Superintendent's Message

We are fast approaching the end of another school year and it's time to start thinking about baseball & softball games, heading to the pool, fishing at the lake and any summer vacation plans. We have experienced a lot together over the course of the 2025-2026 school year. Congratulations to the 15 seniors who are graduating this year. Hopefully you all feel prepared for wherever the next step of your journey takes you.

This will also be my last year at Emerson-Hubbard. I would like to thank the Emerson-Hubbard school community for being very supportive of the students & staff. Hard work is always easier when it is a shared responsibility. We are all on our own life journeys but that doesn't mean we shouldn't take the time to appreciate where those around us are at and possibly lend a hand when it is needed. I feel Emerson-Hubbard is blessed with many good and capable people who will continue to lead the district and the community forward in a positive direction. Good luck and best wishes to all!

Mr. Dale Martin, Superintendent

Congratulations Emerson-Hubbard High School Class of 2026

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Dear Families,

As we enter May, we are approaching the conclusion of another successful school year at Emerson-Hubbard. This is an important time for our students to demonstrate perseverance, responsibility, and pride in their work as they finish the year strong. We are proud of the growth our students have shown and appreciate your continued support in helping them reach the finish line.

Activities & Athletics
Spring activities and athletics are wrapping up, and our students continue to represent Emerson-Hubbard with pride and dedication. We are grateful for the effort our students, coaches, and sponsors have put in throughout the season.

As we move through the final weeks, please continue to check the activities calendar for any schedule updates related to weather or postseason events.

Important Dates:
- Senior Release: May 1st
- Teacher Appreciation Week: May 4th - May 8th
- Graduation: May 9th
- Semester Testing: May 19th & May 20th
- Last Day of School: May 20th

Academic Focus
May is a critical academic month as students complete final assignments, projects, and assessments. Finishing strong is essential, as final grades are determined during this time.

Students should:
- Stay engaged and finish all assignments
- Communicate with teachers regarding missing work
- Prepare for final assessments and projects

Our staff will continue providing support to ensure all students have the opportunity to succeed.

Seniors & Graduation
We are excited to celebrate the Class of 2026 as they prepare for graduation. This is a significant milestone, and we look forward to recognizing their accomplishments.

Seniors are expected to:
- Complete all graduation requirements
- Remain in good academic standing
- Continue to demonstrate positive behavior through their final days

Graduation will take place on May 9th, and we look forward to celebrating with families and the community.

Middle School Updates
Middle school students should remain focused on finishing the year with strong habits and consistent effort.

Key areas of focus:

- Completing all assignments
- Maintaining organization
- Demonstrating positive behavior and leadership

A strong finish sets the tone for future success and continued growth.

Attendance Reminder
Attendance remains a priority as we close out the school year. Each day of instruction is valuable, especially during final assessments and project completion.

Please continue to:

- Ensure students attend school daily
- Communicate absences with the office
- Avoid scheduling conflicts during school hours when possible

Looking Ahead
May is a time of reflection, celebration, and completion. The habits and effort students demonstrate now are critical to their overall success.

We are proud of the work being done by our students and staff and are grateful for your continued partnership throughout the school year.

Thank you,
Zach Biere-Secondary Principal, Emerson-Hubbard MS/HS

Counseling May Newsletter--2026

Congratulations to the Class of 2026!
Graduation is Saturday, May 9th. We are proud of our Emerson-Hubbard Class of 2026! They have shown us how determination and resilience can make a student successful.

Class Registration for the 2026-27 School Year
Class registration is live online! Please go to the school website to access the registration link. You can also see it on Facebook.
If you have questions about the classes or scheduling, please contact me at sahlers@ehpirates.org.

Planning Ahead–Grades 9-11
–Start exploring career interests
–Consider setting up a summer job shadow experience
–Schedule a college campus visit

Final Exams & Study Tips
Finals are right around the corner! Tuesday, May 19th & Wednesday, May 20th
–Create a study schedule
–Take breaks and get enough sleep
–Ask teachers for help
Small steps now can lead to big success!

