Superintendent's Message

Mr. Dustin Nielsen

It is hard to believe we are already three weeks into the 2026–27 school year! The energy and excitement throughout our buildings has been great to see. Our students are settling into routines, teachers are establishing strong classroom expectations, and our activities are getting underway. While the first few weeks can be busy, they also provide an important opportunity to establish the culture and expectations that will guide us throughout the year.

At the center of everything we do is the mission of Emerson-Hubbard Community Schools:

"The mission of Emerson-Hubbard Community Schools is to provide a quality education that equips students to acquire and apply the skills and knowledge necessary to reach their full potential, strengthen the school community, and become responsible, engaged members of society."

This year, we are putting that mission into action through our motto: **One Pack. One Purpose.** We are one school community with one shared purpose—doing what is best for our students. Whether you are a teacher, paraeducator, bus driver, coach, secretary, custodian, administrator, student, parent, or community member, we all play an important role in helping our students succeed.

One area that deserves special emphasis this year is **communication**. Good communication is one of the simplest—and most important—ways we can make our school run smoothly. We expect our staff to communicate with students, families, and one another. We want parents and community members to feel informed, welcomed, and comfortable reaching out when they have questions or concerns. Open, respectful communication helps us solve problems sooner and, most importantly, keeps our focus where it belongs—on our students.

As we move into September and the rest of the school year, I am excited about what we can accomplish together. It takes students, families, staff, and our entire community working toward the same purpose. Thank you for your continued support of Emerson-Hubbard Community Schools. We are grateful to have such a strong school and community working together for our students.

One Pack. One Purpose.

IMPORTANT DATES:

August 31

1st competition for JH FB vs Homer @E-H

September 7

NO SCHOOL-LABOR DAY

September 15

5:30 P.M. School Board @Elem. Library

September 16

10:00 A.M. Emerson Community Coffee @EHHS

From the office of Mrs. Langholdt-Vannatta, Emerson-Hubbard Elementary Principal

It has been a wonderful start to the school year! I'm working hard to learn names and the students have all been great helping me. 😊 Students have been enjoying the new playground and thanks to Mr. Duncan they have new 4-Square lines painted on the cement to play.

September Important Dates:

Monday, September 7- NO SCHOOL (Labor Day)

Tuesday, September 22- Early Dismissal @1:50pm then
Parent-Teacher Conferences 3:00pm-7:00pm

Wednesday, September 23- No School, Teacher In-Service

****We appreciate your continued communication with changes in pick-up/busing schedules for your children. We understand things come up and your child may not follow their regular after school plan. The office appreciates knowing of the changes to ensure all staff are aware and your child safely makes it to their after school location.**

Healthy sleep habits are tied directly to a child's academic success.

Did you know that kids 6 to 12 years old should be getting 9 to 12 hours of sleep a night, and older kids aged 13 to 18 should be getting 8 to 10 hours of sleep each night?

Healthy Sleep Habits for your Child

Create a healthy sleep environment in their bedroom with:

Dim lighting A comfortable temperature
Soothing sounds No TV or computer

Turn off all of these items at least 30 minutes before their bedtime.

Develop a bedtime routine that helps them relax.

Have them go to bed at or near the same time every night, even on weekends.

School Times and Procedures

The school day starts at the elementary and middle school/high school at 8:15 and dismisses at 3:30 at the elementary and 3:41 at the middle school/high school. Students may enter the buildings starting at 7:45 for breakfast and school work help. Parents/Guardians picking up their child after school from the elementary need to stand outside the school doors or wait in the car line in front of St. Paul's Church and behind the buses for their student to be dismissed at the end of the day (approximately 3:33).

ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses **2** days a month..

They will miss **20 DAYS** a year.

They will miss **30 HOURS** of math over the school year.

They will miss **60 HOURS** of reading & writing over the school year.

They will miss over **1 YEAR** of school by graduation.

When a student misses **4** days a month..

They will miss **40 DAYS** a year.

They will miss **60 HOURS** of math over the school year.

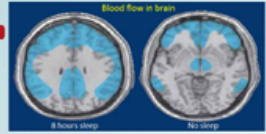

They will miss **120 HOURS** of reading & writing over the school year.

