Superintendent's Message

Mr. Dustin Nielsen, Superintendent

November: Gratitude, Growth, and Well-Being

As we begin the second quarter of the school year, November reminds me how much we have to be thankful for at Emerson-Hubbard Community Schools. I am grateful for the staff members who show up each day ready to make a difference, the families who trust us with their children, and the community that continues to support our schools. One thing I have always believed is that strong relationships build strong schools. As we work toward our school improvement goals, I encourage all of us to take time to recognize the good things happening around us, celebrate our progress, and look for ways we can continue to grow. Sometimes, a simple thank-you or a few words of encouragement can make a bigger difference than we realize.

Another important part of our school improvement work is supporting the mental health and well-being of our students and staff. We all have busy days and times when we feel overwhelmed, and it is important to remember that taking care of ourselves is not a weakness; it is a necessity. Getting enough rest, taking a few minutes to recharge, listening to one another, and reaching out when we need support are small steps that can make a big difference. As we head into the busy holiday season, I encourage everyone to slow down when possible, practice patience, and be intentional about checking in on others. We may never know how much a small act of kindness means to someone else, but we can make sure our schools remain places where people feel valued, supported, and encouraged. That is how we continue moving forward together—One Pack. One Purpose.

Annual Report for the 2025-2026 School Year **Emerson-Hubbard Community Schools**

The annual report for Emerson-Hubbard Community Schools provides the opportunity for the school district to share with the community its current status. This report is also a requirement from the Nebraska Department of Education for school accreditation.

SCHOOL IMPROVEMENT

- *Increase the percentage of students that are at or above grade level from the fall to spring measured by the NWEA MAP Growth data in E.L.A. and Math.
- *Promote the social and emotional health and well-being of all students and staff as measured by NDE perceptual surveys (10% increase from year 1 to 5).

MISSION STATEMENT

The mission of Emerson-Hubbard Community Schools is to provide a quality education that prepares students to acquire and apply the skills and knowledge necessary to reach their full potential, strengthen the school community, and become responsible, engaged members of society.

BELIEF STATEMENTS

We believe in providing for all students...

- a challenging and diversified curriculum that prepares students for the responsibilities of the ever-changing world.
- a variety of diverse assessment strategies, both formative and summative, that guides teacher instruction and student learning.
- instruction through standards-based, real-life curriculum through various methodologies bridging the classroom to community and career.
- a safe and positive learning environment cultivating mutual respect between students and staff leading to educational success and lifelong learning.

From the office of Mrs. Langholdt-Vannatta, Emerson-Hubbard Elementary Principal

The students had a blast at the reading carnival on October 14th! All students who attained the required amount of AR points, or had the required number of books read to them at home, were able to participate. Students played ring toss games, ball throw games, and did a cake walk. Please continue to help your child read at home so they can participate in our second quarter reading incentive activity.

October ended with a Halloween parade and classroom parties. Students began student council and HAL as well. We are looking forward to the Veteran's day program on November 11th at the high school.

***If the after school plan for your child is different from what the school was told originally, this includes signing up for Friends of Faith or the After School Program, you must notify the office so we can ensure your child gets to the different location. If the office is not notified of a change, we will follow the original plan we were told.*

Congratulations to our students who had perfect attendance for the 1st quarter!

November 2026 Elementary Calendar Reminders

- **Wednesday, November 11th**: 1:50 Dismissal (Teacher In-Service)
- **Wednesday, November 18th**: Musketeer Hockey Game at 11:00 A.M.
- **Wed.-Fri., November 25th - 27th**: No School (Thanksgiving Break)

Looking Ahead to December:

- **Thursday, December 3rd**: Start of Winter MAP Growth Testing (grades K-2)
- **Friday, December 11th**: Elementary Spelling Bee 8:30 am (grades 1-5)
- **Thursday, December 10th**: PK-5 Winter Concert @ High School
- **Friday, December 18th**: 1 p.m. Dismissal for all PK-12 students (last day of school at the elementary)
- **Monday, December 21st**: No School for Elementary
1 p.m. Dismissal for students in grades 6-12
End of 2nd Quarter/1st Semester
- School Resumes for students on Tuesday, January 5th. (Monday, Jan. 4th - Teacher Workday)

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Hello Parents, Guardians, and Students,

November is here, and it's hard to believe that we've already completed the first quarter of the school year! As we transition into the colder months, I want to take a moment to recognize the many accomplishments of our students and staff and share some of the exciting things happening at Emerson-Hubbard MS/HS.

