Superintendent's Message

We are officially in the "home stretch" of the school year. While the warmer weather and longer days bring a sense of excitement, April is also a pivotal month for academic focus. Over the next few weeks, many of our students will participate in state assessments and final projects. These are not just tests; they are opportunities for our students to showcase the hard work, critical thinking, and resilience they have built since August.

Beyond the classroom, April is a time for us to celebrate the diversity of our district. We are proud to recognize Autism Acceptance Month, reaffirming our commitment to ensuring every student feels seen, supported, and valued. We also take a moment during National Volunteer Week to thank the parents and community members who give their time so generously to our schools. You are the heartbeat of our district, and we couldn't do this without you.

As we move through this busy month, I encourage you to find moments to slow down and enjoy the season. Whether it's attending the first Wolfpack Music Spring Showcase, cheering at a track meet, or participating in an Earth Day community cleanup, let's finish this year with the same spirit of community that started it.

Thank you for your continued partnership in your child's education. Let's make this a month of progress and "finishing strong."

Mr. Dale Martin, Superintendent

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Dear Families,

As we move into April, we enter a critical stretch of the school year. With the fourth quarter underway, our focus is on finishing strong academically while celebrating the many accomplishments of our students in activities and athletics. This is a time where consistency, effort, and attendance matter greatly. Thank you for your continued partnership in supporting Emerson-Hubbard students and staff.

Activities & Athletics

Spring activities are in full swing, and we are proud of the effort and commitment our students continue to demonstrate. Our students are representing Emerson-Hubbard well both in competition and in the classroom.
As schedules may shift due to weather and other factors, please continue to check the activities calendar for updates.

Important Dates:

- No School: April 3rd & 6th – Spring Break
- State SkillsUSA: April 9th & 10th
- Pre-ACT: April 15th
- State FBLA: April 16th & 17th
- District Music: April 24th
- Senior Release: May 1st
- Graduation: May 9th

Academic Focus

April is a key academic month as students work through the fourth quarter and prepare for final assessments.
Students should:

- Stay organized and keep up with assignments
- Communicate with teachers when help is needed
- Maintain consistent effort, as grades at this point have a strong impact on final outcomes

Our staff continues to monitor progress closely and provide targeted support to ensure all students are positioned for success.

State Testing & Assessment Season

State testing (NSCAS) begins this month for designated grade levels. These assessments provide important information on student learning and guide instructional planning.
Please help your student by ensuring they:

- Get adequate rest
- Arrive to school on time
- Give their best effort

Juniors & ACT Follow-Up

Following the ACT, we will continue working with juniors to review results and identify next steps. Students who wish to improve their scores will have additional opportunities and resources available.

Middle School Updates

Middle school students should continue focusing on strong routines and habits as we move through the final quarter.
Key areas include:

- Organization and time management
- Consistent work completion
- Positive peer interactions

These habits are essential for a successful finish and smooth transition into the next grade level.

MTSS & Student Support

Our MTSS efforts remain focused on supporting all students academically, behaviorally, and socially.
We will continue to:

- Monitor student progress
- Provide targeted supports as needed
- Recognize positive contributions through our "Leader of the Pack" initiative

Attendance Reminder

Consistent attendance is critical during this final stretch of the school year. Instruction becomes increasingly focused, and missing time can impact student progress.
Please continue to:

- Communicate absences with the office
- Encourage daily attendance
- Schedule appointments outside of school hours when possible

