Superintendent's Message

I would like to take this opportunity to thank our school board members for their service to the district and the community. Being a member of the board requires extra time and energy to keep up with pertinent information and participate in committees and regular meetings. We have been fortunate to have community members willing to commit to do this and become a part of the Emerson-Hubbard school district leadership team. Our current school board members are Joani Franzluebbbers, Scott Albrecht, Tricia Belt, Kip Ahlers, Ryan Beacom, & Ashley Fuchser.

We do have two current members who will complete their terms in December of this year and who have chosen to not run for reelection. As a result there will be opportunity for new members to be chosen to be a part of the board starting in January of 2027. March 2nd is the deadline for any district members to file for this office with the primary election being in May. I encourage interested individuals to consider being a candidate for this important position.

Mr. Dale Martin, Superintendent

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Dear Families,

As we move into March, we begin the transition from winter activities into the busy spring stretch of the school year. This is an important time for maintaining strong academic habits while also preparing for upcoming assessments and spring events. Thank you for your continued partnership and support of Emerson-Hubbard students and staff.

Activities & Athletics

Winter activities are wrapping up, and we are proud of the effort and sportsmanship our students have shown throughout the season. Congratulations to all of our basketball, wrestling, and speech participants for representing Emerson-Hubbard so well. A special congratulations goes to Kiya Tornez for her second place medal at the NSAA Girls State Wrestling tournament as well as to Jenni Olson, Nathan Franzluebbbers, and Landon Newton for their success at the state tournament as well.

Spring sports practices begin on Monday, March 9th, and we look forward to another exciting season. Please continue to watch the activities calendar for schedules and updates.

Reminder: There will be **no school at the MS/HS on Monday, March 9th**, due to the Lewis & Clark Conference Speech Meet.

Academic Focus

March is a key month for staying on track academically as we head toward the end of the third quarter and into the final stretch of the year.

- Teachers continue to monitor student progress and provide targeted support.
- Students should stay organized, keep up with assignments, and communicate with teachers when help is needed.
- Consistent attendance remains critical as instruction becomes increasingly focused on skill development and spring assessments.

Please be on the lookout in the coming days for information regarding 2026-2027 class registration. We are beginning to plan for the next school year and are excited to bring parents/families in to support educational decision-making for their child.

Juniors & ACT Preparation

ACT preparation remains a priority for our juniors. Students should continue using practice resources and take advantage of the before- and after-school ACT tutoring offered by the English and Math departments. Your encouragement at home makes a meaningful difference.

Middle School Updates

Middle school students continue to strengthen routines, responsibility, and academic habits. This time of year is especially important for reinforcing:

- Organization
- Consistent work completion
- Positive peer interactions

We appreciate families partnering with us to reinforce these expectations. Our eighth grade students will also be participating in the National Assessment of Educational Progress (NAEP) test on the morning of Thursday, March 12th. Encourage your child to get a good night of rest in preparation for this exam.

Middle School MTSS Pilot

Our Middle School MTSS pilot continues to move forward with a focus on supporting positive behavior and ensuring all students have what they need to be successful.

We have started the 'Leader of the Pack' at the MS/HS level to offer students and staff the opportunity to highlight the positive achievements they see day in and day out in our building. Please keep an eye on our social media each week to see our 'Leaders of the Pack'!

Attendance & Spring Illness Season

While winter weather may still appear, March often brings increased illness-related absences. Please continue to:

- Notify the office promptly when your child is absent.
- Provide appropriate documentation when applicable.
- Encourage students to return promptly when healthy.

Strong attendance remains one of the biggest predictors of student success.

Looking Ahead

March is a pivotal month that sets the tone for a strong finish to the school year. We appreciate your continued support of our students, staff, and school community.

If you have any questions or concerns, please do not hesitate to contact the school office.

Leaders of the Pack

The Emerson-Hubbard After School Pack serving PK-5th grade students provides daily after-school programming, a snack and homework assistance by our staff. The daily rate is \$12/child. To enroll your child, please contact the elementary school office.

Playground Update

We are excited to share that the equipment has officially been ordered and will be arriving before May! While this is a big step forward, we still need additional support to help bring more of our vision to life.

We are continuing to seek donations to help create a grassy play area west of the playground equipment and to extend concrete from the west gate to the existing large cement play court.

Every contribution helps create a safer, more enjoyable space for our students.

We truly appreciate the continued support in helping create a space our students will enjoy for years to come.

Donations can be dropped off at the school office or mailed to:

Emerson-Hubbard 5th grade Living Wax Museum

When: March 20, 2026
Where: Elementary Cafeteria
Time: 2:00 pm - 3:00 pm

Join us for our Living Wax Museum on Friday March 20, 2026. The past will come to life as the fifth grade class will present many fascinating historical figures. Feel free to walk from station to station to learn interesting facts about these legends of history. We look forward to seeing you there!

Students are able to leave with their parents at the end of the presentation at 3:00 pm

School Times and Procedures

The school day starts at the elementary and middle school/high school at 8:15 and dismisses at 3:30 at the elementary and 3:41 at the middle school/high school. Students may enter the buildings starting at 7:45 for breakfast and school work help. Parents/Guardians picking up their child after school from the elementary need to stand outside the school doors or wait in the car line in front of

St. Paul's Church and behind the buses for their student to be dismissed at the end of the day (approximately 3:33).

GET GOOD SLEEP.

Healthy sleep habits are tied directly to a child's academic success. Did you know that kids 6 to 12 years old should be getting 9 to 12 hours of sleep a night, and older kids aged 13 to 18 should be getting 8 to 10 hours of sleep each night?

WOLFPACK
WRESTLING

Congrats to our TCNE Wrestlers who punched their tickets to the 2026 State Wrestling Tournament!

In the Girls District competition Kiya Tornez was District B-1 Champion at 155 pounds and Jenni Olson took 3rd place at 100 pounds.

At the Boys District D-1 meet, Landon Newton was District Runner-Up at 126 pounds and Nate Franzluebbbers took 3rd place at 285 pounds.

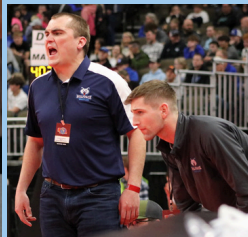

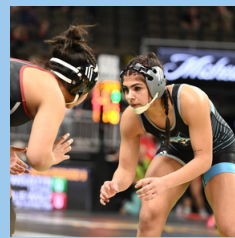

All four competed at the NSAA State Tourney in Omaha in February, and faced tough competition.

Kiya brought home the Class B 155 pound Runner-Up medal!

Jenni, Landon, and Nate all gave it their all in their matches.

Congratulations wrestlers and coaches on an awesome season!

Way to go Wolfpack!

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!