Mental Health
The end of the year can feel overwhelming. Remember:
–It's ok to ask for help
–Stay connected with family and friends
–Practice self-care (rest, quiet time, hobbies)
–Reach out to the counseling office if you need support

Please feel free to contact my office if you have any questions or concerns at sahlers@ehpirates.org or 402 695-2636.

Nebraska SMART is a FREE online tutoring program for K-12 students. Tutors are current students at Chadron State, Peru State, and Wayne State Colleges who have been admitted to the teacher education program. Parents must initially register their student(s) before they can receive tutoring services. Once registered, students, or parents on behalf of students can schedule a tutoring session at least 24 hours in advance. Students can join on-demand tutoring to be connected with the next available tutor.

The senior class spent Monday afternoon eating at HuHot, laughing, playing miniature golf and laser tag, and making a few last memories as the Emerson-Hubbard Class of 2026!

On Tuesday, April 8th eighth graders from Emerson-Hubbard and Allen attended a visit day to Northeast Community College. They learned about their "smarts", some competed in activities, got a tour of campus, and lunch on campus. Thanks to NECC for having us!

Emerson-Hubbard's musicians competed at District Music Contest in South Sioux City on April 24th. Keegan Hightree received a I rating on his tenor saxophone solo, 7-12th grade band received I, II, II from the judges and choir got a III. Great performances students and directors!

The band received a 1, 2, 2!