Looking Ahead

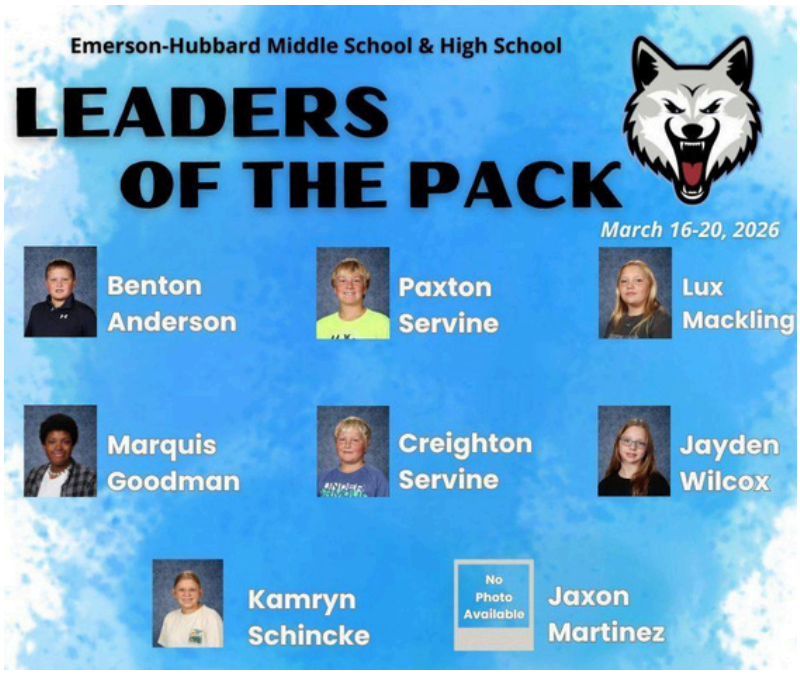

April is a month of focus and preparation. The effort students put in now will directly impact how they finish the school year.
We appreciate your continued support and partnership.
If you have any questions or concerns, please contact the school office.

Thank you,
Zach Biere, Principal
Emerson-Hubbard MS/HS

"Game On! Show What You Know!"

We encourage each student to believe in their abilities, be confident, and trust the hard work they've put in all year. With focus and determination, they are ready to do their very best.

You can help by making sure your child:

- *Gets plenty of sleep leading up to the test.*
- *Eats breakfast the morning of the test.*
- *Is encouraged at home to do their best and take their time!*

Looking Back to March at E-H Elementary School...

Playground Update

We are excited to share that the equipment has officially been ordered and will be arriving before May! While this is a big step forward, we still need additional support to help bring more of our vision to life.

We are continuing to seek donations to help create a grassy play area west of the playground equipment and to extend concrete from the west gate to the existing large cement play court.
Every contribution helps create a safer, more enjoyable space for our students.

We truly appreciate the continued support in helping create a space our students will enjoy for years to come.

Donations can be dropped off at the school office or mailed to:

SAFETY FIRST

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.

2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).

3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

Counseling April Newsletter--2026

College Planning

Seniors…It's decision time!

Here's how to make your final college decision.

Compare your college acceptance letters, financial aid award notifications, and campus visit notes. List the pros and cons of each school using the following criteria:

Make your final decision by May 1 and then notify the colleges you're rejecting so they can offer your spot, and financial aid to another student.

Juniors…these questions will help you narrow your college choices!

By narrowing your college choices now, you'll be better prepared to apply for financial aid and college admission early next fall.

ACT Test

The Juniors will be taking the ACT test on Wednesday, April 1, 2026, at St. Luke's Lutheran Church. The students will come to school and eat breakfast. We will transport the students to the church. They will begin at 8:00 AM and finish by 12:30 PM.

PreACT Test

The Sophomore class will be taking the PreACT test on Wednesday, April 15, 2026, at St. Luke's Lutheran Church. The students will come to school and eat breakfast. We will transport the students to the church. They will begin at 8:00 AM and finish by 12:00 PM.

Selective Service Registration

To comply with the law, males must register with Selective Service when they turn 18.Registration can be completed online at www.sss.gov.If you need more information, stop by the counseling office, and Mrs. Ahlers can assist you.

College/Business Visits

Just a reminder to schedule college visits to help students in the college decision making process! Students can also arrange to observe at a business they are interested in researching. Seniors are allowed two days and Juniors are excused for one day during the school year.