Our students continue to demonstrate what it means to be part of the Wolfpack through their involvement in academics, athletics, activities, and our school community. We've had a great start to the year, and I'm excited to see that momentum continue throughout the second quarter. One Pack! One Purpose!

Celebrating a Successful First Quarter

- **T-Mobile Friday Night Lights:** Our school community came together to earn \$5,000 through T-Mobile's Friday Night Lights competition! Thank you to everyone who helped support this exciting accomplishment.
- **Student Assemblies:** Our monthly assemblies have provided opportunities to celebrate student and staff accomplishments, recognize positive contributions, and build school pride.
- **School Improvements:** We've been excited to see improvements around our building, including our outdoor classroom, staff lounge, updated signage, and hallway improvements.
- **Student Opportunities:** From classroom learning to extracurricular activities, our students continue to take advantage of opportunities to grow and challenge themselves.

These accomplishments are a reflection of the hard work of our students, staff, families, and community. We have plenty to be proud of as we move forward!

Academics: Building Momentum in Quarter Two

With the second quarter underway, now is an important time for students to reflect on their first-quarter performance and establish goals for continued improvement.

One of our biggest priorities this year has been strengthening the academic support available to students. Through our Multi-Tiered System of Supports (MTSS), teachers and staff are working collaboratively to identify students who need additional assistance and develop plans to help them succeed. We want every student to understand that academic success is built through consistent effort, positive habits, and a willingness to ask for help when needed.

As we move through the second quarter, we encourage all students to focus on four important expectations:

1. **Be Present:** Consistent attendance matters! Students who attend regularly are better positioned to succeed academically.
2. **Be Prepared:** Come to class with the materials, assignments, and mindset necessary to learn.
3. **Be Accountable:** Complete assignments on time, use study hall productively, and take ownership of academic progress.
4. **Ask for Help:** Struggling with a class or assignment is not a failure. We encourage students to communicate with their teachers and take advantage of available supports.

Families can support these efforts by checking PowerSchool regularly, having conversations about academic progress, and encouraging students to address challenges before they become larger concerns. Our goal isn't simply to help students earn passing grades. We want to help them develop the habits and skills that will serve them throughout high school and beyond.

Activities & Athletics

As our fall activities come to a close, we want to recognize the dedication of our student-athletes, coaches, activity sponsors, and families. Throughout the fall, our students have represented the Wolfpack with determination, sportsmanship, and pride. Whether competing on the field, court, or cross-country course, our students have demonstrated the value of teamwork, perseverance, and commitment.

We're also excited to transition into our winter activities season! Basketball and wrestling will soon bring another round of opportunities for students to compete and for our community to come together in support of the Wolfpack. We encourage families and community members to attend events, support our student-athletes, and continue showing the school spirit that makes our community special.

Student Success Is a Team Effort

One of the things we continue to emphasize at Emerson-Hubbard is the importance of partnership between students, families, and staff. We know that students sometimes experience challenges academically, socially, or personally. When those challenges arise, our goal is to work together to identify solutions that help students move forward.

This year, we've continued strengthening our systems for identifying students who may need additional support. Through regular collaboration among teachers, counselors, and administration, we're working to ensure that students receive timely and meaningful interventions. Families play an essential role in that process. We encourage parents and guardians to maintain open communication with teachers, discuss school expectations at home, and reach out whenever concerns arise.

When students, families, and educators work together, we create the strongest opportunities for student success.

A Season of Gratitude

As Thanksgiving approaches, I want to express my appreciation for the many people who make Emerson-Hubbard a special place.

To our students, thank you for the energy, enthusiasm, and unique strengths you bring to our building every day. To our staff, thank you for your continued commitment to helping students learn, grow, and succeed. And to our families and community, thank you for your encouragement, involvement, and ongoing support.