District Music Contest

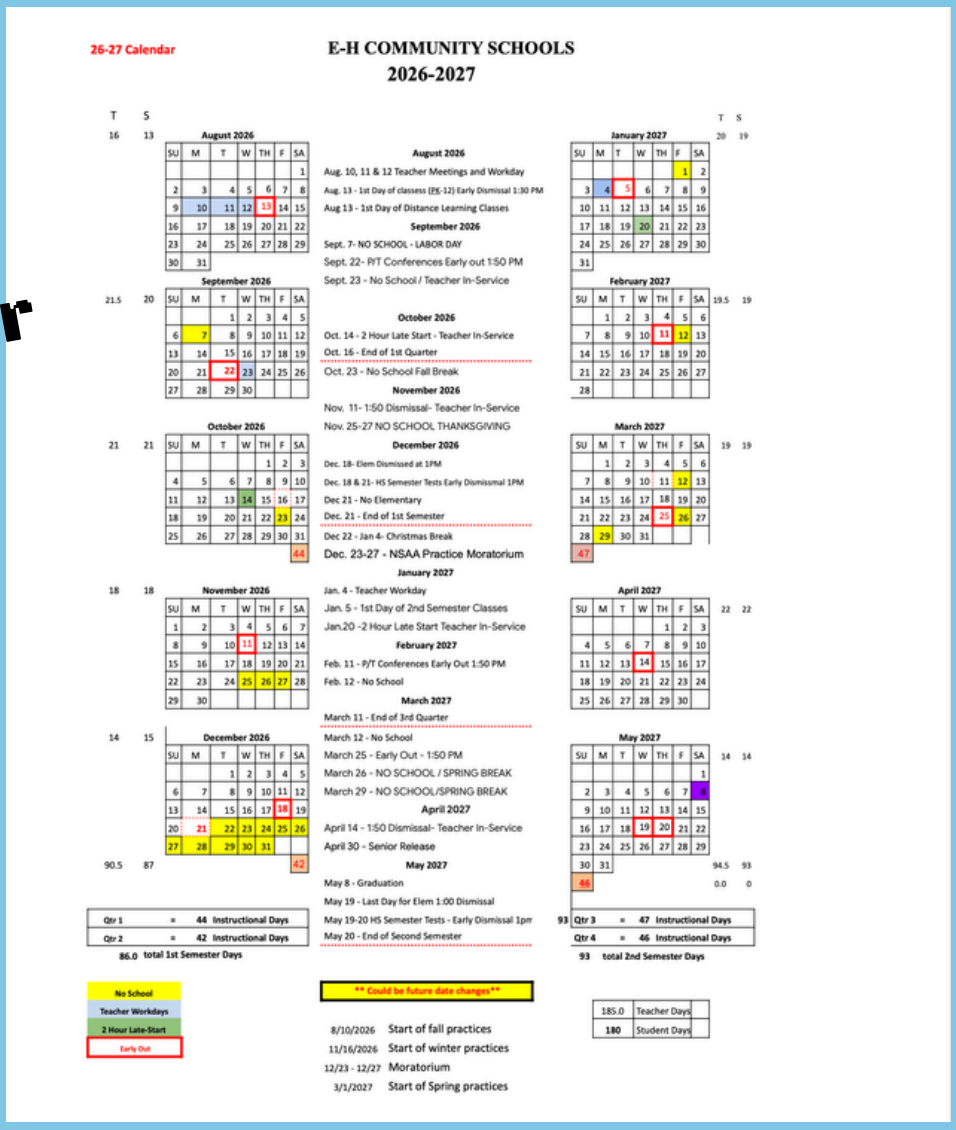

Keegan Hightree received a 1 on his solo!

The choir received a 3!

SUMMER Meals Information

We are required to let you know where you could go for summer meals if you are interested.

Individuals will be able to locate all meal sites across the state in these ways:
1. By texting FOOD or COMIDA to 304-304
2. Access USDA's summer meals site finder.

All information will be available only after NDS approves site locations approximately May 27, 2026.
I do know that both Pender and Wakefield Schools will have meals. You may call those schools for information as you will need to call to order meals so they will have enough made. They are both grab and go meals.

John Ahlers, E-H Food Service Director

Meal Information

Breakfast Prices: PreK-12th $2.45 Adult $3.00
Lunch Prices: PreK-5th $3.40 6th-12th $3.50 Adults $5.00 Extra Milk $.50 Extra Juice $.50

We realize that your bill is an additional expense for your family, but please pay your it in a timely manner. Please apply for the free or reduced priced lunches as the school receives Federal and State reimbursement funds for every meal served. The main components of receiving free or reduced priced lunches are based on family income and the number of total family members living in the household. All families are encouraged to fill out the form to find out if they meet the necessary qualifications. Please know that all information is kept confidential and only used for the purpose of determining qualification for free or reduced lunch.

Nine students from our Emerson-Hubbard SkillsUSA Chapter attended the SkillsUSA State Leadership and Skills Competitions at Heartlands Event Center and Fonner Park in Grand Island on April 9-11th. While we didn't have any medal winners this year, our chapter took a significant leap into the future attaining some valuable experience in new contests and building relationships with industry leaders who coordinate these events. Our E-H students competed well and Mr. Eriksen knows that there are a handful of them that want to go back and win the same competitions next year with some confidence and experience under their belt!

Grayson Anderson, Karlee Duncan, and Camilla Ramos qualified for the National Civics Bee Regional Competition held in Fremont on Wednesday, April 8th. This is the first time that the competition has ever been held in Nebraska. They competed against 14 other students to advance to the State level. In the first two rounds, they had to answer a series of civics and American history questions. Those that placed in the top 5 at the end of round 2 would advance to the final round. All 3 of our students tied for 4th in the 2nd round, so they had to complete a tie-breaker. Karlee and Grayson both advanced to finals. In the final round, they had to give a summary of the essay they had written to qualify for regionals and then answer the judges' questions. Karlee ended up placing 5th overall and Grayson placed 3rd which qualifies him for the State competition in June down in Lincoln! He also received a $500 award. Way to go Grayson! Good luck at STATE!

Congratulations to all Emerson-Hubbard FBLA Award Recipients!