Transcripts

If you need a transcript sent, please stop by the counseling office or send me an email.Please include the recipient organization, the format transcripts are accepted (hard copy, or email), Address or email of the recipient.

School Times and Procedures

The school day starts at the elementary and middle school/high school at 8:15 and dismisses at 3:30 at the elementary and 3:41 at the middle school/high school. Students may enter the buildings starting at 7:45 for breakfast and school work help. Parents/Guardians picking up their child after school from the elementary need to stand outside the school doors or wait in the car line in front of St. Paul's Church and behind the buses for their student to be dismissed at the end of the day (approximately 3:33).

Meal Information

Breakfast Prices: PreK-12th $2.45 Adult $3.00
Lunch Prices: PreK-5th $3.40 6th-12th $3.50 Adults $5.00 Extra Milk $.50 Extra Juice $.50

We realize that your bill is an additional expense for your family, but please pay your it in a timely manner. Please apply for the free or reduced priced lunches as the school receives Federal and State reimbursement funds for every meal served. The main components of receiving free or reduced priced lunches are based on family income and the number of total family members living in the household. All families are encouraged to fill out the form to find out if they meet the necessary qualifications. Please know that all information is kept confidential and only used for the purpose of determining qualification for free or reduced lunch.

Child Find

The Emerson-Hubbard Community School requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (P94-142) and the Nebraska Statutes, which guarantees a free appropriate educational program for all children between birth and 21 years of age. If you have a student or know of any young person who meets these criteria, please contact the Superintendent's office.
It is the policy of the Emerson-Hubbard Community Schools not to discriminate on the basis of sex, handicap, race, age, color, religion, marital status, or national or ethnic origin in it's educational programs, admission policies, employment policies, other agency administered programs and all related publications.

Emerson-Hubbard MS/HS Developing Outdoor Classroom-Purchase a Brick To Partner With Us

Emerson-Hubbard Middle School & High School is developing an Outdoor Classroom designed to extend learning beyond the traditional walls of our building. This space will provide meaningful, hands-on opportunities for students in grades 6–12 while supporting instruction in science, writing, problem-solving, and social-emotional learning.