We know that creating a positive school environment requires the collective efforts of everyone involved. Every day provides us with another opportunity to strengthen our school culture, support one another, and make Emerson-Hubbard a place where students feel valued and capable of success.

One Pack. One Purpose.

With gratitude,

Zach Biere,

MS/HS Principal Emerson-Hubbard Community Schools

Congrats to these E-H MS/HS September Honorees:

Staff Member of the Month-Mrs. Josie Mikolocyk

Substitute of the Month-Mrs. Marcy Roeber

Student of the Month-Jack Steele

These three represent what it means to be part of the Pack! Keep up the great work! Along with the winners of the month the senior class won the class competition and got to select a lunch for day in the month of October. Great work, seniors! One Pack! One Purpose!

Congratulations to Ty Nielsen on being selected to the Nebraska All- State Middle School Choir!

CONCERT IS ON
WEDNESDAY, NOVEMBER 18TH AT
4:30 P.M.
AT THE LIED CENTER FOR
PERFORMING ARTS IN LINCOLN
WAY TO GO TY!

DATE CHANGE

Emerson-Hubbard's
MS/HS Fall Concert has been
moved to
Tuesday, November 3rd
at 7:00 P.M.

If you have any questions or
concerns please contact
Mrs. Mikolocyk at
jmikolocyk@ehpirates.org

Emerson-Hubbard Administrators accepted a \$5,000 check from T-Mobile as a part of their Friday Night Lights competition. Thank you T-Mobile for your generosity. Our students and community are looking forward to using the money to make some needed upgrades to our athletics programs!

The E-H music department is looking for any spare Christmas decorations for this year and future Christmas concerts!

If you are willing to donate please drop them off at the high school. If you have any questions please reach out to Mrs. Mikolocyk at jmikolocyk@ehpirates.org.

School Times and Procedures

The school day starts at the elementary and middle school/high school at 8:15 and dismisses at 3:30 at the elementary and 3:41 at the middle school/high school.

Students may enter the buildings starting at 7:45 for breakfast and school work help.

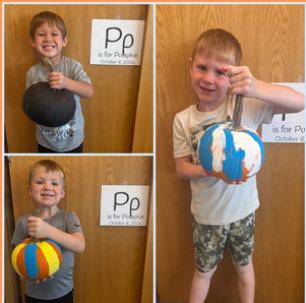

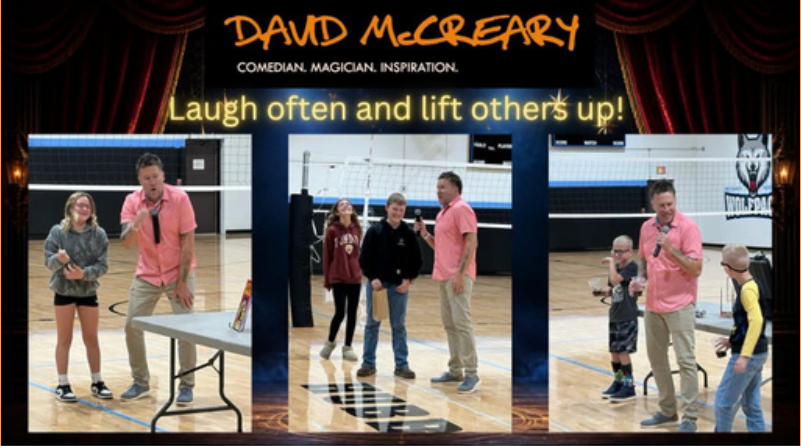

Parents/Guardians picking up their child after school from the elementary need to stand outside the school doors or wait in the car line in front of St. Paul's Church and behind the buses for their student to be dismissed at the end of the day (approximately 3:33).

Child Find

The Emerson-Hubbard Community School requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (P94-142) and the Nebraska Statutes, which guarantees a free appropriate educational program for all children between birth and 21 years of age. If you have a student or know of any young person who meets these criteria, please contact the Superintendent's office.

