Cy M., Jayda S., and Keegan H.! Way to go! E-H placed 6th out of 8 schools, which was an improvement from last year! Our team was also awarded 2 Superior and 1 Excellent rating from the judges! The cast, crew, and directors were dedicated and spent many hours on the stage practicing and performing this season. Keep up the good work! We are looking forward to next years' season!

School Times and Procedures

The school day starts at the elementary and middle school/high school at 8:15. Dismissal is at 3:30 at the elementary and 3:41 at the middle school/high school. Students may enter the buildings starting at 7:45 for breakfast and school work help.

Parents/Guardians picking up their child after school from the elementary need to stand outside the school doors or wait in the car line in front of St. Paul's Church and behind the buses for their student to be dismissed at the end of the day (approximately 3:33).

Child Find

The Emerson-Hubbard Community School requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (P94-142) and the Nebraska Statutes, which guarantees a free appropriate educational program for all children between birth and 21 years of age. If you have a student or know of any young person who meets these criteria, please contact the Superintendent's office.

It is the policy of the Emerson-Hubbard Community Schools not to discriminate on the basis of sex, handicap, race, age, color, religion, marital status, or national or ethnic origin in it's educational programs, admission policies, employment policies, other agency administered programs and all related publications.

Playground Update

Emerson-Hubbard Elementary School has been working on creating a new vision for our playground!

This vision includes removal of all current equipment and installation of a large play structure, a set of swings and open areas for children to play.

Example of equipment and layout - not shown to scale.

"Building a Playground Where Everyone Belongs"

Dear Friends and Supporters of Emerson-Hubbard Schools,

We are excited to share some wonderful news - Emerson-Hubbard Elementary School has been hard at work creating a new vision for our playground - a place where every child can explore, grow, and make lasting memories. Our current playground equipment has served generations well, but it's time for a fresh start. This project will include removing the existing structures and installing a new, large play structure, a set of swings, and open areas where children can safely run, imagine, and play together for years to come.

We're excited to bring this new space to life, but we can't do it without the support of our community. We need your help! We are asking our families, local businesses, and community members to consider supporting the playground project through a donation. Every contribution—big or small—brings us one step closer to building a space that will benefit generations of students.

We've established the following giving levels to recognize our generous supporters:

• Tier 1: $10-$100	Swing Set Sponsor	
• Tier 2: $101-$499	Slide Champion	Name on thank-you poster
• Tier 3: $500-$999	Recess Rockstar	+Facebook & website recognition
• Tier 4: $1,000-$4,999	Playground Builder	+Playground sign recognition
• Tier 5: $5,000+	Hero of Play	+Ceremony recognition

Donations may be made payable to "Emerson-Hubbard Community Schools - Playground Project" and mailed to the below address or dropped off at the elementary school office or you can make a donation by scanning the below QR code on your device's camera.

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.

2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).

3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

Accomplishments

We have not had any awards this year because our art contest take place in the second semester. We also create and display our work in the hallway to be seen all year long. Students have worked with pencil, ink, marker, colored pencils, acrylic, watercolor, and woodburning to create their art.

We are currently working on 2D projects and will soon start working with 3D artwork at the start of the second semester. Wire and clay are two types of media we will using.

Upcoming Events

We will be entering our artwork in 2 shows. The first is "Lewis & Clark Conference Art Contest" at W.S.C. Students will take part in workshops with college professors and grad students. They will be creating art and enjoying the day with artists across the conference. The 2nd show is in Wakefield called "The Big Show". Only Art 3 will be attending, where they will create a group project together and enter it to be judged at the end of the day. These students will go early in the morning and hang all the artwork from our school to be judged and will receive awards for all students at the end of the day.