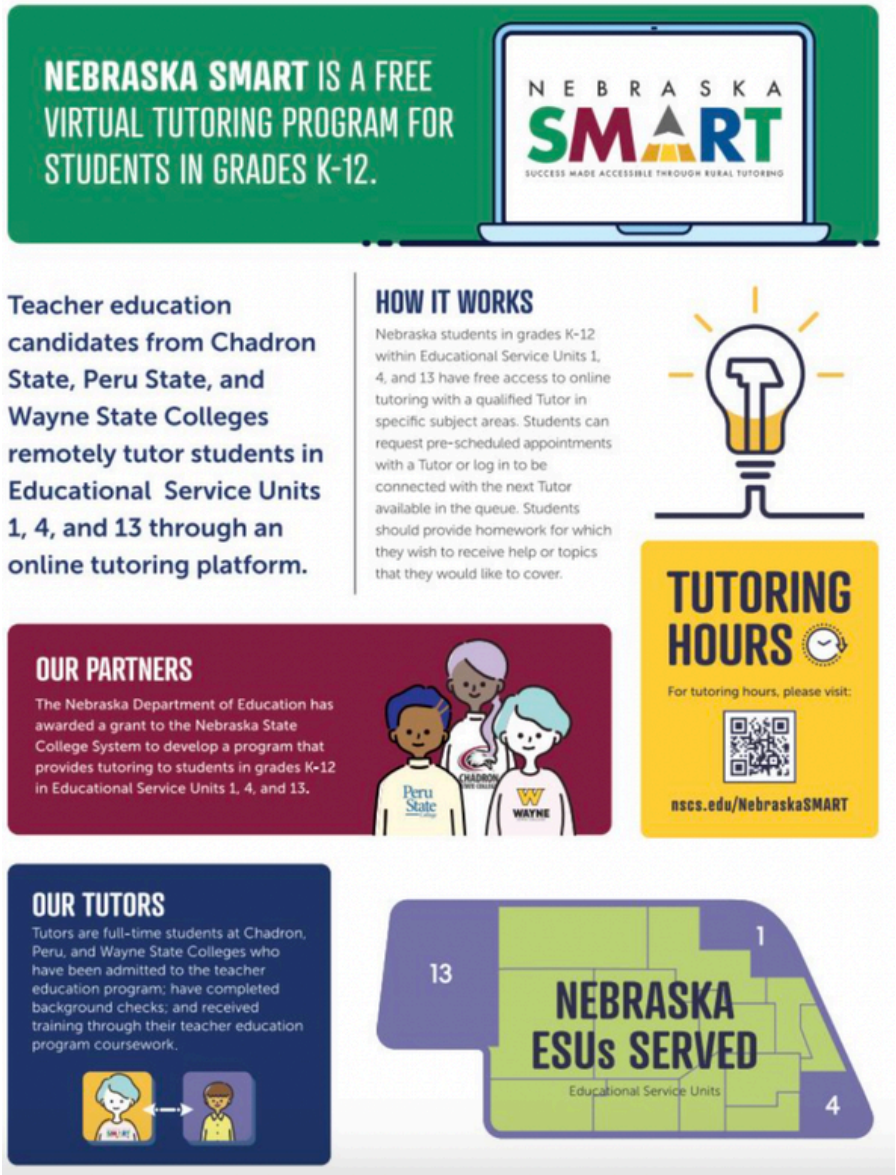

We are seeking community partners to help bring this vision to life. Through the purchase of a personalized commemorative brick, you can play a direct role in creating this space. Donations will support essential elements such as seating, instructional surfaces, shade structures, and overall site development.

Each brick represents not only a contribution to our students' learning environment, but also a lasting legacy within the Emerson-Hubbard community.

To learn more or to purchase a brick, please visit:
https://www.bricksrus.com/donorsite/ehmshs
Thank you for your continued support of our students, staff, and community.

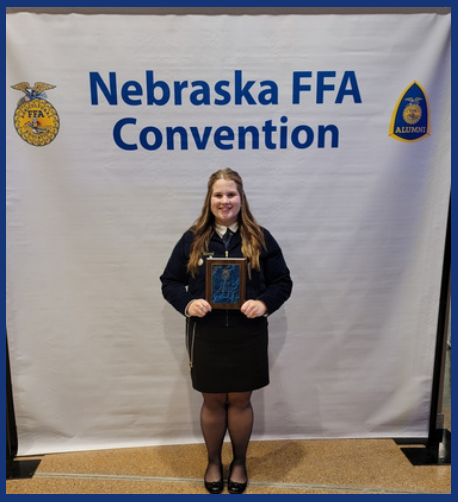

Nebraska SMART is a FREE online tutoring program for K-12 students. Tutors are current students at Chadron State, Peru State, and Wayne State Colleges who have been admitted to the teacher education program. Parents must initially register their student(s) before they can receive tutoring services. Once registered, students, or parents on behalf of students can schedule a tutoring session at least 24 hours in advance. Students can join on-demand tutoring to be connected with the next available tutor.

Emily Stamm

Birthday: August 13, 2007
Hometown: Emerson, Nebraska
Parents: Tim Stamm & Robin Paulsen
Favorite Vehicle: Doc Hudson from Cars
Activity Involvement: FBLA, FFA, science club, quiz bowl, One-Act, and golf
Advice for Underclassmen: Don't let anyone discourage you from achieving your goals, but always bring snacks and nap when you can.
Post-Graduation Plans: I plan to attend Northeast Community College to pursue a degree in nursing. I am currently enrolled in classes at Northeast to become an EMT, which will enable me to work in the field while completing my nursing education. My ultimate goal is to become a trauma/flight nurse.