It is the policy of the Emerson-Hubbard Community Schools not to discriminate on the basis of sex, handicap, race, age, color, religion, marital status, or national or ethnic origin in it's educational programs, admission policies, employment policies, other agency administered programs and all related publications.

Looking Back to **OCTOBER** at E-H Elementary School...

READ YOUR WAY TO THE MOVIES

Our 2nd Quarter Reading Challenge will get you a ticket to the movies at The Majestic Theatre in Wayne, NE.

PK-1st need to read 20 books/nights to earn a ticket.
2nd-5th need 6 AR points to earn a ticket.

Students that earn a ticket to the movies will enjoy a movie at the Majestic during the afternoon on December 15th.

Counseling November Newsletter--2026

As we proceed through the Fall Semester, our Seniors should be focused on 1) Applications to college; 2) College/Business Visits; 3) completing the Free Application for Federal Student Aid or FAFSA.

ACT Registration

Students may register for a national test date.

National ACT test dates have been scheduled for December. The registration deadline for the December National test date is November 6, 2026 and the December ACT National Test Date is December 12, 2026. Students can register online at www.act.org.

College Campus Visits

Just a reminder to schedule college visits to help students in the college decision making process!! Seniors and Juniors are allowed four days during the school year.

College Applications

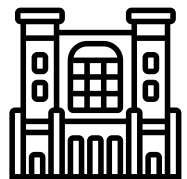

Now is the time for Seniors planning to continue their education to begin completing and submitting applications to the colleges and universities they are interested in attending.

FAFSA

The Free Application for Federal Student Aid or FAFSA is the key document for federal student assistance programs including grants, loans, and work study funds. The FAFSA is also used by colleges and universities to award institutional scholarships and financial assistance. Students planning on attending higher education institutions in the Fall of 2027 can begin completing the FAFSA starting on Wednesday, October 1, 2026. The FAFSA can be accessed at studentaid.gov.

Emerson-Hubbard will hold a FAFSA Night on **Wednesday, November 4, 2026, from 4:00-8:00PM** at Emerson-Hubbard High School. Wayne State College representatives will be available to help with the FAFSA application process.

Campus Trip/Career Event

The **Junior class** will be visiting the University of South Dakota in Vermillion on Tuesday, November 3, 2026. The students will get to experience the USD campus and also tour Masaba.

The **Freshman class** will be attending a career day at Northeast Community College on Friday, December 11, 2026. They will be participating in several career sessions and eating lunch on campus.

Dual Credit Classes

Sophomore, Junior and Senior students will be registering for second semester dual credit classes through Northeast Community College starting on Monday, November 2, 2026. Please encourage your student to visit with me about the class options.

Please feel free to contact my office if you have any questions or concerns at sahlers@ehpirates.org or 402 695-2636.

Mrs. Sandy Ahlers, E-H Guidance Counselor

ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses 2 days a month..	When a student misses 4 days a month..
They will miss 20 DAYS a year.	They will miss 40 DAYS a year.
They will miss 30 HOURS of math over the school year.	They will miss 60 HOURS of math over the school year.
They will miss 60 HOURS of reading & writing over the school year.	They will miss 120 HOURS of reading & writing over the school year.
They will miss over 1 YEAR of school by graduation.	They will miss over 2 YEARS of school by graduation.

GET GOOD SLEEP.

Healthy sleep habits are tied directly to a child's academic success. Did you know that kids 6 to 12 years old should be getting 9 to 12 hours of sleep a night, and older kids aged 13 to 18 should be getting 8 to 10 hours of sleep each night?

Who you hang out with is going to impact your choices:

CHOOSE WISELY.

Surround yourself with positive people, places and things.

John Underwood's

Emerson-Hubbard 2026 One-Act Presents

Imperfect Proposal

Performance Dates:

Nov. 12th @ 5:30pm Public Performance

Nov. 14th @ 8:00am in Wakefield

Nov. 17th L&C Conference @ 10:00am in Winnebago

Dec. 1st Districts @ TBA in Leigh

REASONS to JOIN THE SPEECH TEAM

It helps boost self-confidence.

The coaches are awesome!

You can compete individually or as part of a group.