They will miss over **2 YEARS** of school by graduation.

Your brain controls all your movements:

REST IT.

Get 8-10 hours of sleep per night to repair muscles and keep the signals from your brain to your body moving fast.

Muscles make you stronger and faster:

NOURISH THEM.

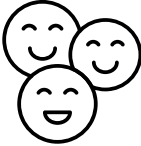

Take protein just after training.

Chocolate milk, a few handfuls of raisins or 2-3 Fig Newtons within 10 minutes of a hard workout will help you repair muscles and increase your strength.

Who you hang out with is going to impact your choices:

CHOOSE WISELY.

Surround yourself with positive people, places and things.

SCHOLASTIC
It's **BOOK FAIR** *time!*

Monday, September 21st-Friday, September 25th
at E-H Elementary-During Library & Tech Classes All Week
Tuesday, 9/22: During P/T Conferences 3-6:45PM
Wednesday, 9/23: No School-CLOSED
M/Th., 9/21, 9/24: 7:45-8:00AM & After School-4 PM
Friday, 9/25: 7:45-8:00AM

Dates / Times / Place

Exciting kids about reading. Earning funds for your school.

Book Fair eWallet

Easy for families to set up, easy for others to contribute. Book Fair eWallet lets your child shop independently and choose books they want to read. After your school's Fair, any unspent funds remain in your Scholastic account for future Fairs.

Visit our school's Book Fair homepage to get started:

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Dear Emerson-Hubbard Families,

It is hard to believe we are already moving into September!

The first few weeks of school have been filled with energy as students have settled into new classes, routines, activities, and expectations. It is exciting to see our hallways full again and to watch our students reconnect with friends and begin another year of learning.

I want to thank our students, staff, and families for helping us get the 2026-2027 school year off to a strong start. As we move beyond the excitement of the first few weeks, September gives us an opportunity to turn a good start into strong habits that will carry us throughout the year.

One Pack. One Purpose.

Our theme this year, **One Pack. One Purpose.**, is already beginning to take shape throughout our school.

Being part of the Pack means understanding that each of us contributes to the success of our school. It means students supporting one another, teachers challenging and encouraging their students, families partnering with the school, and all of us working toward the same goal: helping every student succeed.

Our purpose isn't simply to get students through another school year. We want our students to grow academically, become more independent, develop strong character, discover where their interests and talents lie, and leave Emerson-Hubbard prepared for whatever comes next.

September: Building Strong Habits

By September, the "newness" of the school year begins to wear off. This is also when daily habits become increasingly important.

Families can help us reinforce a few simple expectations at home:

- **Be here.** Consistent attendance is one of the strongest predictors of success in school.
- **Be on time.** Arriving prepared and ready to learn helps students make the most of every class period.
- **Stay caught up.** Students should regularly check their grades and missing assignments and communicate with teachers when they need help.
- **Use time wisely.** Study hall, class work time, and opportunities for extra help are valuable when students take advantage of them.
- **Get involved.** Athletics, activities, organizations, music, and other opportunities help students develop relationships and feel connected to their school.
- **Ask for help.** We never expect students to have everything figured out on their own. Teachers, staff, and administrators are here to help.

The habits students establish now will make an enormous difference as coursework becomes more challenging throughout the semester.

Stay Connected to Your Student's Progress

I encourage families to have regular conversations with students about what they are learning rather than waiting until a problem arises.

A few simple questions can tell you a great deal:

- What are you learning about right now?
- What class is challenging you the most?
- Do you have any missing assignments?
- Is there anything you need help with?
- What is something you are proud of from this week?

Families should also continue to monitor **PowerSchool** throughout the semester. Grades are important, but they also provide an opportunity to identify concerns early and work together before a small issue becomes a larger one. If you have a question about an assignment, grade, or classroom concern, I encourage you to communicate directly with your child's teacher.

Important Dates

- **No School - Labor Day:** Monday, September 7th
- Please continue to watch the school calendar and district communications for upcoming activities, events, competitions, and other important dates throughout September.
- **FALL ACT** - Emerson-Hubbard is providing a Fall ACT test to all juniors and any sophomore or senior who want to take the test. If your sophomore or senior wants to sign up please send them to the main office to do so! We hope each student takes advantage of this free opportunity.