We are incredibly proud of our students for an outstanding year and their achievements at the 2026 Nebraska FBLA State Leadership Conference! High school members who placed in the top 3 and middle school members who placed in the top 2 are automatic qualifiers for the National Leadership Conference in San Antonio, Texas, this summer! All other placings will serve as alternates, as each Nebraska FBLA member may compete in only one event at the National Leadership Conference.Your dedication, leadership, and commitment to excellence continue to represent Emerson-Hubbard at the highest level. We are proud of each and every one of you!

NECC in Norfolk hosts the Scholastic Academic Contest each spring. The Scholastic Contest is an academic competition in over 30 different subjects for high school students, grades 9-12, offered in Class C and Class D divisions. Medals are awarded to individual students in each exam for 1st, 2nd, 3rd place in each class division.

Emerson-Hubbard had seven students participating this year. Congratulations to Drayden Zayas and DeLaney Fuchser for the 3rd place medals they earned today! DeLaney placed 3rd in Parenting & Child Development and Drayden placed 3rd place in two academic tests: Trigonometry and Basic Construction.

Way to go!

In their first year of competing, the TCNE Middle School Speech team attended two meets this year. At the Junior High Speech Meet in Wayne on April 18th, the Wolfpack took nine competitors from 6th to 8th grade competing in Duet, Extemporaneous, Entertainment, and Informative. The Emerson-Hubbard students were Ingrid Speiser, Finn Mueller, and Isaac Albrecht. Allen students were Maxsen Ankeny and Paisllie Erwin,Oakley VanderStreek, Ani Olsufka, Landri Anderson, and Cheyenne Sullivan. Coaches were Mr. Beckwith, Mrs. Murphy, and Mrs. Moeller.

Emerson-Hubbard Robotics Team Valiant 9570, was recognized for their outstanding accomplishments by Jeff Margrett, Regional Director of FIRST Robotics competitions. In just the third year of participation, Valiant has demonstrated remarkable skills, growth, and resilience under the leadership of coaches Ed Griesel and Blake Eriksen. Rural schools typically have challenges that limit success, but team Valiant has overcome a lack of resources and a small enrollment. At the Kansas City Regional competition on the weekend of April 10 - 12 team Valiant delivered an impressive performance amongst a highly competitive field. Valiant earned a playoff spot and also distinguished themselves as an alliance captain. For a third-year team to rise to this level, especially in a competitive field is no small accomplishment. It reflects the dedication, vision, and commitment of the students, coaches, and school community. What is being built at Emerson-Hubbard goes beyond robotics. This program is developing problem solvers, leaders, and confident young adults who rise to the occasion to compete with the best - regardless of size or circumstance.

Great job Emerson-Hubbard Team Valiant!

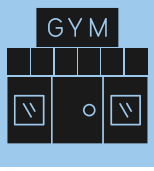

Emerson-Hubbard MS/HS Developing Outdoor Classroom-Purchase a Brick To Partner With Us

Emerson-Hubbard Middle School & High School is developing an Outdoor Classroom designed to extend learning beyond the traditional walls of our building. This space will provide meaningful, hands-on opportunities for students in grades 6–12 while supporting instruction in science, writing, problem-solving, and social-emotional learning.

We are seeking community partners to help bring this vision to life. Through the purchase of a personalized commemorative brick, you can play a direct role in creating this space. Donations will support essential elements such as seating, instructional surfaces, shade structures, and overall site development.

Each brick represents not only a contribution to our students' learning environment, but also a lasting legacy within the Emerson-Hubbard community.

To learn more or to purchase a brick, please visit:
https://www.bricksrus.com/donorsite/ehmshs
Thank you for your continued support of our students, staff, and community.

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.

2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).

3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

Child Find

The Emerson-Hubbard Community School requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (P94-142) and the Nebraska Statutes, which guarantees a free appropriate educational program for all children between birth and 21 years of age. If you have a student or know of any young person who meets these criteria, please contact the Superintendent's office.

It is the policy of the Emerson-Hubbard Community Schools not to discriminate on the basis of sex, handicap, race, age, color, religion, marital status, or national or ethnic origin in it's educational programs, admission policies, employment policies, other agency administered programs and all related publications.