We talk to walls!

It builds communication and performance skills.

These are just a few of the reasons to join!

Don't believe it?

Stop by the library for a short informational meeting at 7:45 am on Thursday, November 5th!

**Allen and Emerson-Hubbard
JUNIOR HIGH
DANCE**

NOVEMBER 14
ALLEN
5:30 - 7:30 PM

DANCING GAMES PRIZES

The Fall 2026 Emerson-Hubbard/Allen Junior High dance will be held on Saturday, November 14th at Allen. All 7th-8th grade students from E-H and Allen are invited to attend at no charge. No outside dates. There will be a small concession stand available.

We are looking forward to a fun night! Hope to see all E-H and Allen 7th and 8th graders there!

Happy Fall! With the cold and flu season upon us, I would like to share guidelines set by the ESU 1 on when and when not to send your child to school.

WHEN TO KEEP YOUR STUDENT HOME SICK

HEADACHE

with stiff neck and fever (urgent medical care may be needed)

ILL APPEARANCE

Look like they are not feeling good

SKIN RASHES

with fever or behavioral change, rapidly spreading rashes, or open lesions or sores

DIARRHEA

(watery/loose stools happening 3 or more times in a day or in large volume)

FEVER

They are running a Fever of 100.4° or greater*

NEW COUGH

Shortness of breath, or difficulty breathing (urgent medical care may be needed)

VOMITING

May return to school 24 hours after last episode

ABDOMINAL PAIN

for more than 2 hours, or pain with fever

*Generally, students may return to school if they have not had fever for 24 hours without use of fever-reducing medication, such as acetaminophen or ibuprofen. Certain illnesses, such as COVID-19, may require the student to stay home for longer.

COLD DAYS

are likely here to stay for a while!

Please help us make sure your students
are prepared.

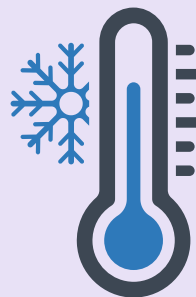

We love to get kids outside in the morning
and at recess whenever possible.

Please remind them to bring the appropriate
cold weather gear so they are prepared to be outside.

This includes:

EMERSON-HUBBARD ELEMENTARY

it's cold
outside

We had another successful Fall Scholastic Book Fair!

We earned over \$920 in books and supplies for our classrooms and school libraries!

Mrs. Oswald delivered gift bags filled with books to each classroom.

Thank you to everyone for your support!

Congrats to Ayven who won the Scholastic Book Fair bag of books and prizes!

Emerson-Hubbard High School has added two new Robotics teams this year. For the last 3 years E-H has been involved with FIRST FRC competitions with their Valiant Robotics team. FRC competitions are held in the spring of each year. FIRST also has FTC teams as well as LEGO league teams. FTC teams are Robotics teams that use robots that are smaller in size than the FRC teams. The competitions are held in the fall/winter of the year. This year we have 13 students in Robotics class, so having 2 FTC teams, team Goliath and Team Titan, provides hands-on experience for the Robotics students during class time. Students must design, build, and program their robot to perform specific tasks. This year the FTC competition is called Biobuzz. The robots need to pick up nectar and pollen (plastic wiffle like balls of different sizes) and place them in the hive or the flowers which are placed in specific positions around the game arena. The first competition is scheduled for November 7th. Five local competition events are anticipated this year for FTC.

The robotics teams are always looking for grants and donations to help with the cost of building their robots and attending the competitions. Any donations will be accepted through the school's main office.

A BIG congratulations to the Emerson-Hubbard Robotics #9570 for winning a 2026 \$5,000 community grant! The Foundation for Rural Service awarded \$151,000 to 33 deserving rural communities all across the U.S. today! Northeast Nebraska Telephone Company was proud to partner with the Foundation for Rural Service on awarding this grant! Best of luck to instructor Mr. Ed Griesel and the robotics class at your first competition on November 7th!

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

Meal Information

Breakfast Prices PreK-12th \$2.55 Adult \$3.10

Lunch Prices PreK-5th \$3.50 6th-12th \$3.60 Adults \$5.10 Extra Milk \$.50 Extra Juice \$.60

We realize that your bill is an additional expense for your family, but please pay your bill in a timely manner.

