Announcement of Community Engagement Meeting

The Emerson-Hubbard Board of Education has scheduled a community meeting for **Wednesday, November 12, 2025**. The public session will take place in the high school gym at 1503 Dakota Street in Emerson beginning at **7:30 pm**. This community discussion is part of a larger Strategic Planning process and will give the Board of Education and district administration the opportunity to listen to community stakeholders. The results will help formulate a vision of the future and identify goals and strategies necessary to move the district forward to meet the challenges of the 21st century. We will be discussing the strengths, accomplishments, and challenges of our school district, the vision and expectations for our schools, and objectives necessary to design our future by discussing the following questions:

1)What are the districts' greatest strengths or accomplishments that we should preserve and build upon?
2) If the district could focus on only 2-3 major priorities over the next five years, what should they be?
3) What more can the district do to attract students/families to the area to increase enrollment?
4) Identify what you believe are the key areas the district might focus on to improve and expand learning facilities and grounds. (functionality of learning space, safety and security, building access and parking, capacity to support student enrollment, building maintenance, extracurricular facilities, grounds, and other)

Community members are being invited by the district for two reasons: to ensure that a broad, cross-section of interests, backgrounds, and perspectives are included
and to ensure that board members are able to hear from all participants in a purposeful and efficient manner.

We are inviting staff members, parents, students, community leaders, and other interested members of the public to work together with us-so that we may effectively plan for the future of our district and students. Any patron wishing to attend the session to be considered part of the process is encouraged to do so. Representatives of the Nebraska Association of School Boards will facilitate the community engagement process.

Congratulations to the 2024-2025 EHHS annual members: Thatcher Lamp, Nathan Franzluebbers, Kiya Tornez, Rachael Bousquet, Jenni Olson, Alejandra Hermosillo, Makayla Horak, Jackson Belt, Kimberly Ahlers, Rylinn Mitchell, Mica Tornez, and Myleah Mackling!

With the first quarter of our school year concluding last month, we focused on the importance of being welcoming and a good friend. We want to make sure that kindness is everywhere to help create a classroom and playground environment where everyone feels valued and accepted. You can continue to support our first quarter theme at home by talking with your child about ways to include classmates, show empathy, and treat others with respect. Together, we can help children build strong friendships and develop the social skills they need to thrive.

The current emphasized social skill is: 2nd Quarter: Solving Problems - S.T.E.P.

Here's a breakdown of the S.T.E.P. problem-solving method:

1. **Say the problem:** Clearly and calmly state the problem without blaming anyone.
2. **Think of solutions:** Brainstorm multiple possible solutions to the problem. This can involve considering different approaches, even if they seem unlikely at first.
3. **Explore consequences:** Evaluate the potential positive and negative outcomes of each solution.
4. **Pick the best solution:** Choose the solution that seems most likely to be effective and feasible based on the evaluation.

Future social skills that will be emphasized are:
3rd Quarter: *Managing Emotions and Ways to Feel Calm*
4th Quarter: *Hard Work, Grit and Pride - that is how we succeed!*

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Hello Parents, Guardians, and Students,

As the fall season moves forward, the days grow shorter, the air turns colder, and our students continue to shine in and out of the classroom. November is a time of reflection and gratitude — and we have much to be thankful for at Emerson-Hubbard. Our students make us proud through their academic achievements, community involvement, and representation at state and national competitions.

Academics

The second quarter is underway, and teachers are focused on helping students build on their first-quarter successes. As we head toward Thanksgiving break, our emphasis remains on strong study habits, consistent attendance, and personal accountability. Parents can help by checking PowerSchool regularly and encouraging students to seek help early if they feel stuck. A simple "What's one thing you learned today?" goes a long way!

Activities & Athletics

Our fall sports are wrapping up, and winter activities are about to begin! We are so proud of the dedication, effort, and teamwork shown by our student-athletes and coaches throughout the season.

- Volleyball: Congratulations to the team on a strong finish and the growth they've shown throughout the season. We are sub-district champions! Keep the hustle up and good luck at the district championship game! Your energy, hustle, and teamwork made the Wolfpack proud! District and State volleyball are coming up. Go Wolfpack go!
- Football: Our athletes battled hard each week and demonstrated tremendous grit and heart. The lessons learned this season extend far beyond the field.
- Cross Country: Several runners achieved personal bests and represented the Wolfpack with pride — well done! We are also so proud of Alejandra Hermosillo and Jude Ridenour as they represented us at the state meet on October 24th.
- Winter Sports: Basketball and Wrestling practices begin soon — stay tuned for schedules and game information.

Know Your Absences

Student absence types play a big role in schools! We would like to shine some light on the different types of absences you may see in PowerSchool and what that means for your students. Absences are categorized in two ways, School Excused and Not School Excused.

School Excused: These absences do not count towards missed days of school.

- Medical: The school has a doctor's note on file about a medical appointment.
- Funeral: The school has documentation that a student has attended a funeral.
- Legal: The school has documentation a student was absent due to legal obligations.
- School Activity: The student is absent due to a school extracurricular activity.

Not School Excused: These absences do count towards missed days of school.

- Parent Excused Absence: Anytime a student is called out of school by a parent/guardian without documentation. Parent Excused Absence is given for any period where a student is absent for more than half the period.
- Unexcused Absence: Anytime a student is absent from school without notification from a parent and is not at a school activity.

Looking Ahead

- Daylight Savings Ends: November 3 — Don't forget to set your clocks back!
- No School: November 26–28 (Thanksgiving Break)
- Winter Sports Begin: November 17th - Practice Begins
- 2 Hour Late Start: November 12
- NASB Community Engagement Night: Join us on November 12th at 6:00pm for the Nebraska Advisory of School Boards Community Engagement Night! We look forward to collaborative discussion with the community to discern how we can better make Emerson-Hubbard schools a place for all!

As we approach the holiday season, we are reminded how lucky we are to have such a supportive school community. Thank you for being engaged, for encouraging your students, and for partnering with us in their education. Together, we're creating a place where every student can grow, achieve, and belong.

With gratitude,
Zach Biere, Emerson-Hubbard MS/HS Principal

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.

2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).

3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

Congratulations to our Wolfpack Cross Country Runners Alejandra Hermosillo and Jude Ridenour on punching their tickets to the state meet which was held on October 24th!

Ale placed 15th at districts qualifying her for state for the third year in a row. She placed 64th at State in a field of 121 female runners.

Jude placed 13th at Districts and is a two time state qualifier. He placed 80th at State in a field of 131 male runners.

Great job Pack!

Congrats to our TCNE Wolfpack volleyball team on their runner-up finish in the Lewis and Clark Conference Tournament.