Thank you for your continued support of our students, our staff, and Emerson-Hubbard Community Schools. I appreciate the partnership we have with our families and look forward to everything September has in store for the Pack.

One Pack. One Purpose.

Go Pack!

Zach Biere, Principal
Emerson-Hubbard Jr./Sr. High School

Child Find

The Emerson-Hubbard Community School requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (P94-142) and the Nebraska Statutes, which guarantees a free appropriate educational program for all children between birth and 21 years of age. If you have a student or know of any young person who meets these criteria, please contact the Superintendent's office. It is the policy of the Emerson-Hubbard Community Schools not to discriminate on the basis of sex, handicap, race, age, color, religion, marital status, or national or ethnic origin in it's educational programs, admission policies, employment policies, other agency administered programs and all related publications.

Counseling September Newsletter

-Mrs. Sandy Ahlers

ACT Registration

Emerson-Hubbard will be providing an opportunity for our students to take the ACT test here in our district. The students will test on Wednesday, October 7, 2026. All juniors will be required to take the test. Sophomore and Seniors will have the option to participate.

Encourage your student to participate in the ACT test. Research shows that the more times a student is exposed to the ACT testing process, the more likely they will increase their ACT score.

College Campus Visits

Just a reminder to schedule college visits to help students in the college decision making process!! Senior and Junior students are allowed four days during the school year. Plan ahead to take advantage of this opportunity.

College Applications

Now is the time for Seniors planning to continue their education to begin completing and submitting applications to the colleges and universities they are interested in attending.

EducationQuest Foundation

The EducationQuest Foundation provides free college planning services for families and students. They are a valuable resource in securing financial assistance for higher education. College planning resources are available on the EducationQuest Foundation website at educationquest.org.

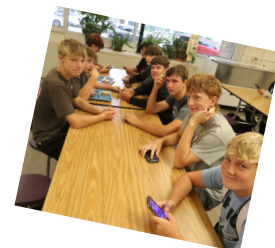

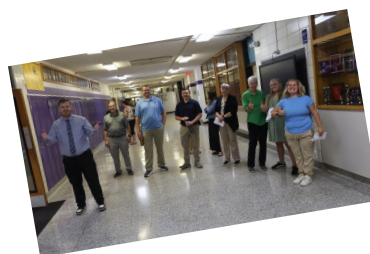

FAFSA

All High School seniors are required to complete a FAFSA application.

The Free Application for Federal Student Aid or FAFSA is the key document for federal student assistance programs including grants, loans, and work study funds. The FAFSA is also used by colleges and universities to award institutional scholarships and financial assistance. Students planning on attending higher education institutions in the Fall of 2027 can begin completing the FAFSA in October. The FAFSA can be accessed at studentaid.gov.

Please feel free to contact my office if you have questions at sahlers@ehpirates.org or 402 695-2636.

FALL SPORTS

GO PACK GO!

2026 TCNE Volleyball

Front row: Jayda Stallbaum, Aubrey Mitchell, Briley Anderson, Joslyn Mackling, Emily Mitchell

ENTERTAINING GAMES & PRIZES

To join in on the fun students need:

PK-1st = 20 nights of reading

2nd - 5th = 6 AR Points

Carnival on October 14th during school

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

Our Mission

To cultivate a vibrant, safe, and inclusive outdoor space for our students by introducing an updated play structure and lush grass areas that inspire creative freeplay, physical wellness, and social connection.

Thank you!

Through the generosity of local businesses, organizations, families, and individual donors, this project became a reality, creating a place where students will learn, grow, play, and make memories for years to come, and we look forward to celebrating this achievement together.

What a joy for our students to start the 2026-27 school year knowing they'll have a mentor!

The Emerson-Hubbard TeamMates Chapter is accepting applications to become a mentor to a 3rd-12th grade student.

TeamMates is a school based, one-to-one mentoring program co-founded by Dr. Tom and Nancy Osborne in 1991.

The focus of the mentoring relationship is for an adult volunteer to help build a positive relationship with a student so as to help them reach their full potential.

Go to <https://teammates.org/> to find out more information and sign up to become a mentor (on top of webpage).