Please apply for the free or reduced priced lunches as the school receives Federal and State reimbursement funds for every meal served. The main components of receiving free or reduced priced lunches are based on family income and the number of total family members living in the household. All families are encouraged to fill out the form to find out if they meet the necessary qualifications. Please know that all information is kept confidential and only used for the purpose of determining qualification for free or reduced lunch.

Trash Bags

EH Annual

We have rolls of trash bags available for your leaf raking or daily home useage!

\$16 PER ROLL

Quantities and sizes we have left!

- 5 Rolls—55 Gallons
- 6 Rolls—39 Gallons
- 12 Rolls—30 Gallons

Post-Graduation Plans

Wherever the wind takes me.

Congratulations to our Wolfpack Cross Country Runner Jude Ridenour on punching his ticket to the state meet which was held on October 23rd in Kearney!

Jude had his goals set at the beginning of the year. Medal in every meet. Make the state meet again. Better his time and place better than last year's state meet.

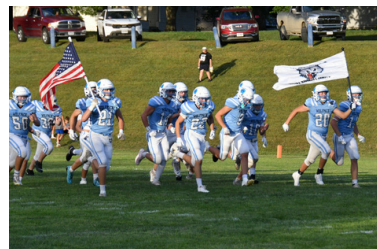

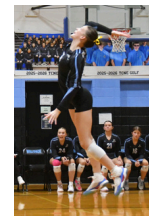

All were accomplished at the state meet! Jude ran his state meet record time of 18:31.9 and placed 25 spots ahead of his previous best placing at the state meet in 45th out of 133.

Congrats to our TCNE Wolfpack Volleyball players!

Junior setter, Ally Belt, reached a huge milestone of 2,000 career assists during sub-district action on Monday, October 26th! She added to that total on Tuesday night and will continue to add more next season! Way to go Ally!

Senior Joslyn Mackling ended her high school career with over 1,000 digs and Senior Emily Mitchell recorded over 500 career digs! Way to go Wolfpack netters!

Thank You Wolfpack SENIORS! 🏐 🏈 🏀

GO PACK GO!

Athletic Cooperative Information

Emerson-Hubbard Community Schools, Wakefield Community Schools, and Allen Consolidated Schools began exploring athletic cooperation this fall after low participation numbers in junior high football raised concerns about providing students with opportunities to participate. Building on that initial effort, school board cooperative committees and school administrators have continued discussions about current participation needs and ways to support school athletic programs now and in the future.

As a result of these discussions, junior high winter and spring sports will operate as cooperative programs this school year. Junior high volleyball and cross country will join the cooperative next fall. High school girls wrestling will also operate as a cooperative program this winter.

Quad County Winter Sports

Junior high winter sports will be offered through the Quad County cooperative. Practice schedules and locations will vary by sport:

- **Junior High Boys and Girls Wrestling:** Practices will alternate between Allen and Emerson, with separate practices held at each location.
- **Junior High Boys and Girls Basketball:** Practices will take place in Wakefield, utilizing both of their gymnasiums.
- **High School Girls Wrestling:** The team will compete as the **Quad County Yellowjackets**, with practices split between Emerson and Allen.

Families can review the winter schedules using school websites.

Looking Ahead

The three school districts will continue discussions about potential high school cooperative opportunities in the future. These conversations will include participation numbers, school classifications, the potential impact of cooperative arrangements, and other factors that affect students, schools, and athletic programs. The goal is to thoughtfully explore options that allow students to participate, provide meaningful athletic experiences, and help sustain school athletic programs for years to come.

The Wakefield/TCNE Junior High football team worked hard together and had an awesome season and finished strong...UNDEFEATED! Way to go players and coaches!

The TCNE Junior High Wolfpack volleyball team earned 2nd place at the LCC JH volleyball tournament! What a great way to finish to the season, team and coaches!

2026-2027 JH Winter Sports Practice Information

JH Boys/Girls Basketball: First day of practice is November 2nd in Wakefield
